THE FINEST ASSORTMENT OF THE BEST USED CARS
Are now shown on our floors. Never before have we had so large a variety — practically every make and model. Some are Brand New, others have been run very little—still others that have been dependably reconditioned. They are priced lower than we have ever before marked cars—in fact, we guarantee the lowest prices in the United States. In spite of the lower prices, we stand back of every car we sell for the Roman Automobile has a twenty-year reputation for dependable used cars and lowest prices.
