BRYAN'S PULMONI WAFERS!

The most certain and speedy remedy ever discovered for all diseases of the

Chest and Lungs, Coughs, Colds, Asthma, Consumption, Bronchitis, Influenza, Hoarseness, Sore Throat, &c., &c.

These Wafers give the most instantaneous and perfect relief, and when persevered with according to directions never fail to effect a rapid and lasting cure. Thousands have been restored to perfect health, who have tried other means in vain. To all classes and constitutions they are a blessing and a cure—none need despair, no matter how long the disease may have existed, or however severe it may be, provided the organic structure of the vital organs is not hopelessly decayed. Every one afflicted should give them an impartial trial.

TO VOCALISTS AND PUBLIC SPEAKERS these Wafers are peculiarly valuable. They will in ONE DAY remove the most severe occasional hoarseness; and their regular use for a few days will, at all times, increase the power and flexibility of the voice, greatly improving its tone, compass and clearness, for which purpose they are regularly used by many professional vocalists.

Clergymen, Physicians, All Public Speakers, say "Swayne's Compound Syrup of Wild Cherry" gives that vigor to the voice which cannot be obtained from any other remedy. For all Pulmonary Complaints, the aged and debilitated, it is truly valuable. Thirty years' experience, and its increasing popularity, are convincing proof.

It has stopped night sweats, checked deep-seated ulcers of the lungs, raised those who were fast declining with great weakness, when all other means proved unavailing.
