Don't be Afraid to Use Keating's Exterminator!

COME persons objected to this valuable preparation, because, they say, the Rats and Mice eat it, and then die in their holes. This is not the case. There have been thousands of boxes sold in this city, and no complaints of the kind ever made. It is, also, a warranted article, that the Rats and Mice will eat it, and it will kill, without doubt.

Sold by KEATING, at the corner of Wylie and Fulton streets: Dr. KEYSER, 140 Wood street; and by all the Druggists and Grocers in the Union. oct30
