HARPER'S NEW MONTHLY MAGAZINE.

Critical Notices of the Press.

The volumes bound constitute of themselves a library of miscellaneous reading, such as can not be found in the same compass in any other publication that has come under our notice.—*Boston Courier.*

The most popular Monthly in the world.—*New York Observer.*

We must refer in terms of eulogy to the high tone and varied excellences of Harper's Magazine, a journal with a monthly circulation of about 170,000 copies, in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the American people, and the popularity it has acquired is merited. Each number contains fully 144 pages of instructive matter, appropriately illustrated with good wood-cuts; and it combines in itself the racy monthly and the more philosophical quarterly, blended with the best features of the daily journal. It has great power in the creation and dissemination of a love of pure literature.—TURNER'S *Guide to American Literature Londe.*

No Magazine in Europe or America is so well known; none has half so many readers; and, we may safely say, none has received so large a tribute of admiration from the cultivated classes, that delight in a healthy, diversified, elevating periodical literature—It is the foremost Magazine of the day. The freshness never had a more delightful companion, nor the million a more entertaining friend, than Harper's Magazine.—*Methodist Protestant* (Baltimore).

TERMS:

The Magazine may be obtained of Booksellers, Periodical Agents, or from the Publishers, at THREE DOLLARS a year, or TWENTY-FIVE CENTS a Number. The semi-annual Volumes, as completed, neatly bound in Cloth, are sold at Two Dollars each, and Muslin Covers are furnished to those who wish their back Numbers uniformly bound, at Twenty-five Cents each.—Twenty-two Volumes are now ready, bound in Cloth, and 250 in Half Calf.

The Publishers will supply Specimen Numbers gratuitously to Agents and Postmasters, and will make liberal arrangements with them for circulating the Magazine. They will also supply Clubs of Two Persons at Five Dollars a year, or Five Persons at Ten Dollars. Clergymen and Teachers supplied at Two Dollars a year. Numbers from the commencement can now be supplied. Also, the bound Volumes.

The Magazine weighs over seven and not over eight ounces. The Postage upon each Number, which must be paid quarterly in advance at the office where the Magazine is received, is THREE CENTS.

The Best, Cheapest, and most Successful Family Paper in the Union.

A Complete Pictorial History of the Times.

HARPER'S WEEKLY,

SPLENDIDLY ILLUSTRATED.

Price Six cents a number, $2.50 per year.

Critical Notices of the Press.

We would not so often call attention to *Harper's Weekly* if we were not well satisfied that it is the family paper published in the United States, and for that reason, and that alone, we desire to see it undermine and root out a certain kind of literature too prevalent, which blasts the morals of its readers, vitiates their taste for sensible reading, and is altogether bad in its effects.—*New London Advertiser.*

Its fresh leaves, its clear type, its entertaining variety, its severe but just criticisms upon the follies of the time, its elegantly written and instructive articles, and its able correspondence, all combine to make it the model newspaper of our country, and one that every family must prize. Its condensed weekly summary of Foreign and Domestic Intelligence is altogether superior to that contained in any other journal. Being published too, in a form for preservation and binding, it taken care of as it deserves to be, it will be found in future years as welcome a companion for the family and fireside as the day on which it was first perused.—*N Y Evening Post.*

At his Coach and Carriage Making Establishment, he continues to manufacture Coaches, Carriages, Buggies, Sulkies, and all other vehicles in his line. His reputation as a workman is fairly established, so he can confidently claim for his work the merits of beauty of form, elegance of finish, and strength of structure. CURL YOUR HAIR!

BEAUTIFY YOURSELF, BY USING

CHAPPELL'S HYPERION FOR CURLING THE HAIR.

THE Ladies and Gentlemen throughout the world will be pleased to learn that I have recently discovered an article that will CURL the Hair.

By using CHAPPELL'S HYPERION, Ladies and Gentlemen can beautify themselves a thousand fold.

CHAPPELL'S HYPERION

IS THE ONLY ARTICLE IN THE WORLD,

that will Curl straight Hair. The only article that will Curl the Hair in Beautiful Curls!

In Glossy Curls!
In Silken Curls!
In Flaxen Curls!
In Flowing Curls!
In Waving Curls!
In Luxuriant Curls!

It makes the Hair soft and glossy. It invigorates the Hair. It beautifies the Hair. It cleanses the Hair. It has a most delightful perfume.

It Prevents the Hair from Falling off; it fastens it to the scalp. It is the only article ever yet discovered that will curl straight Hair in beautiful curls, without injury to the Hair or scalp.

The HYPERION does not in any manner interfere with the

Natural Softness of the Hair.

It neither scorches nor dries it. The HYPERION can be so applied as to cause the Hair to curl for one day, or for one week, or for one month, or any longer period desired.

The HYPERION is the only article in the world but what can be counterfeited or imitated by unprincipled persons. To prevent this, we do not offer it for sale at any Druggist's in the United States.

Therefore, any Lady or Gentleman who desires to beautify themselves by using the Hyperion, must inclose the PRICE, ONE DOLLAR, in a letter, and Address,

Its very large and still increasing circulation is a gratifying evidence of public approval, and no industry will be spared to render the forthcoming volume adequate to the requirements of times so pregnant with great events as those of to-day. The life of the Republic, the best interests of the nation, demand of literature a manly and generous action, and the conductors of this journal will remit no efforts in enlisting the best talent of the country to support with vigor and eloquence those opinions and principles which brace the great public heart to stand firm on the side of Freedom and Right. An elevated national American spirit will always be found illustrated in these pages. The ATLANTIC MONTHLY and never gave other than the best literature, and it will be the constant aim of its conductors to render it variously greater and yet far better than *month* than the last.
