Miscellaneous.

M'Dowell's Cholera Mixture.

SYMPTOMS—CHOLERA.—This disease generally commences with watery discharges from the bowels, of a white, or yellow, or pearl color, with white flakes or standing a short time. These are well described as *rice water* evacuations. Vomiting is a usual attendant on these evacuations, but not an invariable one. The vomiting is usually accompanied with great thirstiness and pain in the stomach and bowels. The tongue and breath are icy cold; the tongue is sometimes clean, but generally slightly coated; the voice becomes weak and husky; cramps and spasms of the arms, legs and body, are general and painful symptoms. The skin is shriveled and of a purple hue; the pulse becomes weak and frequent, and in the collapse stage entirely lost at the wrist; the breathing labored and hurried. These symptoms usually succeed each other in the order stated.

M'DOWELL'S CHOLERA MIXTURE.

This mixture is prepared from the prescriptions of the late Dr. A. N. M'Dowell, of Pittsburgh. In his extensive practice he had used it with complete success in the epidemic of 1832 and the present season. Steamboat men have given it to many passengers who have been attacked with the disease the present season, and in every case effected a speedy cure—after they had been pronounced incurable by physicians on board. Prepared solely by the proprietor. WM. THORN, Druggist,

Death to the Rats.

IT is a notorious fact that of all evils, none are held in such abhorrence as those of Rats, Mice, Roaches and Bed-Bugs, and to have them exterminated, is the wish and desire of all. A preparation has been discovered by which those wishes, may become rid of this evil, which is less more or less every house in this city.

This preparation has now been in use in Germany about seven years, (and in the United States for the last five,) and by every one who has given it a trial, been pronounced the best remedy they have ever used for exterminating Rats, Mice, Bed-Bugs, Roaches, &c.

The articles composing this composition are in themselves very innocent; and contain but a portion of poison, which combined, creates a gas which explodes the stomach, and consequently destroys life in a few hours—as soon as it has affected the stomach, the articles become neutralized, and will affect nothing thereafter; so that there can be no danger in its use, under any circumstances. This is no humbug. We will warrant to rid houses of all the Rats, Mice, Roaches, &c., that infests them. Should it not do as we represent, money will be refunded.

Great Bargain Corner.

SMITHFIELD AND FIFTH STREETS, PITTSBURGH, PA.

Is the most popular of all BOOT and SHOE Establishments in the West. This place has gained its reputation by its proprietor keeping the very best Boots and Shoes, which are made expressly to order for this market, and he is not satisfied only by keeping the best assorted stock of BOOTS and SHOES in the West, but he is enabled and determined to sell his GOODS lower than any other house possibly can, he cares not what facilities they boast of having for offering great inducements to the public. It is impossible to set forth all the advantages and facilities in an advertisement, that the Great Bargain Corner has over others, which enables its proprietor to sell Boots and Shoes of the very best qualities and styles at from 10 to 25 per cent. lower than any other store in the city. The way to test the matter is for all who intend purchasing BOOTS and SHOES, to call at BATES' GREAT BARGAIN CORNER, examine the stock and prices, and then judge for themselves. This place has gained a reputation for all who have once examined the Great Bargain Corner, and take no man's receipt, without having it inserted, otherwise they will have to pay in Liverpool.

Hereafter all Storage Passengers coming from Europe, engaged in America, to come over in either of the Ships of HARDEN & Co., will be furnished with the following provision, of their equivalent, other articles equally good.—See Act of Congress, May 17, 1848.
