ISAAC PENGOTT & BAIR,

(LATE J. S. STRICKLER & CO.)

Manufacturers of Phœnix Fire Proof Safes,

Cotton Manufactures.

ON Tuesday afternoon, July 22d, 1851, the undersigned, were called upon by Messrs. Lippincott & Barr, to witness an honest and fair test of one of their Phœnix Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the furnace was opened and the Safe taken out, that time, occupied with such heat as sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money uninjured. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.
