STUDENTS WORK PART TIME

"Antioch Plan" for Helping College Men to Be Told Here

Dr. Arthur E. Morgan, president of Antioch College, Ohio, will speak on "The Antioch Plan" tonight in the lecture room of the Friends' Select School, Sixteenth and Cherry streets.

The "plan" of which Dr. Morgan will speak is that on which he has reorganized the student life of his college. He will tell how both boys and girls are given the opportunity of spending alternate periods of five weeks in the classrooms and at nearby industries, thus making them, to an extent, self-supporting while being educated.

Another idea of Dr. Morgan's is to combine what he deems the essentials of a liberal and technical education.
