$50 REWARD.

DR. BLANCHARD, (from Boston,) proclaims to the public, in the most facetious way, that he has secured the most certain, speedy, and efficacious remedy for GONNORRHŒA AND SYPHILIS,

ever presented to the world. By his treatment, founded on observations made in the hospitals of Europe and America, he will insure a perfect cure in from two to five days, if applied to early.

Office No. 68 SMITHFIELD St., Pittsburgh.

A CERTAIN CURE—When the unfortunate votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an illimited sense of shame deters him from applying to a regular practitioner, to those who from education and respectability can alone be trusted him, delaying till the constitutional symptoms of the horrid disease make their appearance, affecting the head, throat, nose, skin, &c.; ending in decay and death.

TAKE PARTICULAR NOTICE.

Dr. B. addresses those who have injured themselves by private and improper indulgence, whether in the solitary habit which ruins both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs; Pain in the Head, Dimness of Sight; Loss of Muscular Power; Palpitation of the Heart; Dyspepsia, Nervousness, Irritability, Derangement of the Digestive Functions, General Debility, Consumption, &c. &c.

Mentally the fearful effects on the mind are much to be dreaded, loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, secret distrust, love of solitude, timidity, &c.; these are some of the evils produced. Such persons should before contemplating MARRIAGE

consult Dr. B., and be all cure restored. Let not false delicacy prevent you, but apply immediately and save yourself from the dreadful and awful consequences of this terrible malady.

Weakness immediately cured and full vigor restored.

Office No. 68 Smithfield street, Pittsburgh. Hours from 9 A. M. to 9 P. M.

An Expression of Gratitude.

DR. BLANCHARD,—Dear Sir—In with feelings not easily described, that I have to express to you my gratitude for this letter. Previous to consulting you, I had suffered for several years from the effects of self abuse, and am bound to express my gratitude to you, and to declare to the world that your course of treatment, both in a moral and physical sense, has been of the most beneficial character. In early life, at school, I learned the habit of Self Abuse, and continued the practice for six years, without being aware of its sinful nature, or the terrible consequences sure to follow its indulgence. I first observed my appetite very much increased; but notwithstanding that, I began to lose flesh very rapidly, and exhibit considerable emaciation. After a time, however, my appetite failed, and I became much debilitated—the slightest exertion fatiguing me exceedingly. My sight became impaired, and I found my memory not so good as formerly. I also experienced a loathsomeness to concentrate my mind on any one idea for even a short time. My legs became very feeble, and tottered in walking—and had great difficulty in retaining my urine. In this enfeebled condition, my friends advised me to consult the family physician, who soon obtained from me such information as he satisfied him of the cause of my complaints. He impressed on me the necessity of relinquishing the habit, pointing out the moral and physical evil sure to follow its indulgence, but could not cure me of its effects which I suffered. The symptoms, nocturnal discharges, inability to retain urine, a flow of semen on the least exertion, continued to grow upon me every day. At this time the family physician, above alluded to, advised me to consult you. After a careful perusal of your advertisement, I came to the conclusion that my case was one which required your treatment, and I thank fortune I did so, and cannot let the present opportunity pass without again adverting to the beneficial effects which your medicines and advice have wrought on me. How great must be the reward here and hereafter, of one who creates so much happiness in the world. I have no need of saying my name. Knowing you will find a token of my gratitude.

I remain yours, ever grateful,

A. JOHNSON.

French Periodical Drops.

THESE DROPS are always invariably certain to regulate the Female system. They were discovered by the renowned Ricord, while practicing in the hospitals of Paris, and are always warranted to cure all cases of SUPPRESSIONS, IRREGULARITIES, in the first, from cold or other causes. They have been used in thousands of cases and NEVER FAILED to produce the desired effect. These drops are perfectly harmless, and needs but one trial to convince the most skeptical of their astonishing efficacy. Where one has they fail to produce a cure, the MONEY WILL BE RETURNED. They are the only genuine and safe remedy for all "SUPPRESSIONS AND IRREGULARITIES," and no one after trying them once, can ever be induced to try any other.

The Drops are for sale at the office of Dr. BLANCHARD, No. 68 Smithfield st. Full directions accompany each bottle. They can be sent to any part of the country, secure of observation, by enclosing the price in a letter directed to Dr. E. Blanchard Pr. or Five Dollars. Office hours from 8 A. M. to 9 P.
