VITRIFIED CHIMNEY TOPS.

THIS is an article to which every builder's attention should be particularly directed At this moment from any roof in our large cities you can count thousands of brick chimneys so completely eaten by the coal gas and weather as to demand immediate removal—to do which seldom costs less than $5, at once showing the necessity of some article that will not decay or be eaten by gas, &c. This we now offer in our Ornamental and Plain Chimney Tops. They are burnt harder than stone; in fact, perfectly vitrified, are impervious to the strong acid emitted by coal, (which eats up brick and mortar in less than three or four years). We are now making, and have on hand, large quantities of several different styles, and from 2 feet to 8 ft. 9 in. high, and from $1.75 to $20 each, (less in the first place than a brick chimney)

Designs furnished and orders promptly attended to by addressing the manufacturers at the factory.

THE ONLY PREPARATION

HAVING PROOFS SO STRONG AND DIRECT AS TO EXPEL THE DOUBTS OF ALL.

For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all will have used it, unite, in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:—

OAK GROVE, S. C. June 24th, 1859.

PROF O. J. WOOD: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:—

During the year 1854 I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, when this blow, the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and another circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result; two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks—But I assure, dear sir, I shall recommend your remedy to all my friends; moreover, I shall use my influence, which I flatter myself to say, is not a little

You can publish this if you think proper.

Yours, very respectfully, M. J. WRIGHT, M. D.

Office of the Jefferonian, Philippi, Va., Dec. 12th, 1859.

Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circumstance which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to try a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a hand-some head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, you may use my name to certify to the truth of the statement; I give it to you at the request of Mr Bradford. You can tell a great deal of your Hair Restorative in this and the adjoining counties if you wish the proper agents. Yours, &c.,

THOMAS SURGHNOR.

DR. WOOD: Dear Sir: Permit me to express the obligations I am under for the restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

S THALBERG.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small bottle holds a pint and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for three dollars.
