A GREAT MEDICAL DISCOVERY

DR. WALKER'S CALIFORNIA

VINEGAR BITTERS

Hundreds of thousands bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life Giving Principle a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell, provided the bones are not destroyed by mineral poison or other means and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Bilious, Remittent and Intermittent Fever, which are so prevalent in the valleys of our great Rivers throughout the United States, especially those of the Mississippi, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others with their vast tributaries, during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters as they will speedily remove the dark colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. The universal popularity of this valuable remedy in regions subject to miasmatic influences, is sufficient evidence of its power as a remedy in such cases.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, or whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feeling will tell you when. Keep the blood pure and the health of the system will follow.

Pin, Tape and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

NEW 7:30 GOLD LOAN!

SAFE! PROFITABLE! PERMANENT!

JAY COOKE & CO.

offer for sale at par and accrued interest the

FIRST MORTGAGE LAND GRANT GOLD BONDS

Of the Northern Pacific R. R. Co.

These bonds are secured, first, by a first Mortgage on the Railroad itself, its rolling stock, and all equipments; second, by a first Mortgage on its entire Land Grant, being more than Twenty-Two Thousand Acres of Land to each mile of Road.

The Bonds are free from United States Tax; the Principal and Interest are payable in Gold—the Principal at the end of Thirty years, and the Interest Semi-annually, at the rate of Seven and Three-tenths per cent. per annum.

They are issued in denominations of $100, $500, $1,000, $5,000 and $10,000.

The Trustees under the Mortgage are Messrs. Jay Cooke, of Philadelphia, and J. Edgar Thomson, President of the Pennsylvania Central R. R. Company.

These Northern Pacific 7-30 Bonds will at all times before maturity, be receivable at Ten per cent. Premium, (or 110) in exchange for the Company's lands at their lowest cash price.

In addition to their absolute safety, these Bonds yield an income larger, we believe, than any other first-class security. Persons holding United States 5-20's can, by converting them into Northern Pacifics, increase their yearly income one-third, and still have a perfectly reliable investment.

HOW TO GET THEM.—Your nearest Bank or Banker will supply these Bonds in any desired amount, and of any needed denomination. Persons wishing to exchange stocks or other bonds for these, can deal with any of our Agents, who will allow the highest current price for all marketable securities.

Those living in localities remote from Banks, may send money, or other bonds, directly to us by express, and we will send back Northern Pacific Bonds at our own risk, and without cost to the investor. For further information, Pamphlets, maps, &c., call on or address the undersigned, or any of the Banks or Bankers employed to sell this Loan.

CARBOLIC TABLETS,

PREPARED BY DR. WELLS.

The most important discovery of the age is this wonderful Heating and Cleansing agent for all diseases or weakness of the Respiratory organs, Sore Throat, Sudden Cold, Hoarseness, Catarrh, Asthma, Dryness of the Throat or Windpipe, diseases of the Lungs and for all irritation of the mucous membrane.

All vocalists and public speakers who speak and sing without effort, use these Tablets. Their effect in clearing the voice is simply astonishing as can be shown by numerous certificates.

Dr. Well's Carbolic Tablets,

act directly on the mucuous membrane and should be promptly and freely taken in all exposure or violent change of weather, as they equalize the circulation of the blood and thus ward off all tendency to colds and Lung difficulty.

The proprietors would say, all first class medicines have their imitations, and they would CAUTION the public against imposition by having other medicines thrust upon them in place of these admirable Tablets. JOHN Q. KELLOGG, 34 Platt St., N. Y., Sole Agent. Sold by Druggists. Price 25 cents a box.

take this opportunity of directing the attention of the community at large, and every person in particular, to their recently replenished stock of

They especially invite the attention of mechanics, farmers and builders. Our stock is complete and none need fear meeting with disappointment in enquiring for anything in our line.

CARLISLE MACHINE WORKS.

New Machines for 1871.

Seeding, Reaping, Threshing.

THE CUMBERLAND VALLEY

Thresher and Separator.

We offer this new Thresher and Separator, (Cashe & Cove, Patent) to the farmers of Cumberland and adjoining counties as fully equal, if not superior to any machine now manufactured. It has the great advantage of being simple and simple in construction. It is a VERY RAPID THRESHER AND A PERFECT SEPARATOR AND CLEANSER. In using it the farmer will be sure of making the most he possibly can out of his crop because it

Wastes No Grain,

but saves all that goes through the machine, and separates entirely the chaff from the straw. It is an easy running machine and will do its work thoroughly. This we guarantee. It is at the same time the cheapest machine in the market. The HORSE POWER which we furnish to run the Cumberland Valley Thresher is also new and entirely different in construction from what we have heretofore built, securing much greater power and speed, with lighter draft, so that four horses only will be required, where many other machines require six and eight horses.

The Cumberland Valley Thresher and Cleaner was tried on the grounds of the Cumberland County Agricultural Society at the Fair of 1870, a large crowd of farmers being present to witness its operation. The trial was completely successful and the machine proved its ability to thresh clean and separate grain in the most satisfactory manner. All who witnessed the trial expressed their approval in the warmest terms. The committee on agricultural implements, also gave the machine a special notice in their report, strongly recommending it. The Cumberland Valley Thresher and Separator, has also been recently used by Col. W. M. Henderson, at his farm near Carlisle, in threshing and cleaning a large crop. So he is satisfied of its great merits that he allows us to use his name as a reference. Farmers who wish further and fuller particulars as to the working qualities of this new machine are therefore respectfully referred to Col. Henderson, one of the most widely known farmers of Cumberland county.

The Cumberland Valley Thresher will always be well and substantially built, of the best material, solidly framed in every part, and presenting a handsome external appearance.—Price of machine, with 20 inch cylinder, $360, without wagon. A great advantage of this machine is that it can be readily repaired at any good shop without trouble.

THE CUMBERLAND VALLEY

PATENT SELF RAKING

MOWER and REAPER.

We will also build this new machine, with changes and improvements fully remedying the defects and weak points of those built last season. Our aim is to supply farmers with a good home-made machine, which if not superior in all respects to those brought from a distance will nevertheless prove in all essential points, a good and reliable harvester. All we ask for it is a fair trial.

THE WILLOUGHBY PATENT GUM SPRING

Grain Drill.

We build this well known Grain Drill now with or without guano attachment, and the shoes fit at right or 22 inches, just as the farmer prefers. We now have also a new and improved plan of attaching the gum tubes, for which we have obtained Letters Patent, which with other improvements makes the Willoughby the most complete and perfect Drill manufactured in the country.

ALWAYS ON HAND!

a full line of agricultural implements both of our own manufacture and from other establishments, including every useful machine needed by the farmer. We may enumerate Hay Rakes, old fashioned Threshers and Horse Powers, Corn Shellers, of which we have three kinds and five different sizes, Cannon Corn Sheller, Fodder Cutters, Cider Mills and other articles too numerous to specify.

Orders taken for all kinds of

IRON WORK

HOOFLAND'S

GERMAN MEDICINES

Hoofland's German Bitters

Hoofland's German Tonic

Hoofland's Podophyllin,

Hoofland's Greek Oil,

Hoofland's German Bitters

A Bitters without Alcohol or Spirits of any kind.

Is different from all others. It is composed of the pure juices or vital principle of Roots, Herbs and Barks (or as medicinally termed, extracts) the worthless or inert portions of the ingredients not being used. Therefore, in one bottle of this Bitters there is contained as much medicinal virtue as will be found in several gallons of ordinary mixtures. The Roots, &c., used in these Bitters are grown in Germany, their vital principles extracted in that country by a scientific Chemist and forwarded to the manufacturer in this city, where they are compounded and bottled. Containing no spirituous ingredients, these Bitters is free from the objections urged against all others; no desire for stimulants can be produced from their use, they cannot make drunkards, and cannot, under any circumstances, have any but a beneficial effect.

Hoofland's German Tonic

Was compounded for those not inclined to extreme bitters, and is intended for use in cases when some alcoholic stimulant is required in connection with the Tonic properties of the Bitters. Each bottle of the Tonic contains one gallon of the Bitters, combined with pure Santa Cruz Rum, and flavored in such a manner as to render the extreme bitterness of the Bitters agreeable, forming a preparation highly agreeable and pleasant to the palate, and containing all the medicinal virtues of the Bitters. The price of the Tonic is $1 50 per bottle, which many persons think too high. They must take into consideration that the stimulant used is guaranteed to be of a pure quality. A poor article could be furnished at a cheaper price, but is it wise to pay a little more and have a good article? A medicinal preparation should contain none of the best ingredients, and they who expect to obtain a cheap compound will most certainly be cheated

Dr. Hoofland's Podophyllin

OR SUBSTITUTE FOR MERCURY PILLS.

Two Pills a Dose.

The most Powerful, yet innocent Vegetable Cathartic known.

It is not necessary to take a handful of these Pills to produce the desired effect; two of them act quickly and powerfully, cleansing the Liver, Stomach, and Bowels of all impurities. The principal ingredient is Podophyllin, or the Alcoholic Extract of Mandrake, which is by many times more Powerful, Acting, and Searching than the Mandrake itself. Its peculiar action is upon the Liver, cleaning it speedily from all obstructions, with all the power of Mercury, yet free from the injurious results attached to the use of that mineral.

For all diseases, in which the use of a cathartic is indicated, these Pills will give entire satisfaction in every case. They *never fail.*

In cases of Liver Complaints, Dyspepsia, and extreme Costiveness, Dr. Hoofland's German Bitters or Tonic should be used in connection with the Pills. The tonic effect of the Bitters or
