DR. CARRALL'S VEGETABLE CORDIAL, THE ONLY KNOWN CURE FOR GRAVEL, DIABETES, WEAKNESS AND INFLAMMATION OF THE KIDNEYS AND URINARY CHANNELS.—Dr. Carrall, for the past several years has made the diseases of the kidneys his special study, and is now able to put before the public a perfect cure for the same. The following are evidences of the kidneys being affected—First, a distress in the small of the back when walking, standing, or lying too long, especially when first getting up in the morning, or in case of to much exercise. This is generally followed by a distress in the sides, stiffness and swelling of the limbs and stomach; also, a tendency to dropsey, shortness of breath, and rheumatic pains. Many people are confined to their homes with this disease, and have been given up to die with the dropsey or rheumatism, but this is an affection of the kidneys. They may know this by feeling worse when having cold, and in this case the urin will have a very high color. Diabetes is a weakness or inflamation of the kidneys and urinary channels, causing frequent discharges of urin, both day and night, these discharges are at times uncontrolable, at other times with pain and a very disagreeable burning. The Gravel is a stone, caused by a sediment which collects at the kidneys when they fail to act freely, then passing through the urinary channels there becomes an increasing stone. All this is caused by the kidneys not performing their proper functions. The experience of thousands is that CARRALL'S CORDIAL will dissolve this stone, so that it will pass without pain and clear out all that sediment from which it collects, and stimulate the kidneys to their proper action; therefore remove all the above mentioned trouble, the use of this article from one to three months will cure the most severe cases.

Prepared by Dr. CARRALL, office 336 Harmony St., Philadelphia. Price $1.

A cure is warranted legally in all cases who call upon Dr. Carrall.

What a wonder
That the doors
Are open wide;
Ever since the
First of August
Thousands have
Pain Paint applied.
Those who lie,
Or call it humbug,
Are the doctors,
Not acquaint;
For they always
Have been jealous
When their patients
Use Pain Paint,
Pile up facts
As high as mountains,
Flash the truth
Before their eyes,
But the cry
Is always humbug,
Men of science
Full of lies.

People know that ointments composed of Cayenne Pepper, Turpentine, Hartshorn, Ether, &c., will produce inflammation and pain. To purchase such trash to stop Pain and Inflammation is ridiculous. Fire will not stop heat; a dumb bruise shuns the heat, and knows enough to wade in a pond of water, when wounded, to reduce cool, and cure Inflammation and Fever.

Pimps and gamblers try to look honest, but folks can read the face too plainly. Some try to persuade the ignorant that pills, physic, &c., cleanse the blood, purge the system, and do a hundred other things equally absurd. Everybody knows that it is false, and no medicine can purify or increase a drop of blood. Food makes blood, bone, and muscle, and is the Staff of Life. Every dose of medicine swallowed is rejected, and hurried out of the system as quick as possible. It is an enemy; yes, a deadly foe. Constipation, ill health, and weakness, are the result of dosing, dosing, dosing the stomach. The living system has enough to do without working herself to death in expelling and kicking out the pernicious nostrums poured down the throat.—Food she welcomes when she needs it; yes, asks for it. Left pill-makers and physic venders stop eating food, and see how long they can subsist on their blood-purifying, invigorating, health-giving medicines and cordials. What humbug is more transparent? A dog would feel so insulted, if offered a dose, he would curl his tail downward in scorn, and run away in utter disgust. At physical pain arises from inflammation. Put out the fire and you stop pain absolutely.—You can stop pain as easy as you can quench fire with water. WOLCOTT'S PAIN PAINT subdues inflammation, heat, and fever one hundred times faster than ice. Thousands have had a practical test of its merits at the very moment of most extreme pain, and they can testify that it has not failed in doing its work; it is harmless; it has no stain; it gives no smart; it is simple; it is for sale by Druggists every where; and it is tested free of cost at 319 CHESTNUT SQUARE, N. Y., and 624 Arch Street, Philadelphia.

My wife had an ulcer on her leg for thirteen years caused by various veins, ulceration extending from her ankle to her knee, some places eating away to the bone, I have employed over twenty physicians at vast expense during this period. But all attempts at cure proved utterly abortive until I tried Dr. Wolcott's Pain Paint, which the doctors told me was a humbug. But humbug or not, it has done the work completely in less than one month, removing the pain at the first application. I kept her leg wet with Pain Paint constantly until healed. I wish we had more humbugs as destroy as Dr. Wolcott's Pain Paint. I am well known in this city, any person who wants to make further inquiry will call at 101 West Street, New York, at the Hanover House, of which I am the proprietor, and think I can satisfy them as to the benefit derived by the use of Pain Paint.

640 MILES

OF THE

UNION PACIFIC

RAILROAD

Are now finished and in operation. Sixty miles of track have been laid this Spring, and the work along the whole line between the Atlantic and Pacific States is being pushed forward more rapidly than ever before. More than twenty thousand men are employed, and it is not impossible that the entire track, from Omaha to Sacramento, will be finished in 1869 instead of 1870. The means provided are ample, and all that energy, men and money can do to secure the completion of this

GREAT NATIONAL WORK,

at the earliest possible day, will be done.

The UNION PACIFIC RAILROAD COMPANY receive:

I.—A GOVERNMENT GRANT

of the right of way, and all necessary timber and other materials found along the line of its operations.

II.—A GOVERNMENT GRANT

of 12,800 acres of land to the mile, taken in alternate sections on each side of its road. This is an absolute donation, and will be a source of large revenue in the future.

III.—A GOVERNMENT GRANT

of United States Thirty-year Bonds, amounting to from $16,000 to $48,000 per mile, according to the difficulties to be surmounted on the various sections to be built. The Government takes a second mortgage as security, and it is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, mails, &c. The interest is now much more than paid in this way, besides securing a great saving in time and money to the government.

IV.—A GOVERNMENT GRANT

of the right to issue its own FIRST MORTGAGE BONDS, to aid in building the road, to the same amount as the U. S. Bonds, issued for the same purpose, and *no more*. THE GOVERNMENT PERMITS the Trustees for the First Mortgage Bondholders to deliver the Bonds to the Company only as the road is completed, and after it has been examined by United States Commissioners and pronounced to be in all respects a first-class Railroad, laid with a heavy T rail, and completely supplied with depots, stations, turnouts, carshops, locomotives, cars, &c.

V.—A CAPITAL STOCK SUBSCRIPTION

from the stock holders, of which *over Eight Million Dollars* has been paid in upon the work already done, and which will be increased as the wants of the Company require.

VI.—NET CASH EARNINGS

on its Way Business, that already amount to MORE THAN THE INTEREST on the First Mortgage Bonds. These earnings are no indication of the vast through traffic that must follow the opening of the line to the Pacific, but they certainly prove that

FIRST MORTGAGE BONDS

upon such a property, costing nearly three times their amount,

ARE SECURE BEYOND ANY CONTINGENCY.

The Union Pacific Bonds run thirty years, are for $1,000 each, and have coupons attached. They bear annual interest, payable on the first days of January and July at the Company's Office in the City of New York, at the rate of six per cent. in gold. The principal is payable in gold at maturity. The price is $102, and at the present rate of gold, they pay a liberal income on their cost.

The Company believe that these bonds, at the present date, are the cheapest security in the market, and reserve the right to advance the price at any time.

Subscriptions will be received in Carlisle by A. L. SPONSLER, and in New York

AT THE COMPANY'S OFFICE, No. 20 Nassau St.,

AND BY

JOHN J. CISCO & SON, Bankers, No. 59 Wall St.

And by the Company's advertised agents throughout the United States.

Remittances should be made in drafts or other funds par in New York, and the Bonds will be sent free of energe by return express. Parties subscribing through local agents will look to them for their safe delivery.

A PAMPHLET AND MAP FOR 1868 has just been published by the Company, giving fuller information than is possible in an advertisement, respecting the Progress of the Work, the Resources of the Country traversed by the Road, the Means for Construction, and the Value of the Bonds, which will be sent free on application at the Company's offices or to any of the advertised agents.

JOHN J. CISCO, *Treasurer.*

SHERK'S

BITTER TINCTURE OF ROOTS

WILL PERFECTLY CURE

Dyspepsia or Indigestion, Disordered Stomach and Liver, Costiveness, Impurity of Blood, Headache, Vertigo or Giddiness, Nervous Debility, Fever and Ague, Jaundice or Nightmare, General Pains in the Back and Side.

This is not a new Medicine; the receipt for making it was brought from Germany to Baltimore, Md., over fifty years ago, by Mr. Klein, who introduced it among a few of his German friends and neighbors, who finding it to be an invaluable remedy for the above diseases recommended it to others until it became, and still continues to be, the household medicine of a large portion of the Germans of Baltimore.

THE BITTER TINCTURE OF ROOTS

is composed of the juices of a number of the most valuable roots and seeds known to the medical faculty, with a sufficiency of pure old rye whiskey to make one of the most efficacious Tonic Tinctures ever offered to the public.—Every person should use it every Spring, Summer and Fall to purify the blood, give tone to the stomach and invigorate the system.

TESTIMONIALS.

The Rev. Geo Hunter says:

I do hereby certify that having used one bottle of Sherk's Bitter Tincture of Roots, I have found it *invaluable* for the stomach and bowels. It relieved me of pains, nausea and costiveness and created an excellent appetite. I confidentally recommend it to all as a reliable medicine.

GEO. HUNTER.

Jan. 27, 1868.

Having been afflicted for some time with dyspepsia, costiveness, loss of appetite, and general prostration of the system, I used Sherk's Bitter Tincture of Roots, and in a short time found myself entirely relieved, and my health restored.

J. S. HERBST,
No. 21 North Hanover St., Carlisle.

I hereby certify that the Medicine, known as Sherk's Bitter Tincture of Roots, has to my knowledge, cured costiveness, nightmare, loss of appetite and general debility.

J. W. SMILEY,
No. 55 North Hanover St., Carlisle.

Having been afflicted with costiveness for a long time, I tried Sherk's Bitter Tincture of Roots, and have found it highly efficient, relieving me in a short time. Try it and you will find it so.

A. W. BENTZ,
No. 27 South Hanover St., Carlisle.

In the summer of 1866 my health failed so that my whole system was prostrated as it were, so that I was unfit for business. I used Sherk's Bitter Tincture of Roots for some time and was completely restored to health. I believe this medicine will do all that is claimed for it.

Carlisle, Feb. 1, 1868. SAM'L GOODYEAR.

Having been afflicted a long time with nervous debility and indigestion, I used Sherk's Bitter Tincture of Roots, and have found it exceedingly beneficial, and recommend it to all as a reliable medicine. Mrs. E. KELLER.

There is more medical virtue in one of these bottles than in a gallon of any of the Bitters and mixtures now offered to the public.
