JOSEPH LIPPINCOTT. WM. C. SAHS.
LIPPINCOTT & BARR,
(LATE J. S. BRUCKER & CO.)
Manufacturers of Phœnix Fire Proof Safes,
Second street, between Wood and Smithfield.
ON THE 15th of February, 1849, the undersigned were called upon by Messrs. Lippincott & Barr, to witness an honest and fair test of one of their Phœnix Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; when the door of the Safe was closed and the fire kindled at 2 o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money were found as free as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being in our judgment, entirely fire proof.

In calling upon the above gentlemen for their signatures, they, I hypothesize in the highest terms of the fairness of the test, and their full confidence of the Safe's being fire proof. We have constantly on hand and for sale a full assortment of the above Safes.

Rope Mills in Full Operation Again!
Ryan's Buildings, Fifth Street.
THE proprietor, thankful to the public for past custom, ventures to solicit a continuance of the same for his present enterprise—the establishment of the *Rope Mills* within the city—for the accommodation of his customers, and all who wish to have really good Flour, pure ground Spices, &c., &c.
The attention of Families, Merchants and others, is invited, and all I ask is that they will give me a trial.
