Hair Renewer.

Ayer's

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume

ROSADALIS

THE GREAT AMERICAN HEALTH RESTORER, purifies the blood in cases Scrofula, Syphilis, Skin Diseases, Rheumatism, Diseases of Women, and all Chronic Affections of the Blood, Liver and Kidneys. Recommended by the Medical Faculty and many thousands of our best citizens.

Read the testimony of Physicians and patients who have used Rosadalis; send for our Rosadalis Guide to Health Book, or Almanac for this year, which we publish for gratuitous distribution, it will give you much valuable information.

Dr. R. W. Carr, of Baltimore, says:

I take pleasure in recommending your Rosadalis as a very powerful alterative. I have seen it used in two cases with happy results—one in a case of secondary syphilis, in which the patient pronounced himself cured after having taken five bottles of your medicine. The other is a case of scrofula of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover I have carefully examined the formula by which your Rosadalis is made, and find it an excellent compound of alterative ingredients.

Dr. Sparks, of Nicholasville, Ky., says he has used Rosadalis in cases of Scrotula and Secondary Syphilis with satisfactory results as a cleanser of the Blood I know no better remedy.

Samuel G. McFadden, Murfreesboro', Tenn., says:

I have used seven bottles of Rosadalis, and am entirely cured of Rheumatism; send me four bottles for my father, and one for my brother, who has scrofulous sore eyes.

Benjamin Bechtol, of Lima, Ohio, writes, I have suffered for twenty years with an inveterate eruption over my whole body; in short time since I purchased a bottle of Rosadalis and it effected a perfect cure.

Rosadalis is sold by all druggists.

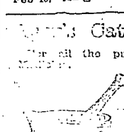
[illegible]'s Cathartic Pills,

For all the purposes of a Laxative.



Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and *Extensive* effectual remedy than any other. Those who have tried it, know it cured them; those who have seen it cure their neighbors and friends, feel know that what it does once it does always and it never fails through any fault or neglect of its compounder. We have thousands upon thousands of testimonials of their remarkable cures of the worst complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; it is the safest medicine to take, and is an agreeable drug, it may be taken with safety by anybody. Their tonic qualities are over them over fresh and makes an invalid to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their peculiar searching influence on the secretions to purify the blood and stimulate it to healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on a box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild pill is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists for one who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

take this opportunity of directing the attention of the community at large, and every person in particular, to their recently replenished stock of

HARDWARE.

They studiously avoided investing during the high prices, and patiently waited the falling out of the bottom before attempting to refill their shelves, and now that things have been reduced to old time prices, as near as possible, they have invested largely and are prepared to guarantee to their friends and customers as low prices as any market outside the cities. They especially invite the attention of mechanics, farmers and builders. Our stock is complete and none need fear meeting with disappointment in enquiring for anything in our line.

We have the agency of the Willcox & Gibbs

SEWING MACHINE,

and would respectfully ask all those in want of a Machine, to examine the Willcox & Gibbs' before purchasing.

All orders promptly attended to, and goods delivered to all parts of the town free of charge.
