DR. BLANCHARD, (from Boston) proclaims to the afflicted far and near, that he has discovered the most certain, speedy, and efficacious remedy for

GONORRHŒA AND SYPHILIS,

ever presented to the world. By his treatment founded on observations made in the hospitals of Europe and America, he will insure a perfect cure in from two to five days, if applied to early.

OFFICE No. 68 SMITHFIELD St., Pittsburgh.

A CERTAIN CURE.—When the misguided votary of pleasure finds he has imbibed the seeds of this painful disease, too often happens that an illtimed sense of shame or dread of discovery deters him from applying to those who from education and respectability envelope and defend him, defeating all the constitutional symptoms of the horrid disease make their appearance, afflicting the head, throat, nose, skin, &c., ending in decay and death.

TAKE PARTICULAR NOTICE.

Dr. B. addresses those who have injured themselves by private and improper indulgence, that secret and solitary habit which ruins both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pain in the Head, Dimness of Sight; Loss of Muscular Power; Palpitation of the Heart; Dyspepsia, Nervousness, Irritability, Derangement of the Digestive Functions, General Debility, Consumption, &c., &c.

Mentally the fearful effects on the mind are much to be dreaded, loss of memory, confusions of ideas, depressions of spirits, evil forbodings, aversion to society, self distrust, love of solitude, timidity, etc.; these are some of the evils produced. Such persons should before contemplating

MARRIAGE

consult Dr. B., and be at once restored. Let not false delicacy prevent you, but apply immediately and save yourselves from the dreadful and awful consequences of this terrible malady.

Weakness immediately cured and full vigor restored.

AN Expression of Gratitude.

DR. BLANCHARD—*Dear Sir*:—His with feelings not easily described, that I have determined to address you this letter. Previous to undergoing your treatment, for several years from the effects of Self Abuse, and feel bound to express my gratitude to you, and to declare to the world that your course of treatment, both in a mental and physical sense, has been of the most beneficial character. In early life, at school, I learned the habit of Self Abuse, and continued the practice for six years, without being aware of its sinful nature, or the terrible consequences sure to follow its indulgence. I first observed my appetite very much increased; but notwithstanding that, I began to lose flesh very rapidly, and experienced considerable emaciation. After a time, however, my appetite failed, and I became much debilitated,—the slightest exertion fatiguing me exceedingly. My sight became impaired, and I found my memory not so good as formerly. I also experienced a total disability to concentrate my mind on any one idea for even a short time. My legs became very feeble, and I tottered in walking. I also had great difficulty in retaining my urine. In this enfeebled condition, my friends advised me to consult the family physician, who soon obtained from me such information as satisfied him of the cause of my complaints. He impressed on me the necessity of relinquishing the habit, pointing out the moral and physical ruin sure to follow its indulgence, but could not cure me of its effects which I suffered. The symptoms, nocturnal discharges, inability to retain urine, a flow of semen on the least exertion, continued to grow upon me every day. At the time the family physician, above alluded to, advised me to consult you. After a careful perusal of your advertisement, I came to the conclusion that my case was one which required your treatment, and I thank fortune I did so, and cannot let the present opportunity pass without again expressing to the hundreds upon whom your medicines and advice have had upon me. How great must be the reward here and hereafter, of one who exerts so much happiness in the world. I have no need of saying any more. Enclosed you will find a token of my gratitude.

I remain yours, ever grateful,
J. JOHNSON,

To Dr. Blanchard, No. 68 Smithfield street. You are at perfect liberty to make reference publicly to my name.

French Periodical Drops.

THESE DROPS are always invariably certain to regulate the Female system. They were discovered by the renowned Ricord, while practicing in the hospitals of Paris, and are always warranted to cure all cases of SUPPRESSIONS, IRREGULARITIES, &c., from cold or other causes. They have been used in thousands of cases and never failed to produce the desired effect. These drops are perfectly harmless, and it needs but one trial to convince the most skeptical of their astonishing efficacy. Wherever they fail to cure after a fair trial, the MONEY WILL BE RETURNED.

They are the only genuine and unfeminding drops for SUPPRESSIONS AND IRREGULARITIES, and no one after trying them once, can ever be induced to try any other.

The Drops are for sale at the office of Dr. BLANCHARD, No. 68 Smithfield st. Full directions accompany each bottle. They can be sent to any part of the country, secure of observation, by enclosing the price in a letter directed to Dr. Blanchard. Price Five Dollars. Office hours from 8 A. M., to 9 P. M.
