JOSEPH LIPPINCOTT. WM. C. BARR
LIPPINCOTT & BARR,
(LATE J. S. SCHEMERLE & CO.)
Manufacturers of Phœnix Fire-Proof Safes,
Second street, between Wood and Smithfield.
ON Tuesday afternoon, July 23, 1850, the undersigned were called upon by Messrs. Lippincott & Barr, to witness an honest and fair test of one of their Phœnix Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; when the door of the Safe was closed and the fire kindled at quarter past one o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed themselves satisfied that the time occupied with such heat was sufficient. The furnace was then pulled down, and cooled, and door opened—the books, papers and money taken out, in as good order as when put in the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire-proof. WM. RAYE.
We have constantly on hand and for sale a full assortment of the above Safes.
