$50 REWARD.

DR. BLANCHARD, (from Boston,) proclaims to the afflicted far and near, that he has discovered the most certain cure for the following diseases:

GONNORRHŒA AND SYPHILIS,

ever presented to the world. By his treatment founded on observations made in the hospitals of Europe and America, he will insure a perfect cure in from two to five days, if applied to early.

Office No. 68 SMITHFIELD St., Pittsburgh.

A CERTAIN CURE.—When the misguided votary of pleasure finds he has imbibed the seeds of this impure disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who from education and respectability are alone to be confided in, delaying till the constitutional symptoms of the horrid disease make their appearance, afflicting the head, throat, nose, skin, &c.; ending in decay and death.

TAKE PARTICULAR NOTICE.

Dr. B. addresses those who have injured themselves by private and improper indulgence, that secret and solitary habit which ruins both body and mind; inflicting blots on their business or society; he says:

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs; Pain in the Head, Dimness of Sight; Loss of Muscular Power; Palpitation of the Heart; Dyspepsia, Nervousness, Irritability, Derangement of the Digestive Functions, General Debility, Consumption, &c., &c.

Mentally the fearful effects on the mind are much to be dreaded, loss of memory, confusions of ideas, depressions of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c.; these are some of the evils produced. Such persons should before contemplating

MARRIAGE

consult Dr. B. and be as once restored. Let not false delicacy prevent you, but apply immediately and save yourself from the dreadful and awful consequences of this terrible malady.

Weakness immediately cured and full vigor restored.

Office No. 68 Smithfield street, Pittsburgh. Hours from 8 A. M. to 9 P. M.

A Expression of Gratitude.

DR. BLANCHARD—Dear Sir:—It is with feelings not easily described, that I have determined to address you this letter: Previous to consulting you, I had suffered for several years from the effects of Self Abuse, and felt bound to express my gratitude to you, and to declare to the world that your course of treatment, both in a moral and physical sense, has been of the most beneficial character. In early life, at school, I learned the habit of Self Abuse, and continued the practice for six years, without being aware of its baleful nature, or the terrible consequences sure to follow its indulgence. I first observed my appetite very much increased; but notwithstanding this, I began to lose flesh very rapidly, and suffered considerable emaciation. After a time, however my appetite failed, and I became much debilitated—the slightest exertion fatiguing me exceedingly. My high became impaired, and I found my memory not so good as formerly. I also experienced a total disability to concentrate my mind on any one subject for even a short time. My legs became very feeble, and tottered in walking. I also had great difficulty in retaining my urine. In this enfeebled condition, my friends advised me to consult the family physician, who soon obtained from me such information as satisfied him of the cause of my complaint. He impressed on me the necessity of relinquishing the habit, pointing out the moral and physical ruin sure to follow its indulgence, but could not cure me of the effects which I suffered. The symptoms, nocturnal discharges, inability to retain urine, a flow of semen on the least exertion, continued to grow upon me every day. At this time the family physician, above alluded to, advised me to consult you. After a careful perusal of your advertisement, I came to the conclusion that my case was one which required your treatment, and I thank fortune I did so, and cannot let the present opportunity pass without again adverting to the beneficial effects which your medicines and advice have had upon me. How great must be the reward you have in the relief of one who prizes so much happiness in the world. I have no need of saying any more. Enclosed you will find a token of my gratitude.

Respectfully, your grateful friend, J. JOHNSON.
