Petroleum or Rock Oil

"There are more things in heaven and earth
Than are dreamt of in philosophy."

THE VIRTUES of this remarkable remedy, and the constant application for it to the proprietor, has induced him to have it put up in bottles, with labels and directions, for the benefit of the public.

The PETROLEUM or ROCK OIL is procured from a well in this County, at a depth of four hundred feet, is a pure mineral unstrained article, without any chemical change, but just as it flows from Nature's Great Laboratory!! That it contains properties capable of reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arcana of nature, which, if are known, might be of vast usefulness in alleviating suffering and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constantly and daily increasing call is for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application to the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as CHRONIC BRONCHITIS, CONSUMPTION (in its early stage,) Asthma, and all diseases of the air passages, LIVER COMPLAINT, DYSPEPSIA, Diarrhœa, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworms, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general TONIC and ALTERATIVE in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of life! The proprietor knows of several cures of PILES that resisted every other treatment, yet well under the use of the PETROLEUM or ROCK OIL for a short time. The proof can be given to any person who desires it—None genuine without the signature of the proprietor.

Dr. Howe's Cough Candy!

THE celebrity of which is now established beyond all precedent for the cure of Coughs, Colds, Hoarseness, Sore Throat, Whooping Cough, Bronchitis, and general Affections of the Lungs. It is pleasant to the taste, and may be used by either children or adults with perfect safety.

From the Rev. WM. YOUNG, *late of the Methodist Church, Cincinnati.*

DEAR SIR: Not long since, while laboring under the influence of a painfully embarrassing cold, from speaking in the open air, a friend handed me a piece of your Horehound and Liverwort Candy; from the use of which I experienced great and almost immediate relief. Since then I have frequently used it with the same beneficial effects. I therefore feel no hesitation in recommending it as a certain specific for Coughs, Colds, Hoarseness, etc.

M'Dowell's Cholera Mixture.

SYMPTOMS—Cholera.—This disease generally commences with watery discharges from the bowels, of a white, or yellow, or pearl color, with white flakes floating about in it, which are at first not much offensive, but in the course of 30 minutes or 1 hour, these evacuations, but not in every instance, the vomiting sometimes succeeds, but not invariably, these evacuations are generally accompanied with great uneasiness and pain in the stomach and bowels. The tongue and breath are icy cold; the tongue is sometimes clean, but generally slightly coated; the voice becomes weak and husky; *cramps* and spasms of the arms, legs and body, are general and painful symptoms. The skin is shrivelled and of a purple hue; the pulse becomes weak and frequent, and in the collapse stage entirely lost at the wrist; the breathing is hurried and hurried. These symptoms usually succeed each other in the order stated.

M'DOWELL'S CHOLERA MIXTURE.

This mixture is prepared from the prescriptions of the late Dr. A. N. M'Dowell, of Pittsburgh. In his extensive practice, he had used it with complete success in the epidemic of 1833 and the present season. Steamboat men have given it to many passengers who have been attacked with the disease the present season, and in every case effected a speedy cure—after they had been pronounced incurable by physicians on board. OLDSHEAD & SONS COPPER GILT SPINDLE FOR TIPS OF LIGHTNING RODS—

The subscribers being appointed by the manufacturers, Agents for the sale of the above article, have received, and will keep constantly on hand a large supply, to which we invite the attention of those wishing to protect their dwellings from lightning, the ensuing and following season. Price for single spindle, for the case, but in the case the facts are disputed, and the Court think it is proper to state, as the opinion of both the Judges on the true construction of Plaintiff's Patent, that the Defendant's Patent is a gross and palpable piracy of the Plaintiff's invention.

It has evidently been obtained on the ground that it was an improvement on the Plaintiff's patented invention, and now seeks to usurp his rights under pretence of an improvement, which is no invention at all, and is a fraud upon the public.

The above decision gives to the subscribers alone the right to manufacture Chilled Rollers, by the only process known to produce a good article.
