QUITE as important is the arrival of New and Beautiful Dress Goods at the old established stand, adjoining the Columbia Bank, where the subscriber will be happy to see all his old customers and as many new ones as will favor him with their patronage, and at the same time solicits a liberal share of encouragement to the new enterprise, opposite the Odd Fellows' Hall.

MARK THESE FACTS.

The Testimony of the Whole Word.
HOLLOWAY'S OINTMENT.

Bad Legs, Bad Breasts, Sores and Ulcers.

All description of sores are remediable by the proper and diligent use of this inestimable preparation. To *attempt to cure bad legs by plastering the edges of* the wound together is folly; for should the skin unite, a baggy diseased condition remains underneath to break out with ten fold fury in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflammation and about the wound and to soothe the neighboring parts by rubbing in plenty of the Ointment as well as forced into meat,

Diptheria, Ulcerated Sore Throat, and Scarlet and Other Fevers.

Any of the above diseases may be cured by well rubbing the Ointment, three times a day into the chest, throat and neck of the patient. It will soon penetrate and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, whereas the Ointment will do its work at once. Wherever ties the unguent in the above manner for the diseases named, or any similar disorders affecting the chest or throat, will had them cured, relieved or by a charm.

Piles, Fistulas, Stricture.

The above states of complaints will be removed by nightly fomenting the parts with warm water and then by most effectually rubbing in the Ointment. Persons suffering from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Ointment on the effected parts, but it must be well rubbed in for some considerable time two or three times a day; that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though palpable to the eye. There again bread and water poulices, after the rubbing in of the Ointment, will do great service.—This is the only practitioner in Europe who cures cancer in the stomach, or where there may be a general bearing down.

Indiscretions of Youth; Sores and Ulcers.

Blotches, as also swellings, can with certainty, be radically cured if the Ointment be used freely, and the Pills be taken night and morning as recommended in the printed instructions. When treated in any other way they only throw up the disease to break out in another; whereas this Ointment will remove the humor from the system, and leave the patient a vigorous and healthy being. It will require time with the use of the Pills to ensure a lasting cure.

Dropsical Swellings, Paralysis and Stiff Joints

Although the above complaints differ widely in their origin and nature, yet they all require local treatment. Many of the worst cases of such diseases will yield in a comparatively short space of time when the Ointment is generally rubbed into the parts affected, even after every other means have failed. In all serious maladies the Pills should be taken according to the printed directions accompanying each box.

Both the Ointment and Pills should be used in the following cases:

Bad Legs,	Corns (Soft)	Rheumatism.
Bad Breasts,	Cancers,	Scalds,
Burns,	Contracted and	Sore Nipples,
Bunions,	Stiff Joints,	Sore Throats,
Bite of Musche-toes and Sand Flies,	Elephantiasis,	Skin Diseases,
Piles,	Gout,	Scurvy,
Coco-bay,	Glandular Swellings,	Sore Heads,
Chiego-foot,	Tumors,	Ulcers,
Chilblains,	Lumbago,	Wounds,
Chapped Hands,	Piles,	Yaws.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Sold at the Manufactory of Professor Holloway 80 Maiden Lane, New-York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents, 62 cents and $1 each.

There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

Wolfe's Pure Jamaica and St Croix Rum.
Wolfe's Pure Scotch and Irish Whisky.

ALL IN BOTTLES.

I beg leave to call the attention of citizens of the United States to the above Wines and Liquors, imported by *Udolpho Wolfe of New York*, whose name is familiar to every part of the country, for the purity of his celebrated Schiedam Schnapps. Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says—"I will make my reputation as a man, my standing as a merchant of thirty years residence in the City of New York, that all the Brandy and Wines which I bottle are pure, as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. *The public are invited to call and examine for themselves.* For sale at Retail by all Apothecaries and Grocers in Philadelphia.

GEORGE H. ASHTON, No. 232 Market st., Philadelphia, Sole Agent for Philadelphia.

Read the following from the New York *Courier*.

ENORMOUS BUSINESS IN NEW YORK MANUFACTURE.—We are happy to inform our fellow citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive warehouse, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Marketfield street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1834 and 1836, and ten thousand cases of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had more large cellars filled with Brandy, Wine, &c., in casks, under Custom House key, ready for bottling. Mr Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medicinal use should send their orders direct to Mr. Wolfe, and every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness. Sept. 8, '60-6m.

Johnson's Patent Hog Trough.

THE subscribers having purchased the right to manufacture and sell this invention in Lancaster county, desire to introduce it to general use. It is a cast iron trough with a sliding top of sufficient capacity to hold the feed of one hog. It is so constructed that the animal cannot get its feet into it, and must take its feed without the usual scrambling and splashing. By the arrangement of the top the hog is prevented from feeding until the trough is fed, when the top can be shifted at will. The trough will be found a great convenience in feeding, and must, when known, become popular. The troughs are for sale at the shops in Columbia, west of Union, Columbia, Pa.
