JOSEPH LIPPENCOTT ... WM. C. BARR.
LIPPENCOTT & BARR,
(LATE J. S. STRICKLER & CO.)
Manufacturers of Phoenix Fire Proof Safes,
Second street, between Wood and Smithfield.
ON Tuesday afternoon, July 25, 1848, the undersigned were called upon by Messrs. Lippencott & Barr, to witness an honest and fair test of one of their Phoenix Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 3 o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.

ISAAC CROMIE.
I am engaged in the foundry business, and know something about furnaces and heat. I witnessed the burning of the above Safe, and can freely say there was no humbug about it, and with pleasure recommend them to the public as being, in my judgment, entirely fire-proof. WM. KAYE.
In calling upon the above gentlemen for their signatures, they all spoke in the highest terms of the fairness of the test, and their full confidence of the Safe's being entirely fire-proof. We have constantly on hand and for sale a full assortment of the above Safes.

SADDLE, HARNESS AND TRUNK MANUFACTORY.
ROBERT H. HARTLEY, begs leave to inform his friends and the public generally, that he continues to occupy that large and commodious Store Room, formerly occupied by Samuel Fahnestock & Co., No. 86, corner of Diamond alley and Wood street, where he keeps a large and general assortment of Saddles, Bridles, Harness, Trunks, Carpet Bags, Saddle Bags, Valises, Buffalo Robes, Whips, and all other articles in his line.
He also keeps constantly on hand, and is prepared to furnish to order, all kinds of Riveted Hose, manufactured of the best material, and in a style of workmanship equal to the eastern manufactured article, and at 66 per cent. cheaper.
Country Merchants and Farmers would do well to call and examine his stock before purchasing elsewhere, as he is determined to sell first rate articles at very low prices.

Roasting Bottle Jacks.
THE subscribers have received another small lot of superior Bottle Jacks, direct from Sheffield, warranted to work well. In presenting this article to the notice of the public, the subscribers deem it necessary to remark, that during the last five years they have sold several dozen, and as far as we have been able to ascertain they have given entire satisfaction. To such as do not understand what is meant by a bottle-jack, we would explain that it is machinery resembling clock work, but much more powerful, enclosed in a brass frame, and worked by a strong steel spring; that its action is alternate, and regulated by a horizontal fly wheel, to which is suspended the joint of beef, or any other thing to be roasted; that the machine when fully wound up will continue in motion for two or three hours. The Jacks are generally used with a screen or a large tin reflector, which greatly accelerates the proof of roasting. For sale, with or without screens.

State Mutual Fire Insurance Company
BRANCH OFFICE, 54 SMITHFIELD ST., PITTSBURGH, *January 1st, 1851.*
THE best evidence of the success of the Directors in endeavoring to make the "STATE MUTUAL FIRE INSURANCE COMPANY" meet the wants of the community, is the unparalleled amount of business which has been done—having issued nearly 4,000 Policies in a little more than seven months; and adding over $70,000 capital to the company. The Directors are proud to say, that nearly all the property insured is of the safest kind, in small risks, and a large proportion insured for only one year.
Number of Policies issued 3,953
Amount of property insured $4,073,568 00
Amount of guarantee premiums $45,496 32
Amount of cash premiums 24,631,60
Amount of guarantee stock ...... $ 70,128 18
Amount of losses ...... $ 3,800 00
To be deducted from the above the incidental expenses of the office.
To city or country merchants, and owners of dwellings, and isolated or country property, it is believed this company affords advantages in point of cheapness, safety and security, inferior to no Insurance Company in this country.
Conducted on the equitable and greatly improved system of Classification of Risks, excluding all special hazards, thus precluding the frequency and occurrence of large fires, and also, on both the Stock and Mutual plan, it not only possesses the cheapness and accommodation of both methods, but entitles the insured to a participation in the profits.
It is under the control of the following Directors:—J. P. Rutherford, A. J. Gillett, John B. Packer, Samuel P. Jones, Alonzo A. Carrier, Philo C. Sedgwick, Robert Klotz.

If you have not, then know that he is selling a very rich and fashionable assortment of Gold WATCHES and JEWELRY at such astonishing low prices that all who have called to see his assortment and prices, exclaim,—this, certainly, is something new for Pittsburgh. What! fine gold Jewelry selling at half the usual price! How can this be? Stop a moment, we will tell you the secret; we have made such arrangements with the manufacturers at the east, and also, with the Watch manufacturers of Europe, that we are getting all our goods at the lowest possible prices, and then, having low rents to pay, and other expenses, also, cheap, enables us to sell at a very small profit upon first cost, and therefore, a wholesale price will answer. Therefore, low prices and large sales will be our motto.
