Don't be Afraid to Use Keating's Exterminator!
SOME persons object to this valuable preparation, because, they say, the Rats and Mice eat it, and then die in their holes. This is not the case. There have been thousands of boxes sold in this city, and no complaint of the kind ever made. It is also a warranted article, that the Rats and Mice will eat it, and it will kill, without doubt. Sold by KEATING, at the corner of Wylie and Fulton streets; Dr. KEYSER, 140 Wood street; and by all the Druggists and Grocers in the Union. oct30

Pudder & Ford,
MANUFACTURERS AND DEALERS IN
MANCHESTER MINERAL PAINT,
ALLEGHENY CITY, PA.
NEW YORK, December 15, 1851.
I have analysed a sample of MANCHESTER MINERAL PAINT, for PUDDER & FORD, and find it to contain the following:

Silica,	67,21
Alumina,	5,34
Per Oxide of Iron,	15,41
Lime,	,55
Magnesia,	,24
Oxide of Manganese,	,12
Water and Loss,	8,00
	100,00

The Powdered Sample, contained in the box, which I suppose was the one you desired also to have analysed, I find to differ from any average of the lumps powdered, and mixed together. This last yields as follows:

Per Oxide of Iron,	53,50
Silica and Alumina,	33,00
Lime,	,85
Magnesia,	,16
Water and Loss,	1,90
	100,40

This difference I presume arises from the mineral not being uniform, some portions containing more Iron than others. The analysis shows the article to be well suited for a durable paint. I find that by calcining the powder by a pretty high heat, the color is much improved, or at least converted into a fine red.

JOSEPH LIPPINCOTT..........WM. C. BARR.
LIPPINCOTT & BARR,
(LATE J. S. STRICKLER & CO.,)
MANUFACTURERS OF PHENIX FIRE PROOF SAFES, Second Street, between Wood and Smithfield.—On Tuesday afternoon, July 25, 1848, the undersigned were called upon by Messrs. Lippincott & Barr, to witness an honest and fair test of one of their Phenix Safes. The furnace being prepared, the Safe was placed inside thereof with Books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the Safe was red hot, and continued till half past 5 o'clock, being about four and a half hours; when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.

Fayette Springs now Open.
THIS highly attractive and fashionable WATERING PLACE has been leased, together with the "FAYETTE SPRINGS HOTEL," adjacent thereto, by the proprietor of the "Farmington Hotel," on the National Road, who has secured the best cooks and the best supplies of every kind, with a determination to please all his visitors, a new building, with forty Rooms, has recently been added to the establishment. These SPRINGS are surrounded by the most delightful and Romantic Mountain Scenery, in a cool climate, with pure air and pure water. The curative and purifying properties of these waters have been fully established, by the fact that they have never failed to cure the worst cases of Scrofula, the most Inveterate Sores, and other diseases of the blood. STAGES AND HACKS will arrive at and leave the steamboats at Brownsville daily, whence visitors will pass, in a drive of four or five hours, to the Springs, over an excellent McAdamized Road, about half the distance through one of the richest and most delightful agricultural regions in the country to Uniontown, and then eight miles further, over the Laurel Mountain, presenting from its slopes and summit, splendid views of the great western valley, with all its rich, variegated and beautiful scenery. In short, it is confidently believed, that there is no watering place in the country presenting stronger attractions to those seeking HEALTH AND PLEASURE, than the "Fayette Springs," and the undersigned is very certain they can no where find a greater disposition to please, on more accommodating terms. A Cottage Frame and Lot, 28 by 120 feet, fronting on Anna and Robinson streets, Allegheny City. This is a very desirable and pleasant location for a residence.
Three Lots on Centre street and Pasture Lane, in Allegheny City, 20 by 90 feet each, near the residence of Mr. Peter Jennings.

The tenant of each Lot has the privilege of using whatever stone coal he may require for his own use, from a pit near the Locks. In my absence, my agent, James Blakely, Esq., will give all necessary information, and be authorized to give warrantee deeds for any property sold. JAMES MAY,
