I desire to say to my friends of Lancaster and the surrounding counties that I have now in store, one of the largest and most beautiful assortments of all kinds and qualities of FANCY FURS, for ladies' and children' wear that will be worn during this Fall and Winter.

My Furs were purchased in Europe, previous to the rise in Sterling Exchange, and the New Duty Imposed on all Furs, imported since the first of August. I would also state, that as long as my stock lasts, I will offer it at prices proportionate to what the goods cost me; but, it will be impossible for me to import and manufacture any more Furs, and sell them at the same prices, owing to the unsettled state of the affairs of the country.

PURIFY THE BLOOD

And Strengthen the Constitution.

NO TREATMENT OR REMEDIES

have ever been so successful in effectually curing disease as "Dr. Swayne's valuable Medicines," a remedy for each and every malady, prepared with the greatest care, under the immediate supervision of a thorough educated Physician. We have certificates of extraordinary cures of diseased lungs, performed by "Dr Swayne's compound Syrup of Wild Cherry," cases where the lungs were very much disordered, given up to die by physicians and friends. If the bowels are costive or not sufficiently free, use in connexion "Swayne's Sarsapa and Tar Pills" a great pupifying purgative. The two will cleanse out all disordered humors, enrich and purify the blood, remove all unhealthy bilious secretions of the stomach and bowels causing a perfect healthy state of the liver.

If you have cough, asthma, hemorrhage of spitting of blood, sore throat, obstructions of the *spleen or liver*, short breath, pain in the urinary organs, night sweats, nervous debility, restless nights, and symptoms of pulmonary consumption. Do not delay, but procure the above remedies at once. 30 years experience proven to the world that they cannot be excelled

The Best, Cheapest, and most Successful Family Paper in the Union.

A Complete Pictorial History of the Times.

HARPER'S WEEKLY,

SPLENDIDLY ILLUSTRATED.

Price Six cents a number; $2,50 per year.

Critical Notices of the Press.

We would not so often call attention to *Harper's Weekly* if we were not well satisfied that it is the family paper published in the United States, and for that reason, and that alone, we desire to see it undermine and root out a certain kind of literature too prevalent, which blunts the morals of its readers, vitiates their taste for sensible reading, and is altogether bad in its effects.—*New London Advertiser.*

Its fresh leaves, its clear type, its entertaining variety, its severe but just criticisms upon the follies of the times, its elegantly written and instructive articles, and its able correspondence, all combine to make it the model newspaper of our country, and one that every family must prize. Its condensed weekly summary of Foreign and Domestic Intelligence is altogether superior to that contained in any other journal. Being published too, in a form for preservation and binding, if taken care of as it deserves to be, it will be found in future years as welcome a companion for the family and fireside as the day on which it was first perused.—*N. Y. Evening Post.*
