LIFE INSURANCE.

WE are told that he who neglects to provide for his household is worse than the heathen. There is no doubt of it. When in health the provident man will provide for his charge, and while that health can meet his prudence should prepare for solace in the dark day, for the hour when the *sympathy* of friends is a sounding brass. This can be done by Life Insurance. Every man owes this duty to his family. The uncertainty of life is a constant lesson which teaches the fact that he who to-day walks in the pride of manhood, may fall to-morrow, and the plans by which riches and honors were to have been brought to the loved ones, vanish as the morning mists. Let every man in health assure to his family the comfort of knowing that should he be called from them the wolf may be kept from the door.
The United States Life Insurance & Trust Co. effect this end. For pamphlets, terms and general information on the subject, refer to

PURIFY THE BLOOD.
Moffat's
VEGETABLE LIFE PILLS
AND PHŒNIX BITTERS.

THE high and envied celebrity which these pre-eminent Medicines have acquired, for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.
In all cases of Asthma, Acute and Chronic Rheumatism, Affections of the Bladder and Kidneys, Bilious Fevers and Liver Complaints.—In the south and west, where these diseases prevail they will be found invaluable. Planters, Farmers and others, who once use these Medicines, will never afterwards be without them.
Dyspepsia.—No person with this distressing disease should delay using these medicines immediately.—Eruptions of the skin, Erysipelas, Flatulency, Fever and Ague. For this scourge of the western country these medicines will be found a safe, speedy and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. Try them, be satisfied, and be cured.
MERCURIAL DISEASES.—Never fails to eradicate entirely all the effects of Mercury in infinitely sooner than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Colic.
PILES.—The original prospectus of these medicines was confined to Piles only, yet notwithstanding by the use of these Life Medicines alone, Worms of all kinds are effectually expelled by these Medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.
THE LIFE PILLS AND PHŒNIX BITTERS
Purify the blood, and thus remove all disease from the system. A single trial will place the Life Pills and Phœnix Bitters beyond the reach of competition in the estimation of every patient. Prepared and sold by
