Investment Descriptions Harder. Industrail Group Cheerful

London, Dec. 8.—Oil shares sagged on the stock exchange today. Shell Transport and Trading was 10¾ and Mexican Eagles, 13 15-16. Investment descriptions were harder.

Gilt-edge issues improved on support from banks and insurance companies in anticipation of the compiling of year-end balance sheets. A favorable report by the British Board of Trade for November made sentiment in the industrial group cheerful.

Generally, the markets were quiet and irregular.
