Double Reed Melodeon.

THE subscriber has just opened a very fine Melodeon, 5 octaves, with double set of reeds, made by the original inventors, Carhardt and Needham, New York. This instrument is equal in point of power and volume to any small organ, and far preferable to it for sweetness of tone, capacity to stand in tune and facility for transporting. These instruments are made expressly for church use; and owing to the lowness of price are fast superseding the organs. The public are respectfully invited to call and examine this fine Melodeon previous to its leaving the subscriber's wareroom, it having been purchased by a congregation in this city. H. KLEBER, No. 101 Third st., Sole agent for Carhardt & Needham's Melodeon. oc29

TO SAVE LABOR!

Kimball's Chemical Washing Fluid:

THIS article is much cheaper and easier to use than Soap, and is warranted to cleanse all kinds of apparel perfectly. It contains no Potash, Soda Ash, Spirits of Turpentine, Ammonia, Acids, or any article that will in any manner injure the finest fabrics. Calicoes are warranted not to fade if washed in this Fluid.

Use no Wash Board, for clothes are worn out more by the use of it, than they are by the wear and tear in their use. This Fluid entirely does away with that laborious task. Full directions accompany each bottle. Sold at the nominal price of 12½ cents, sufficient for two ordinary washings.

References—The following Ladies have given me certificates, speaking in higher terms of my Chemical Washing Fluid than even I could expect. They use it for all purposes where an article for cleansing is required, believing it to be cheaper and easier to use than any other article: Mrs. Elizabeth Fahnestock, 55 Turner st.; Mrs. Martha Scott, corner of Fourth and Smithfield streets; Mrs. Mary R. DR. BLANCHARD, (from Boston,) proclaims to the afflicted far and near, that he has discovered the most certain, speedy, and efficacious remedy for GONNORRHŒA AND SYPHILIS, ever presented to the world. By his treatment founded on observations made in the hospitals of Europe and America, he will insure a perfect cure in from two to five days, if applied to early.

Office No. 68 SMITHFIELD St., Pittsburgh.

A CERTAIN CURE.—When the misguided votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who from education and respectability can alone befriend him, delaying till the constitutional symptoms of the horrid diseases make their appearance, affecting the head, throat, nose, skin, &c., ending in decay and death.

TAKE PARTICULAR NOTICE.

Dr. B. addresses those who have injured themselves by private and improper indulgence, that secret and solitary habit which ruins both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs; Pain in the Head, Dimness of the Sight; Loss of Muscular Power; Palpitation of the Heart; Dyspepsia, Nervousness, Irritability, Derangement of the Digestive Functions, General Debility, Consumption, &c., &c.

Mentally the fearful effects on the mind are much to be dreaded, loss of memory, confusions of ideas, depressions of spirits, evil forbodings, aversion to society, self distrust, love of solitude, timidity, &c.; these are some of the evils produced. Such persons should before contemplating

These drops are perfectly harmless, and it needs but one trial to convince the most skeptical of their astonishing efficacy. Wherever they fail to cure the MONEY WILL BE RETURNED. They are the only genuine and safe remedy for all *SUPPRESSIONS AND IRREGULARITIES*, and no one after trying them once, can ever be induced to try any other.

The Drops are for sale at the office of Dr. BLANCHARD, No. 68 Smithfield st. Full directions accompany each bottle. For Females and Males.

DR. LARZETTE'S JUNO CORDIAL, or Procreative Elixir, prescribed as an effectual restorative in cases of debility, impotency or barrenness, and all irregularities of nature. It is all that it professes to be—viz: Nature's great restorative, and remedy for those in the married state without offspring. It is a certain cure for seminal emissions, general debility, gleet, weakness of the genital organs, nervous affections, leucorrhœa or whites. As a vigorating medicine it is unequalled. Also, a certain remedy for incipient Consumption, indigestion, loss of muscular energy, physical lassitude, female weakness, debility, &c. It is warranted to please the user in any of the above complaints, and is of price less value to those without offspring.

To spread wide the blessings of this medicine, I have appointed Messrs. Judson & Co., of the city of New York, in the United States of America, my sole agents for its sale; and none can be genuine unless it comes through them, and their signatures are on the wrapper. ANTONIO LARZETTE, M. D.

Dr. Jayne's Family Medicines.

EXTRACT of a Letter from the Rev. E. L. Abbott, a well known and highly esteemed Missionary in the kingdom of Burmah, dated

SANDOWAY ARRACAN, February, 1846.

Dr. D. Jayne, Philadelphia: My Dear Sir—We are now in great want of your Medical Preparations. Your CARMINATIVE BALSAM is an invaluable medicine in this country in bowel complaints, and has been used in all our Missions with the most gratifying success. I have known it in many cases to act like a charm. Your SANATIVE PILLS are my sheet anchor.—The best medicine for my liver complaint and pain in the side that I have ever used. They are in great demand, and we are entirely out of them. We need five hundred boxes of them. Bro. Beecher says we could use a thousand boxes yearly among our people to great advantage. I have used your TONIC VERMIFUGE as a tonic in intermittent fever, with the most complete success. I think it once was the means of saving my own son. During my travels among the churches the past season, I found a whole village suffering under a prevailing influenza, attended with coughs of a most violent character. I often regretted I had not had a dozen or two of your EXPECTORANT to administer to them, for I believe from what I have seen of its effects, that it would have been just the thing for those poor people. I presume you have not hitherto had an idea to what an extent your medicines are used in all our Missions.

Affectionately yours, E. L. ABBOTT.

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system.

If the testimony of thousands of living witnesses, from all parts of the country, can be relied upon, it is singularly efficacious in curing *all Humors*, and restoring debilitated and broken down constitutions. It is purely vegetable in its composition, and so accurately combined in its proportions that the chemical, botanical and medical properties of each ingredient harmoniously unite to PURIFY THE BLOOD.

It has removed many chronic diseases which has baffled the skill of the best physicians, and has also cured Canker, Salt Rheum, Erysipelas and Scrofula, which Sarsaparilla Syrups entirely failed to make the least impression upon.

It has been tested in many cases of CANCEROUS HUMORS. The most obstinate Cancers have been cured by this medicine. We say that it is a valuable medicine in all BILIOUS COMPLAINTS. It removes all obstruction in the circulation, rendering the Liver free, active and healthy. It removes Palpitation of the Heart, and relieves in all cases of Asthma, and may be used in all climates, and at all seasons of the year.

This Syrup is prepared only by C. MORSE & CO., at 102 Fountain street, Providence, R.I., and sold wholesale and retail, by S. N. WICKERSHAM, Only Agent for Western Pennsylvania, Warehouse, cor Wood and Sixth sts., Pittsb'h. jel1y

Abdominal Supporters,

ON A NEW AND IMPROVED PLAN.

For sale by Dr. J. W. BRANSTUP, No. 85 Smithfield street, Pittsburgh.

A Persons of both sexes call on me daily, complaining of Costiveness, Pain in the Stomach, Bowels, &c., (but, generally, by examination, I have found in a great many cases, the Falling of the Bowels), I have fitted some of them with a proper supporter, and a small quantity of medicine, which have relieved their pain and distressing disease, which they have not been well for five or six years. Any person who will call at my office, I can refer them to those who wear them, who can testify to the benefits of them. If we have no Supporters that will fit, we can have them made in a short time. The effect produced by wearing a suitable and perfectly adjusted Abdominal Supporter is often nearly miraculous. The weak voice is strengthened—the weak lungs supported—the heart ceases its palpitations—the food sits better on the stomach—costiveness is relieved—chronic diarrhoea is stopped—miscarriages prevented—floodings stopped—whites cured—spine gets stronger—the lady who is unable to walk is soon able to walk well. She who could not sit up alone for a few minutes, can now sit up all day, or as long as any one; falling of the womb is cured, and, in shorter or longer periods goes back to its place. Barrenness, in some cases, gives place to fruitfulness, and a way is prepared for years of good health. [sep20:3m3taw

PATENT METALLIC BURIAL CASES.

THE subscribers having recently made arrangements with the Patentees of this new and *valuable invention* for the manufacture and sale of the article in the West, they having been manufactured heretofore exclusively in the East, where they are superseding the use of the common wooden coffins, take this method of informing the public, that they are now manufacturing eighteen different sizes of the modern Sarcophagus, varying in length from 22 inches to 6½ feet, with width and depth suitable for bodies of unusual dimensions; also, several sizes deeper and wider. This invention now coming into general use, is pronounced one of the greatest of the age. These BURIAL CASES are composed of various kinds of metals, but principally of iron.

They are thoroughly *enameled* inside and out, and thus made impervious to air and indestructible. They are highly ornamental, and of a classic form, are light and portable, while they combine the greatest strength which metal is capable of, in a given quantity.

When properly secured with cement, they are perfectly air tight, and free from exhalation of offensive gases, which render them superior to any good wooden coffins, and are better than any other article in use, (of whatever cost) for transportation, vaults, or cemetery, and certified to by been proven by several of our most scientific men; also, by the Honorables Henry Clay, Daniel Webster, Lewis Cass, and other distinguished Senators who have witnessed their merits, and which testimonials, together with other evidences, may be seen at our Agents' Burial Case Depot, No. 374 Main street, three doors above Ninth, where we intend to keep on hand at all times, such a stock of all sizes and degrees of ornament and finish as will suit the most diversified tastes.

We invite the attention of the public, and of undertakers particularly throughout the west, to an examination of the article, and request them not to rely upon the representations of undertakers not using the article, whose interest it would be to misrepresent them. W. C. DAVIS & CO.
