INFLAMATORY RHEUMATISM and Ulcerated Sore Throat cured by the use of the medicine of nature, AMERICAN OIL.

CINCINNATI, March 14, 1845.

This is to certify, that I have been afflicted for several months with Inflammatory Rheumatism in my shoulders and arms; also an ulcerated sore throat which was very painful and severe. I was also much troubled with a dry hacking cough, which my physician told me would terminate in consumption. About three weeks ago I heard of the American Oil and commenced the use of it by taking one teaspoonful night and morning, and applying it lightly externally, to the parts affected with Rheumatic pains and also applied it to my throat. I found relief in two or three days after using the oil, and now feel entirely restored to health. I also applied it to a child who was severely burnt and it afforded immediate relief.

M'Allister's All-Healing Ointment.

CONTAINING NO MERCURY, or other Mineral. It has the power to cause all *EXTERNAL SORES, SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS* to discharge their putrid matters, and then heals them.

It is rightly termed ALL-HEALING, for there is scarcely a disease existing, but what it will not benefit. I have used it for the last sixteen years for all diseases of the chest, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one case has it failed to benefit, when the patient was in the reach of mortal means.

I have had physicians learned in the profession, I have ministers of the gospel, judges of the bench, alderman, lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice, saying—THIS OINTMENT WILL DO ALL IT PROMISES.

RHEUMATISM—It removes almost immediately the inflammation and swelling, when the pain ceases. (Read the directions around the box.)

HEAD-ACHE—The salve has cured persons of the head-ache of twelve years standing, and who had it regular every week so that vomiting took place. *Sore-Eyes, Tooth-Ache, and Ague in the Face*, are helped with like success.

SCALD HEAD.—We have cured cases that actually defied every thing known, as well as the ability of fifteen to twenty doctors. Some children will be bald upon this and no children without any benefit, when a few boxes of Ointment cured them.

TETTER—There is nothing better for the cure of Tetter.

BURNS—It is one of the best things in the world for Burns.

PILES.—Thousands are yearly cured by this Ointment. It never fails in giving relief in 24 hours.

Around the box of the Ointment are directions for using M'Allister's Ointment for Scrofula, Liver Complaint, Erysipelas, Tetter, Chilblain, Scald Head, Sore Eyes, Quinsy, Sore Throat, Bronchitis, Nervous Affections, Pains, Disease of the Spine, Head-ache, Asthma, Deafness, Ear-ache, Burns, Corns, all Diseases of the Skin, Sore Legs, Piles, &c.; Sores, Rheumatism, Piles, Croup, Swelled or Broken Breast, Tooth-ache Ague in the Face, &c., &c.

If M'ALLISTER and WILSON'S knew its value in cases of *Swelled or Sore Breasts*, they would always apply it—in such cases, it is used freely, and a certain cure is the consequence. It never fails to give relief in a very few hours.

CORNS.—Occasional use of the Ointment will always keep Corns from growing. People need never be troubled with them, if they use it frequently.

This Ointment is good for any part of the body or limbs when inflamed. In some cases it should be applied often.

CAUTION.—No Ointment will be genuine unless the name of JAMES McALLISTER is written with a pen on every box.

For sale by Agents in all the principal cities and towns in the United States.

Sole Proprietor of the above medicine

CHINESE HAIR CREAM.—A matchless article for growth, beauty, and restoration of the Hair. This Cream, when once known, will supersede all other preparations of the kind now in use. If the hair is dead, harsh, thin, unhealthy, nor turning grey, a few applications will make the hair soft, healthy, and give it its beautiful, lively appearance; and will also make it maintain its liveliness and healthy color, twice as long as all the preparations that are now extant. If the hair is dry or has fallen off, it may be restored by using the Cream. Every lady and gentleman who is in the habit of using oils on their hair, should use a bottle of this, as the Chinese Hair Cream, as it is so composed that it will not injure the hair like the other preparations, but will beautify it, and give the greatest satisfaction in every instance.

For testimony to its very superior qualities, see the following letter from the Rev. Mr. Caldwell to Messrs. Hendershott & Stretch, Nashville, general agents for the Southern States:

Letter of the Rev. R. Caldwell, Pastor of the Presbyterian Church, Pulaski.

MESSRS. HENDERSHOTT & STRETCH: GENTLEMEN—I take pleasure in adding my testimony in favor of the excellent preparation called *Dr. Parish's Chinese Hair Cream*, for about two years ago my hair was very dry, brittle, and disposed to come out; but having procured a bottle of the Cream, and used it according to the prescription, it is now elastic, soft, and firm to the head. Many balsams and oils were applied, each leaving my hair in a worse state than before. This Cream, however, has met my expectations.

As an article for the toilet, my wife gives it preference over all others she has tried, delicately perfumed and supposed to rancidity. The ladies, especially, will find the Chinese Cream to be a desideratum in their preparations for the toilet.

Respectfully, &c.,
R. CALDWELL.

Daily's Magical Pain Extractor.

TO THE PUBLIC.—This is to certify that I have found *Daily's Magical Pain Extractor* to prove a cure for the Chronic Rheumatism, which I have been afflicted with for ten years, in my hip joints.
ABRAHAM R. VREELAND.

Acquackanock, N. J., April 6, 1848.

MR. H. DAILEY—*Sir*:—I have been troubled with the Piles for eight months, and could get no relief. Your Magical Pain Extractor having been recommended to me, I applied it but twice, obtained instant relief, and in a short time was perfectly cured! Could I not get any more of it, I would not take a hundred dollars for the balance of my box.
WILLIAM HALL.
97 North Moore street, New York, June 19, 1847.

☞ CAUTION.—*Dailey's only Depot in the city of New York, and where the genuine article* can be obtained, wholesale and retail, is at 415 Broadway.

H. DAILEY is the inventor of this truly invaluable compound, and he never has, and never will communicate the secret of its preparation to any man living; and, therefore, no other person ever has made, or ever can make, a grain of it himself.

Counterfeits abound! Every truly valuable article is subject to be depredated upon by counterfeiters and impostors; and nothing, that we know of, has more extensively experienced that fact than Dailey's Magical Pain Extractor!

A Test—The genuine *Dailey*, in cases of the severest Burns, Scalds, Piles, &c., will afford *instant relief*, and produce as once a cooling and soothing effect—extracting the pain in and from one to fifteen minutes! but be sure, always, apply it on linen—never on cotton cloth.

And now mark the *difference!*—Counterfeit Extractors no matter under what name they may appear, or how applied, *always irritate and increase the pain!*

Pamphlets, containing certificates of cures, may be had gratis, on application to JOHN D. MORGAN,
Western Depot, Pittsburgh.

M'Allister's All-Healing Ointment.

CONTAINING NO MERCURY, or other Mineral. It has the power to cause all *EXTERNAL SORES, SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS* to discharge their putrid matters, and then heals them.

It is rightly termed ALL-HEALING, for there is scarcely a disease existing, but what it will not benefit. I have used it for the last sixteen years for all diseases of the chest, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one case has it failed to benefit, when the patient was in the reach of mortal means.

I have had physicians learned in the profession, I have ministers of the gospel, judges of the bench, alderman, lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice, saying—THIS OINTMENT WILL DO ALL IT PROMISES.

RHEUMATISM—It removes almost immediately the inflammation and swelling, when the pain ceases. (Read the directions around the box.)

HEAD-ACHE—The salve has cured persons of the head-ache of twelve years standing, and who had it regular every week so that vomiting took place. *Sore-Eyes, Tooth-Ache, and Ague in the Face*, are helped with like success.

SCALD HEAD.—We have cured cases that actually defied every thing known, as well as the ability of fifteen to twenty doctors. Some children will be bald upon this and no children without any benefit, when a few boxes of Ointment cured them.

TETTER—There is nothing better for the cure of Tetter.

BURNS—It is one of the best things in the world for Burns.

PILES.—Thousands are yearly cured by this Ointment. It never fails in giving relief in 24 hours.

Around the box of the Ointment are directions for using M'Allister's Ointment for Scrofula, Liver Complaint, Erysipelas, Tetter, Chilblain, Scald Head, Sore Eyes, Quinsy, Sore Throat, Bronchitis, Nervous Affections, Pains, Disease of the Spine, Head-ache, Asthma, Deafness, Ear-ache, Burns, Corns, all Diseases of the Skin, Sore Legs, Piles, &c.; Sores, Rheumatism, Piles, Croup, Swelled or Broken Breast, Tooth-ache Ague in the Face, &c., &c.

If M'ALLISTER and WILSON'S knew its value in cases of *Swelled or Sore Breasts*, they would always apply it—in such cases, it is used freely, and a certain cure is the consequence. It never fails to give relief in a very few hours.

CORNS.—Occasional use of the Ointment will always keep Corns from growing. People need never be troubled with them, if they use it frequently.

This Ointment is good for any part of the body or limbs when inflamed. In some cases it should be applied often.

CAUTION.—No Ointment will be genuine unless the name of JAMES McALLISTER is written with a pen on every box.

For sale by Agents in all the principal cities and towns in the United States.
