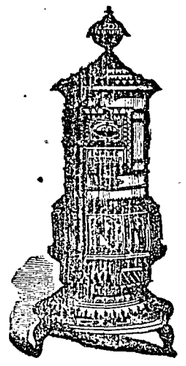
ECONOMY IS WEALTH!

James McGonigal, at No. 83 South Hanover St. Carlisle, would call the attention of his friends and the public generally to his large stock of

STOVES, TIN AND SHEET-IRON WARE,

which he feels assured will give satisfaction in both quality and price.

In the stove line he would call especial attention to the "EMPIRE" Gas burner and parlor Heater.



It is a Perpetual Base Burning Stove. The Furnace will heat an upper and lower room perfectly, and is guaranteed to be perfectly free from explosion of gas. It has no brick to be replaced every year. It is so constructed that its rays of heat are deflected to the floor, warming the feet instead of the face. It is a gas consumer, and is perfectly clear from dust. Its ventilation is complete, and the burning gas and ignited coals shine out through the Mica Windows, giving the brightness and cheer of an open fire. Call and see it.

He also offers all the latest and most improved patterns of

PARLOR STOVES,

and a large stock of Cook Stoves, consisting of the

Nimrod,
Niagara,
Ironsides,
Quaker City,
Farmer,

and a variety of others, all of which are warranted to be best class Stoves and to give entire satisfaction.

Tin and Sheet-Iron ware, made of the very best material, and all other things necessary for housekeeping in his line of business kept constantly on hand.

His expenses are trifling, compared with others, as he defies competition, and would ask those desiring anything in his line of business, to ascertain prices elsewhere, and then give him a call and satisfy themselves that he can sell better articles for less money than any other establishment in the county. His motto is, Quick Sales and Small Profits. Old metal taken in exchange.

Spouting, Roofing and Jobbing promptly attended to, and made of the best material and at moderate prices.
