A GREAT MEDICAL DISCOVERY
DR. WALKER'S CALIFORNIA
VINEGAR BITTERS

Hundreds of thousands bear testimony to their Wonderful Curative Effects.
WHAT ARE THEY?
THEY ARE NOT A VILE
FANCY DRINK
Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Invigorators," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life Giving Principle a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell, provided the bones are not destroyed by mineral poison or other means and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They Invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Bilious, Remittent and Intermittent Fever, which are so prevalent in the valleys of our great Rivers throughout the United States, especially those of the Mississippi, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Pearl, Alabama Mobile, Savannah, Roanoke, James, and many others with their vast tributaries, during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark colored viscid matter with which the Bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. The universal popularity of this valuable remedy in regions subject to miasmatic influences, is sufficient evidence of its power as a remedy in such cases.

For Skin Diseases, Eruptions, Tetter, Ringworm, Rheumatism, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, or whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feeling will tell you when. Keep the blood pure and the health of the system will follow.

Pin, Tape and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

take this opportunity of directing the attention of the community at large, and every person in particular, to their recently replenished stock of

HARDWARE.

They studiously avoided investing during the high prices, and patiently waited the falling out of the bottom before attempting to refill their shelves, and now that things have been reduced to old time prices, as near as possible, they have invested largely and are prepared to guarantee to their friends and customers as low prices as any market outside the cities. They especially invite the attention of mechanics, farmers and builders. Our stock is complete and none need fear meeting with disappointment in enquiring for anything in our line.

We have the agency of the Willcox & Gibbs

THE FIRE PROOF MICA LAMP CHIMNEY.—A kerosene lamp chimney that will not break from the effects of heat or cold.

Millions of families all over the country will hail with delight and satisfaction the introduction of this great blessing.

One hundred millions glass chimneys are broken annually in the United States. With many the cost of their chimneys is more than the cost of oil. This Mica Chimney costs but a trifle more than the ordinary glass chimney, and is taking their place wherever introduced. No more accidents or annoyances from broken chimneys need occur.

This is the only reliable lamp chimney ever produced. Millions of dollars will be saved by their introduction in this country. A trial will convince every one of the entire truth of this statement.

State rights can be secured from us. There is a fortune in each State right. Examine and satisfy yourself that this statement is not exaggerated. J. H. TENNENT & Co., Manufacturers and dealers in Oils, Lamp Goods and Matches, No. 229 Pearl Street, N. Y.
