Let it Alone, Boys.

Let what alone? To drink that stuff in the drunkard's bowl! Aye, let that alone! Don't even learn how it tastes. As the serpent fascinates the bird only to destroy it, so strong drink charms at the first but kills at last. The first drop may charm you, therefore don't drink the first drop. If you wish to enjoy good health, if you value a pure character, if you want to be happy, and make others happy, if you wish to go to heaven, avoid strong drinks. Beware of the first drop.

See yonder youth with irons on his hands and feet. He is in prison. Another youth, with weeping eyes, is bidding him farewell. It is a sad farewell, for the prisoner is about to be led out to die. He is a murderer. The law is about to take his life. What does he say? These are his words. "Remember what I told you—let the liquor alone!"

Good reason had he for giving this counsel. Liquor had brought him to a felon's doom. Let the boys, aye, the girls, too, heed his words—*let the liquor alone!*

A Whole Family in Heaven.

This eloquent passage is from the pen of Albert Barns:

"A whole family in Heaven! Who can picture or describe the everlasting joy! No father, nor mother, nor son, nor daughter, are away. In the world below, they were united in faith, and love, and peace, and joy. In the morning of the resurrection they ascend together. Before the throne they bow together in united adoration. On the banks of the river of life they walk hand in hand; and as a family, have commenced a career of glory which shall be everlasting. There is hereafter to be no more seperation in that family. No one is to lie down on a bed of pain. Never in heaven is that family to move along in the slow procession, call in the habiliments of woe, to consign one of their members to the tomb. God grant that in His mercy every family may be united.

—"They made her a grave too cold and damp,
For a soul so honest and true."

If they had been wise, the dire necessity of opening the grave for one so lovely might have been averted. Plantation Bitters, if timely used, are sure to rescue the young and lovely, the middle-aged and the ailing, from confirmed sickness.

Almost all diseases have their beginning in some *slight* difficulty of the stomach, which would eventuate in dyspepsia, headache, Liver Complaints, Night Sweats, Consumption, Death. Plantation Bitters will prevent these premonitory symptoms, and keep the blood pure and the health good. While they invigorate the system, they enliven the mind.

—*Magnolia Water*—a delightful toilet article—superior to Cologne and at half the cost.

HALL'S
VEGETABLE
SICILIAN HAIR RENEWER
HAS STOOD THE TEST OF SEVEN YEARS
BEFORE THE PUBLIC;
And no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores
GRAY HAIR TO ITS
ORIGINAL YOUTHFUL COLOR.
It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.
IT IS RECOMMENDED AND USED BY
THE FIRST MEDICAL AUTHORITY.
The wonderful results produced by our SICILIAN HAIR RENEWER have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our MR. HALL, and their preparation was similar to ours. Do not be deceived by them.
Purchase the original; it has never yet been equalled.
Our Treatise on the Hair, with certificates, sent free by mail.
See that each BOTTLE has our private REVENUE STAMP over the top of the bottle.
All others are imitations.

No. 69 BEEKMAN ST., New York, January 5th, 1868.
E. MISHLER & Co., Reading, Pa.—Dear Sirs:—It affords me pleasure to speak of the wonderful effects of your "Pain Cure," in my own case. In June last I was attacked with Neuralgia in my abdomen and side. After suffering intensely for nearly two weeks, I was induced to try your remedy, and after an application, to my utter surprise, I was relieved in a few seconds. So sudden was the relief, that I could scarcely believe my own senses. From my knowledge of the preparation, I firmly believe that it will stop pain from nearly every cause, and almost instantly- Respectfully, yours,
