JOSEPH LIPPENCOTT—WM. C. BARR.
LIPPENCOTT & BARR,
(LATE J. S. STRICKLER & CO.)
Manufacturers of Phœnix Fire Proof Safes,
Second street, between Wood and Smithfield.
ON Tuesday afternoon, July 25, 1848, the undersigned were called upon by Messrs. Lippencott & Barr, to witness an honest and fair test of one of their Phœnix Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.

In calling upon the above gentlemen for their signatures, they all spoke in the highest terms of the fairness of the test, and their full confidence of the Safe's being entirely fire-proof. We have constantly on hand and for sale a full assortment of the above Safes.

A faithful portrait of a friend gives us pleasure, even while he is living, though absent; but when he is parted from us by death, its value is incalculable. We have every facility for taking Daguerreotypes of the largest size produced in this country. And for our ability to produce such, as are at least, unsurpassed, we would appeal to twelve Prizes awarded us at the Great Fairs—testimonials of living Artists—and to the Public Voice, confirming both by a patronage amounting to nearly 50,000 Pictures.
We would respectfully solicit a visit from all (whether desiring pictures or not) at our Gallery, 140 Chesnut st. whether our artistical personal attention will be given.—Pictures at all prices, and put up in every style either for Case or Frame. Instruction given in the Art and Instruments of the best quality, for sale. Also, the art of taking "Crayon" Pictures.

"I have long regarded M. A. Root as the very best Daguerreotype Artist in the country."
J. L. PEASE, Engraver.
"Mr. Root's 'Crayon' portraits I consider the very perfection of the Daguerreotype Art."
J. HENRY BROWN, Miniature Painter.
"For beauty and richness of tone, judicious arrangement of light and shade, and tasteful artistic management of all accessories, Mr. Root's Pictures, in my judgment, are unsurpassed. J. F. LAMBDIN,

Coal Land for Sale.
THE Subscriber offers for sale a very valuable COAL PROPERTY at the mouth of Watson's Run, near Lock No. 3, on the Monongahela River, consisting of about 80 Acres of Land, and in addition thereto, about 180 acres of Coal. It has a wide front on the River, with deep water at all seasons, and a natural Basin near the mouth of the Run, which, with little expense, could be improved so as to load and keep afloat fifty boats at a time, thereby protecting them from the drought of summer, and the ice of winter.
It affords an excellent site for a steamboat yard, and for a Saw Mill near the mouth, where a head of some 28 feet may be obtained, commanding all the water of Watson's Run and its branches. It is, besides, the natural outlet of more than 1000 Acres of Coal. Limestone of the best quality abounds near the mouth.
The Watson's Run route is regarded as one of the best for the Hempfield Railroad, and if this is adopted, the value of the property will be greatly enhanced.
The Property will be sold at a bargain, and on liberal terms of payment. A portion of the purchase money might remain on bond and mortgage for 6 or 8 years.
