The Best, Cheapest, and most Successful Family Paper in the Union.

A Complete Pictorial History of the Times.

HARPER'S WEEKLY,

SPLENDIDLY ILLUSTRATED.

Price Six cents a number; $2,50 per year.

Critical Notices of the Press.

We would not so often call attention to *Harper's Weekly* if we were not well satisfied that it is the family paper published in the United States, and for that reason, and that alone, we desire to see it undermine and root out a certain kind of literature too prevalent, which blunts the morals of its readers, vitiates their taste for sensible reading, and is altogether bad in its effects.—*New London Advertiser.*

Its fresh leaves, its clear type, its entertaining variety, its severe but just criticisms upon the follies of the times, its elegantly written and instructive articles, and its able correspondence, all combine to make it the model newspaper of our country, and one that every family must prize. Its condensed weekly summary of Foreign and Domestic Intelligence is altogether superior to that contained in any other journal. Being published too, in a form for preservation and binding, if taken care of as it deserves to be, it will be found in future years as welcome a companion for the family and fireside as the day on which it was first perused.—*N. Y. Evening Post.*
