HASN'T MISSED IN 30 YEARS

Gloucester Sunday Schools Reward Members for Steady Attendance

The feature of Christmas exercises in the Gloucester City Presbyterian and Babtist Sunday schools last night was the award of special prizes to members who have not missed a session.

The Presbyterian school has one member who has not missed a session in thirty years. She is Mrs. Abbie Brown Marshall, daughter of Mr. and Mrs. Hugh Brown, whose children have probably excelled all others for faithful attendance. Miss Grace Brown comes next with twenty-eight years. Both received handsome presents. There were forty-five others rewarded for records ranging from one to twenty years.

The Baptist Sunday school rewarded twenty-seven. Rulon J. Geissler, assistant postmaster, has the record in this school with twenty-three years to his credit without missing a session. William Ashton and Samuel Davidson, who completed five years last night, received gold medals.

THINK 2 BOYS ROBBED HOUSE

A rear door of the home of Morris Plen, at 1112 Porter street, was forced early this morning, and $500 in cash and jewelry valued at $14 stolen. It is believed a couple of youths in the neighborhood committed the robbery. The police are looking for them today.

Fire In Office Building

Much smoke but little fire resulted today when paper became ignited in the basement of 251 South Fifteenth street, a new two-story brick office building. The damage was trifling.

A Tip for Investors.

HERE is a suggestion that combines large profit with small risk:

Houses are dear, bricks are cheap. Buy bricks, turn them into houses and rent or sell the houses.

Houses that are *all brick* yield a higher profit than frame or part frame houses, for they cost less for repairs, painting, heating and insurance. Therefore they bring higher prices in proportion to cost of building.

How happy some buyers of German marks would be now if they could only build brick houses with them!

Invest in solid bricks and sleep soundly.

When you want any information about bricks, their kinds, colors, qualities, styles, uses, prices, the products of different makers, how to word specifications, names of competent architects, builders, engineers, etc., call on either of our offices.
