ONE OF THE

BEST INVESTMENTS.

THE

FIRST MORTGAGE BONDS

OF THE

UNION PACIFIC RAILROAD CO.,

850 MILES COMPLETED.

A limited amount of the First Mortgage Bonds of the Union Pacific Railroad Company are offered to the public, as one of the safest and most profitable investments.

1. They are a first mortgage upon the longest and most important railroad in the country.
2. By law they can be issued to the Company only as the road is completed, so that they always represent a real value.
3. Their amount is limited by act of Congress to Fifty Million Dollars on the entire Pacific line, or an average of less than $30,000 per mile.
4. Hon. E. D. Morgan, of the United States Senate, and Hon. Oakes Ames, of the United States House of Representatives, are the trustees for the bondholders, to see that all their interests are protected.
5. Five Government Directors, appointed by the President of the United States, are responsible to the country for the management of its affairs.
6. Three United States Commissioners must certify that the road is well built and equipped, and in all respects a first-class railway, before any bonds can be issued upon it.
7. The United States Government lends the Company its own bonds to the same amount that the company issues, for which it takes a second mortgage as its security.
8. As additional aid, it makes an absolute donation of 12,800 acres of land to the mile, lying upon each side of the road.
9. The bonds pay six per cent. in gold, and the principal is also payable in gold.
10. The earnings from the local or way business were over FOUR MILLION DOLLARS last year, which, after paying operating expenses, was much more than sufficient to pay the interest.—These earnings will vastly increase on the completion of the entire line in 1869.
12. No political action can reduce the rate of interest. It must remain for thirty years—*six per cent. per annum in gold*, now equal to between eight and nine per cent. in currency. *The principal is then payable in gold.* If a bond, with such guarantees, were issued by the Government, its market price would not be less than from 20 to 25 per cent. premium. *As the bonds are issued under Government authority and supervision, upon what is very largely a Government work, they must ultimately approach Government prices.*—No other corporate bonds are made so secure.
13. *The issue will soon be exhausted.* The sales have sometimes been half a million a day, and nearly twenty millions have been sold. About ten millions more may be offered. It is not improbable that at some time not far distant, all the bonds the Company can issue will be taken by some combination of capitalists and withdrawn from the market, except at a large advance. *The long time, the high gold interest, and the perfect security, must make these bonds very valuable for export.*

All the predictions which the officers of this Company have made in relation to the progress and business success of their enterprise, or the value and advance in the price of their securities, have been more than confirmed, and they therefore suggest that parties who desire to invest in their bonds *will find it to their advantage to do so at once.*

Subscriptions will be received in Carlisle by A. L. SPONSLER, and in New York

AT THE COMPANY'S OFFICE, No. 20 Nassau St.,

AND BY

JOHN J. CISCO & SON, Bankers, No. 59 Wall St.

NOTICE IS HEREBY GIVEN

that every person, excepting justices of the peace, who shall hold any office or appointment of profit or trust under the government of the United States or of this State, or of any city or incorporated district, whether a commissioned officer or otherwise, a subordinate officer or agent, who is, or shall be, employed under the legislative, executive or judiciary department of this State, or of any city or incorporated district, and also that every member of Congress and of the State legislature, and of the select or common council of any city, or commissioners of any incorporated district, is by law incapable of holding or exercising, at the same time, the office or appointment of Judge, Inspector or clerk of any election of this commonwealth, and that no inspector, judge, or other officer of any such election, shall be eligible to any office to be then voted for; but nothing herein shall be so construed as to prevent any militia officer or borough officer serving as judge, inspector or clerk at any general or special election; nor shall anything herein contained be so construed as to prohibit a judge, inspector or clerk of election from being voted for to fill any township office, or render either or any of them ineligible to hold the same.

Particular attention is directed to the first section of the Act of Assembly, passed the 20th day of March, A. D., 1860, "An Act regulating the manner of Voting at all Elections, in the several counties of this Commonwealth:"

"That the qualified voters of the several counties of this Commonwealth, at all general, township, borough and special elections, are hereby, hereafter authorized and required to vote, by tickets, printed or written, or partly printed and partly written severally classified as follows: One ticket shall embrace the names of all Judges of courts voted for, and to be labelled, outside, "judiciary:" one ticket shall embrace the names of all State officers voted for, and be labelled, "State;" one ticket shall embrace the names of all county officers voted for, including a Senator, member, and members of Assembly, if voted for, and members of Congress, if voted for, and be labelled, "county;" one ticket shall embrace all the names of all township officers voted for, and be labelled "township;" one ticket shall embrace the names of all borough officers voted for, and be labelled "borough;" and each class shall be deposited in separate ballot-boxes."

In accordance with the provisions of the 8th section of an act entitled "A further supplement to the Election laws of this Commonwealth," I publish the following:

WHEREAS, By the acts of the Congress of the United States, entitled, "An act to amend the several acts heretofore passed to provide for the enrolling and calling out the national forces, and for other purposes," and approved March 3d, one *thousand eight hundred and sixty-five*, all persons who have deserted the military or naval services of the United States, and who have not been discharged or relieved from the penalty or disability therein provided, are deemed and taken to have voluntarily relinquished and forfeited their right of citizenship and their rights to become citizens, and are deprived of exercising any rights of citizens thereof:

And whereas, Persons not citizens of the United States are not, under the constitution and laws of Pennsylvania, qualified electors of this Commonwealth:

SECTION 1. *Be it enacted*, &c., That in all elections hereafter in this Commonwealth, it shall be unlawful for the judge or inspector of any such election to receive any ballot or ballots from any persons embracedin the provisions and subject to the disability imposed by said act of Congress, approved March 3d, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot or ballots.

SECTION 2. That if any such judge or inspectors of election, on any one of them shall receive or consent to receive any such unlawful ballot or ballots from any such disqualified person, he or they so offending shall be guilty of a misdemeanor, and upon conviction thereof in any court of sessions of this commonwealth, he shall for each offense, be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment in the jail of the proper county for not less than six days.

SECTION 3. That if any person deprived of citizenship, and disqualified as aforesaid, shall at any election hereafter to be held in this commonwealth, vote or tender to the officers of election, of, and offer to vote, a ballot or ballots, any person so offending shall be guilty of a misdemeanor, and on conviction thereof in any court of quarter sessions of this commonwealth, shall for each offence be punished in likewise manner as provided in the preceding section of this act in case of officers of election receiving such unlawful ballot or ballots.

SECTION 4. That if any person shall hereafter persuade or advise any person or persons, deprived of citizenship and disqualified as aforesaid, to offer any ballot or ballots to the officer of any election hereafter to be held in this commonwealth, such persons so offending shall be guilty of a misdemeanor, and upon conviction thereof in any court of quarter sessions of this commonwealth, shall be punished in a like manner as is provided in the second section of this act in the case of officers of such election receiving such unlawful ballot or ballots.

Agreeably to the provisions of the sixty-first section of said act, "Every General and special Election shall be open between the hours of eight and ten in the forenoon and shall continue open until seven o'clock in the evening, when the polls shall be closed."

Pursuant to the provisions contained in the seventy-sixth section of the act first aforesaid, the judges of the aforesaid districts shall respectively take charge of the certificates of return of the election of their respective districts, and produce them at a meeting of one judge from each district, at the borough of Carlisle, on the third day after the election, being for the present year ON FRIDAY, THE 6TH DAY OF NOVEMBER NEXT, then and there to do and perform the duties required by law of said judges.

Also—That where a judge by sickness or unavoidable accident, is unable to attend such a meeting of judges, then the certificate of return aforesaid shall be taken charge of by one of the Inspectors or Clerks of the election of said district, who shall do and perform the duties required of said judge unable to attend.

MRS. M. S. HALL, M. D., When one year of age, I was taken with a nervous affection, which gradually grew worse, until I met you, then I was *18 years old. I was extremely nervous* and had a complication of diseases such as St. Vitus Dance, Epileptic Fits, and inward convulsions. Which baffled the skill of the most eminent doctors, and made my life miserable. My body was in constant motion, night and day. After being under your treatment three days, my nerves were perfectly quiet, and I am now enjoying good health for the first time in my life.

MARY HEFFERMAN.

P.S. Now over two years have passed and this young lady has had no return of this disease, but enjoys perfect health.

PHILADELPHIA, Pa. July 3d, 1868.

Dr. W. D. Hall, I was paralysed for three years, I could not walk or dress myself, my limbs and hands were useless. I heard of the many cures performed by you, and was persuaded to try your mode of treating diseases. In one week I was able to walk and dress myself without any assistance. My gratitude to you was unbounded, and with pleasure I recommend all suffering from any disease to your cure.

ECONOMY IS WEALTH!

James McGonigal, at No. 83 South Hanover St. Carlisle, would call the attention of his friends and the public generally to his large stock of

STOVES, TIN AND SHEET-IRON WARE,

which he feels assured will give satisfaction in both quality and price.

In the stove line he would call especial attention to the "EMPIRE" Gas burner and parlor Heater.

It is a Perpetual Base Burning Stove. The Furnace will heat an upper and lower room perfectly, and is guaranteed to be perfectly free from explosion of gas. It has no brick to be replaced every year. It is so constructed that its rays of heat are reflected from the floor, warming the feet instead of the face. It is a gas consumer, and is perfectly clear from dust. Its ventilation is complete, and the burning gas and ignited coals shine out through the Mica Windows, giving the brightness and cheer of an open fire. Call and see it.

He also offers all the latest and most improved patterns of

PARLOR STOVES,

and a large stock of Cook Stoves, consisting of the

Nimrod,
Niagara,
Ironsides,
Quaker City,
Farmer,

and a variety of others, all of which are warranted to be best class Stoves and to give entire satisfaction.

Tin and Sheet-Iron ware, made of the very best material, and all other things necessary for housekeepers in his line of business kept constantly on hand.

His expenses are trifling, compared with others, as he defies competition, and would ask those desiring anything in his line of business, to ascertain prices elsewhere, and then give him a call and satisfy themselves that he can sell better articles for less money than any other establishment in the county. His motto is, Quick Sales and Small Profits. Old metal taken in exchange.

Spouting, Roofing and Jobbing promptly attended to, made of the best material and at moderate prices.

DISSOLUTION OF PARTNERSHIP.—The co-partnership heretofore existing between Samuel Keeney, Joseph Keeney and Frederick W. Schieider, is this day dissolved, by the expiration of the term stipulated in the agreement of copartnership. Settlement of indebtedness can be made with either of the firm.
