NOW READY!

EVERY LADY having a Piano should purchase and read Templeton's new book.

To GIRLS—This is a beautiful book for a PRESENT—without exception as neat a piece of printing and binding as was ever executed.

There is no possible casualty that can happen to a Piano for which it does not point out an easy remedy, besides giving directions how to keep the instruments always in tune. Price only $1—worth ten times that much. It can be sent by mail to any part of the United States for a few cents.

Published by John H. Mellor, Wood street, and Henry Kleber, Third street, Pittsburgh, and may be had at the principal book stores. dec18

Ladies! Read This!!!

IN THIS PRESS, and will shortly be ready,—"THE HANDMAID TO THE PIANO," comprising a full description of the mechanism of the instruments, the defects to which it is liable (about 200 in number), the method of remedying each defect, and instructions how to keep the instrument always in tune." By P. B. Tagaevery.

Every person having a Piano should have a copy of this book. No work of the kind has ever been published. The information it imparts is worth ten times its price—one dollar; and, among other advantages, it will effectually guard you from having your Piano spoiled by unskillful tuners.

Ladies and gentlemen in the cities of Pittsburgh and Allegheny, dealing early copies of the work, can be furnished at their residences by leaving their addresses at the music stores of Messrs. John H. Mellor, Wood street, and Henry Kleber, Third street.

By sending one dollar to the author, at the Gazette Office, Pittsburgh, a copy will be forwarded, free of postage, to any part of the United States. Six copies for five dollars. A liberal discount to Book sellers and Music dealers.

Double Reed Melodeon.

THE subscriber has just opened a very fine Melodeon, 3 octaves, with double sett of reeds, made by the original inventors, Carhardt and Needham, New York. This Instrument is equal in point of power and volume to any small organ, and far preferable to it for sweetness of tone, capacity to stand in-tune and facility of transporting. These instruments are made expressly for church use, and owing to the lowness of price are fast superseding the organs. The public are respectfully invited to call and examine this fine Melodeon previous to its leaving the subscriber's warerooms, it having been purchased by a congregation in this city.

Kimball's Chemical Washing Fluid!

THIS article is much cheaper and easier to use than Soap, and is warranted to cleanse all kinds of apparel perfectly. It contains no Potash, Soda, Ash, Spirits of Turpentine, Ammonia, Acids, or any article that will in any manner injure the finest fabric. Calicoes are warranted not to fade if washed in this Fluid.

Use no Wash Board, for clothes are worn out more by the use of it than injured by the wear and tear in the ordinary uses. This Fluid entirely does away with that laborious task. Full directions accompany each bottle. Sold at the nominal price of 12½ cents, sufficient for two ordinary washings.

References—The following Ladies have given me certificates, speaking in higher terms of my Chemical Washing Fluid than even I could expect. BLANCHARD, (from Boston,) proclaims to the afflicted far and near, that he has discovered the most certain, speedy, and efficacious remedy for GONNORRHŒA AND SYPHILIS, ever presented to the world. By his treatment founded on observations made in the hospitals of Europe and America, he will insure a perfect cure in from two to five days, if applied to early.

Office No. 68 SMITHFIELD St., Pittsburgh.

A CERTAIN CURE.—When the misguided votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who from education and respectability can alone be trusted him, delaying till the constitutional symptoms of the horrid disease make their appearance, afflicting the head, throat, nose, skin, &c., ending in decay and death.

TAKE PARTICULAR NOTICE.

Dr. B. addresses those who have injured themselves by private and improper indulgence, that secret and solitary habit which ruins both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs; Pain in the Head, Dimness of Sight; Loss of Muscular Power; Palpitation of the Heart; Dyspepsia, Nervousness, Irritability; Derangement of the Digestive Functions, General Debility, Consumption, &c., &c.

Mentally the fearful effects on the mind are much to be dreaded, loss of memory, confusions of ideas, depressions of spirits, evil forbodings, aversion to society, self distrust, love of solitude, timidity, &c.; these are some of the evils produced. Such persons should before contemplating

MARRIAGE

consult Dr. B., and be at once restored. Let not false delicacy prevent you, but apply immediately and save yourself from the dreadful and awful consequences of this terrible malady.

Weakness immediately cured and full vigor restored.

These drops are perfectly harmless, and needs but one trial to convince the most skeptical of their astonishing efficacy. Wherever they fail to cure, after a fair trial, the MONEY WILL BE RETURNED. They are the only genuine and safe remedy for all

SUPPRESSIONS AND IRREGULARITIES,

and no one after trying them once, can ever be induced to try any other.
