MARK THESE FACTS.

The Testimony of the Whole Word.

HOLLOWAY'S OINTMENT.

Bad Legs, Bad Breasts, Sores and Ulcers.

Mortification is at once remediable by the prompt and diligent use of this inestimable preparation. Attempt to cure bad legs by stimulating lotions, or by cutting them off, for should the skin become a foggy discolored condition, it cuts underneath, leaves out with ten fold fury as a new disease. The only rational and successful treatment is to reduce the inflammation and allay the wound and to assume the mortifying parts by rubbing in plenty of the Ointment as soon as gangrene sets in.

Diptheria, Ulcerated Sore Throat, and Scarlet and Other Fevers.

Any of the above diseases may be cured by well rubbing the Ointment, three times a day into the chest, throat and neck of the patient, it will soon penetrate and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, whereas the Ointment will do its work at once. Whoever uses the ointment in the above manner for the diseases named, or any similar disorders affecting the chest or throat, will find immediate relief, and be cured by a certain.

Piles, Fistulas, Stricturs.

The above cases of complaints will be removed by gently fomenting the parts with warm water, and then by most effectually rubbing in the Ointment.—Persons suffering from these direful complaints should lose not a moment in arresting their progress. It would be under-valuing the virtues of the Ointment to state for the Ointment on the effected parts, but it must be well rubbed in for some considerable time, two or three times a day, that it may be taken into the system, whence it will come out any bad humor or wound as effectually as though it produced on the eye. Where again there is not water poultices, after the rubbing in of the Ointment, will do great service.—This is the only surgeon to employ in the piles, ulcers or cancer in the stomach, or where there may be a general bearing down.

Indiscretions of Youth; Sores and Ulcers.

Blotches, as also swellings of a painful character, are radically cured by the Ointment be used freely, and the Pills be taken night and morning as recommended in the printed instructions. When treated in any other way they only dry up in one place to break out in another; whereas this Ointment will remove the humor from the system and leave the patient a vigorous and healthy being. It will require time with the use of the Pills to cure a lasting cure.

Dropsical Swellings, Paralysis and Stiff Joints

Although the above complaints differ widely in their origin and nature, yet they all require local treatment. Many of the worst cases of such diseases will yield in a comparatively short space of time when the Ointment is generally rubbed into the parts affected, even after every other means have failed. In all serious maladies the Pills should be taken according to the printed directions accompanying each box.

Both the Ointment and Pills should be used in the following cases:

Bad Legs,	Corns (Soft)	Rheumatism,
Bad Breasts,	Cancers,	Sore Nipples,
Burns,	Contracted and	Sore Throats,
Bunions,	Stiff Joints,	Skin Diseases,
Bite of Mosquito, Elephantiasis,		Sore Legs,
Chigoes and Sand Flies,		Scurvy,
Piles,	Gout,	Sore Heads,
Coco-bay,	Glandular Swellings,	Tumors,
Chicago-foot,		Ulcers,
Chilblains,	Lumbago,	Wounds,
Chapped Hands,	Piles,	Yaws.

CAUTION:—None are genuine unless the words "Holloway, New York and London," are discernible as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in boxes at 25 cents 62 cents and $1 each.

☞ There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

Wolfe Pure Cognac Brandy.
Wolfe Pure Madeira, Sherry and Port Wine.
Wolfe's Pure Jamaica and St. Croix Rum.
Wolfe's Pure Scotch and Irish Whiskey.

ALL IN BOTTLES.

I beg leave to call the attention of citizens of the United States to the above Wines and Liquors, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country, for the purity of his celebrated Schiedam Schnapps. We feel, in his letter to me, speaking of the purity of his Wine and Liquors, says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the City of New York, that all the Brandy and Wines which I bottle are pure, as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are invited to call and examine for themselves. For sale at Retail by all Apothecaries and Grocers in Philadelphia.

GEORGE H. ASTON, No. 502 Market st., Philadelphia, Sole Agent for Philadelphia.

Read the following from the New York *Courier*.

EXPERIENCE BEFORE LONG A NEW YORK MERCHANT.—We are happy to inform our fellow citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive warehouse, Nos. 18, 20 and 22, Beaver street, and Nos 17, 19 and 21, Marketfield street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1836 and 1856; and ten thousand cases of Madeira, Sherry and Port Wine. Scotch and Irish Whisky, Jamaica and St Croix Rum, some very old and equal to any in this country. He also had three large cellars filled with Brandy, Wine, &c., in casks, under Custom House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than ten years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medicinal use should send their orders direct to Mr. Wolfe, and if every Apothecary in the land and make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness. Johnson's Patent Hog Trough.

THE subscribers having purchased the right to manufacture and sell this invention in Lancaster county, desire to introduce it to general use. It is a cast iron trough with a shifting top, of sufficient capacity to hold the feed of one hog. It is so constructed that the animal cannot get its feet into it, and must take its feed without the usual scrambling and splashing. By the arrangement of the top the hog is prevented from feeding until the trough is filled; when the top can be shifted at will. The trough will be found a great convenience in feeding, and must, when known, become popular. The troughs are for sale at the shops in Second street below Union, Columbia, Pa.

Second Street, nearly opposite the Lutheran Church, Columbia, Pa.

SILVER MEDAL 1st PREMIUM—1859.
BRONZE MEDAL—1st PREMIUM—1859.

Awarded by the Lancaster county Agricultural and Mechanical Society.

THE subscribers call attention to the fact that the *First Premium*, a Silver Medal, was awarded them by the Lancaster County Agricultural and Mechanical Society for the best Shifting Top Buggy exhibited at the Fair of the Society in October 1859, also, a Bronze Medal—*First Premium*—for the best Sleigh.

At their Coach and Carriage Making Establishment, they continue to manufacture Coaches, Carriages, Buggies, Sulkies, and all other vehicles in their line. Their reputation as workmen is fairly established, as they can confidently claim for their work the merits of beauty of form, elegance of finish, and strength of structure. One of the distinguishing features of their work is its durability; all vehicles of their build are constructed of the best seasoned material, and put together firmly and substantially. The give particular attention to the

REPAIRING OF VEHICLES,

and warrant all their work in this line to give satisfaction.

In addition to their practical experience in the business they have the assistance of the best workmen—none other being employed.

The public is respectfully invited to call and examine the stock on hand.
