## Who Supports General Grant?

The N. Y. Ledger in a recent issue has such characteristic paragraphs as these:

"Show us a carpet-bagger, and we will show you a supporter of Grant and Colfax.

"Show us a loyal Southerner who is true to his State and his country, and we will show you a man who will not support Grant and Colfax."

Show us a Union soldier who served the country faithfully, and we will show you a man who will vote for Grant and Colfax.

Show us a citizen who upheld the war by his vote and his purse, and we will show you a man who will vote for Grant and Colfax.

Show us a Northern man who kept up a fire in the rear of our Union soldiers, and denounced the war as a failure, and we will show you a man who will not vote for Grant and Colfax.

Show us a draft-sneak, a skulking deserter, or a bounty-jumper, and we will show you a man who will not vote for Grant and Colfax.

Show us a man who denounced our Union soldiers as "Lincoln's hirelings" and "Lincoln's pups," and we will show you a man who will not vote for Grant and Colfax.

Show us a rebel who starved our Union soldiers at Andersonville, Libby and Belle Isle, and we will show you a man who will not vote for Grant and Colfax.

"Show us a man who joined in the massacre of our Union soldiers at Fort Pillow, and we will show you a man who will not vote for Grant and Colfax.

Show us a slave-holder or a slave trader, and we will show you a man who will not vote for Grant and Colfax.

Show us any one of the grand Union party who for the last eight years has voted and worked for the support of the Union in the crisis of rebellion, and we will show you a man who will vote for Ulysses S. Grant and Schuyler Colfax.

## A Rubber Carriage.

The *Scientific American* states that a carriage has been made in Bridgeport, Conn., which is an open buggy and weighs but 125 pounds. The body is just one piece of hard rubber, one eighth of an inch in thickness. It is without the usual carriage bolts and screws, and presents a perfectly smooth surface, which can be dotted or varnished by rubbing or by handing. The rubber is tougher than wood, and much more elastic. The running gear is of wood, but the next carriage made will be entirely of rubber. The material is unaffected by wet, hot or cold weather, and was prepared at a temperature of 300 degrees, the body having been first cut into one plastic mass, like dough. A company has been formed, called the Pearl Rubber-Wood Company," with a capital of $250,000, and consisting of fifteen stockholders, for the purpose of carrying on the business in Bridgeport.

"Thy spirit, Independence, let me share,
Lord of the lion heart and eagle eye,
Thy steps I follow with my bosom bare,
Nor heed the storm that lowrs along the sky."

We intend to print an independent paper. We wish it distinctly understood, that neither fear, favor or affection shall prevent us from exposing rascality whenever we see or hear of it. It is the duty of a journalist to proclaim the truth, no matter whom it hits.

Let no man hope that he can be guilty of crime, fraud or rascality, political or otherwise, and escape. We shall do injustice to no one, intentionally, but our sheet shall never be a screen for evil-doers.

Political knaves it is our chief delight to expose, and if any man knows aught of wrong-doing by any man in political life let him give us the facts and the proof, and *strict justice* shall be done the party.

A YOUNG man named William Bruckman came to his death in a very singular manner in St. Louis, on Wednesday last. He was driving a one-horse cart, and after getting his load, got on the edge of his cart, his feet outside. In the meantime he wound the whiplash around his neck, and the end of it touched the wheel. The horse became captious, and he endeavored to unwind the whiplash so as to use it, but before he could do so, the cord caught in the wheel and pulled him to the ground, the wheel passing over his body, and inflicting injuries from which he died the next morning.

HAIR PREPARATIONS.

HALL'S
VEGETABLE
SICILIAN HAIR RENEWER
HAS STOOD THE TEST OF SEVEN YEARS
BEFORE THE PUBLIC!
And no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores
GRAY HAIR TO ITS
ORIGINAL YOUTHFUL COLOR.
It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons; as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.
IT IS RECOMMENDED AND USED BY
THE FIRST MEDICAL AUTHORITY.
The wonderful results produced by our SICILIAN HAIR RENEWER have induced many to manufacture preparations for the Hair, under various names, and, in order to induce the trade and the public to purchase their compounds, they have secreted to themselves, by claiming they were former partners, or had some connection with our MR. HALL, and their preparation was similar to ours. Do not be deceived by them.
Purchase the original, it has never yet been equalled.
Our Treatise on the Hair, with certificates, sent free by mail.
See that each Bottle has our private REVENUE STAMP over the top of the bottle. All others are imitations.

E. MISHLER & Co., Reading, Pa.—Dear Sirs:—I embrace the pleasure to speak of the wonderful effects of your "Pain Cure," in my own case. In June last I was attacked with Neuralgia in my abdomen and side. After suffering intensely for nearly two weeks, I was induced to try your remedy, and after an application, to my utter surprise, I was relieved in a few seconds. So sudden was the relief, that I could scarcely believe my own senses. From my knowledge of the preparation, I firmly believe that it will stop pain from nearly every cause, and almost instantly. Respectfully yours,
