PROSPECTUS OF THE ATLANTIC MONTHLY, FOR 1862.

THE January number will commence the Ninth Volume of this Magazine. Its very large and still increasing circulation is a gratifying evidence of public approval, and no industry will be spared to render the forthcoming volume adequate to the requirements of times so pregnant with great events as those of to-day. The life of the Republic, the best interests of the nation, demand of literature a manly and generous action; and the conductors of this journal will bend its efforts to enlisting the best talent of the country to support, with vigor and eloquence, those opinions and principles which insure the great public heart to stand firm on the side of Freedom and Right. An elevated, national American spirit will always be found displayed in these pages. The ATLANTIC MONTHLY will never give other than the best literature, and it will be the constant aim of its conductors to render its variety greater and its attractions better each month than the last.

Among the contributions already in hand for 1862, the following will commend themselves as sufficient inducements for every family to provide the forthcoming numbers for household reading:

PROFESSOR AGASSIZ will begin in the January number a series of articles on Natural History, and other kindred topics, to be continued from month to month throughout the year. The name of so distinguished a man of science in connection with this announcement is a sufficient guaranty of the great benefit to be derived from his monthly contributions.

A New Romance by NATHANIEL HAWTHORNE, will appear in THE ATLANTIC early in the year.

A new story by the late THEODORE WINTHROP, author of "Cecil Dreeme," will be commenced in the January number.

Dr. GEORGE E. WINSHIP, well known for his remarkable experiments in Gymnastics, has written for THE ATLANTIC "The Autobiography of a Strength Seeker," giving an account of his method of training for feats of strength, with advice on matters of Health.

The author of "Life in the Iron Mills," and "A Story of To-Day," will contribute sketches of Tales during the year.

Articles by PROFESSOR JAMES RUSSELL LOWELL, on topics of national interest, will appear frequently.

BAYARD TAYLOR has written a story which will be printed in the February number.

The Staff of Writers in Prose and Poetry contributing regularly to the ATLANTIC MONTHLY comprises, among its popular names, the following:

James Russell Lowell,	Charles E. Norton,
Henry W. Longfellow,	George S. Hillard,
Ralph Waldo Emerson,	Henry Giles,
Nathaniel Hawthorne,	Rev. Walter Mitchell,
C. C. Hazewell,	Mrs. H. B. Stowe,
T. W. Higginson,	Harriet Martineau,
Author of "Life in the Iron Mills,"	Charles Reade,
Author of "A Story of To-Day,"	"The Country Parson,"
Oliver Wendell Holmes,	Rose Terry,
John G. Whittier,	Harriet E. Prescott,

	J. T. Trowbridge,
	Bayard Taylor.

HARPER'S

NEW MONTHLY MAGAZINE.

Critical Notices of the Press.

The volumes bound constitute of themselves a library of miscellaneous reading, such as can not be found in the same compass in any other publication that has come under our notice.—*Boston Courier.*

The most popular Monthly in the world.—*New York Observer.*

We must refer in terms of eulogy to the high tone and varied excellences of Harper's Magazine, a journal with a monthly circulation of about 170,000 copies in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the American people, and the popularity it has acquired is merited. Each number contains fully 144 pages of instructive matter, appropriately illustrated with good wood-cuts; and it combines in itself the racy monthly and the more philosophical quarterly, blended with the best features of the daily journal. It has great power in the creation and dissemination of a love of pure literature.—TEGNER'S *Guide to American Literature London*

No Magazine in Europe or America is so well known; none has half so many readers; and, we may safely say, none has received so large a tribute of admiration from the cultivated classes, that delight in a healthy, diversified, elevating periodical literature—it is the foremost Magazine of the day. The fireside never had a more delightful companion, nor the million a more entertaining friend, than Harper's Magazine.—*Methodist Protestant* (Baltimore).

TERMS:

The Magazine may be obtained of Booksellers, Periodical Agents, or from the Publishers, at THREE DOLLARS a year, or TWENTY FIVE CENTS a Number. The Semi-annual Volumes, as completed, neatly bound in Cloth, are sold at Two Dollars each; and Muslin Covers are furnished to those who wish their back Numbers uniformly bound, at Twenty-five Cents each.—Twenty-two Volumes are now ready, bound in Cloth, and also in Half Calf.

The Publishers will supply Specimen Numbers gratuitously to Agents and Postmasters, and will make liberal arrangements with them for circulating the Magazine. They will also supply Clubs of Two Persons at Five Dollars a year; or Five Persons at Ten Dollars. Clergymen and Teachers supplied at Two Dollars a year. Numbers from the commencement can now be supplied. Also, the bound Volumes.

The Magazine weighs over seven and not over eight ounces. The Postage upon each Number, which must be paid quarterly in advance at the office where the Magazine is received, is THREE CENTS.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make sick days. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.
ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR DOC. AYER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great confidence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.
PITTSBURG, Pa., May 7, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.
Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Chas-m.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb, 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Paternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.*
JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* Hosts of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. L. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent preventives of the *natural sensation* when wholly or partially suppressed, and also very effectual to *cleanse the stomach and expel worms.* They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Episc. Church,

PETERS HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating *neuralgic pains,* which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

Sold by H. John & Co., and W. S McCorkle, Columbia. Dr. Wolf, Wrightsville. Dr. Grove, Marietta—
