VETERAN SHOT DEAD BY FATHER-IN-LAW

Farmer Kills Husband of Daughter While Sitting at the Dinner Table

SLAYER IS UNDER ARREST

Following a quarrel at his home with Daniel Marinelli, his son-in-law, and a former service man, Joseph Viel, of Landisville, N. J., shot and killed Marinelli last night while the latter was sitting at a table.

Viel was arrested by Constable Sicone.

Marinelli and his wife had been living with Mr. and Mrs. Viel for several weeks at Landisville, not far from Winslow Junction. Discord arose a few days ago and Marinelli decided to leave the Viel house and establish a home for himself and wife elsewhere. Mrs. Viel, who sympathized with her daughter, also decided to leave her husband and live with the young couple.

On learning that his wife intended to leave with his daughter and son-in-law, Viel became enraged. He left the dining room and returning later with a revolver, fired at Marinelli while he was eating.

Marinelli fell over dead.

Viel then calmly walked outside the house and made no attempt to escape. Then the constable arrived.
