Very Important Information.

Dr. JONES, one of the most celebrated physicians in New-York, writes us follows:

Dr. CURTIS—*Dear Sir*;—Having witnessed the excellent effects of your HYGEANA OR INHALING HYGEAN VAPOR AND CHERRY SYRUP, in a case of chronic Bronchitis, and being much in favor of counter-irritation in affections of the throat, bronchial tubes, and lungs, I can therefore cheerfully recommend your Medical Apparatus as being the most convenient and effectual mode of applying anything of the kind I have ever seen. No doubt thousands of persons may be relieved, and many cured, by using your remedies.

You are at liberty to use this in any way you may think proper.

Respectfully, yours, &c.,
C. JOHNS, M. D.,
No. 609 Houston street, New-York.

Prof. S. CENTER writes as follows:

GENTLEMEN,—I have recently had occasion to test your Cherry Syrup and Hygean Vapor in the case of *chronic sore throat*, that had resisted to yield to other forms of treatment, and the result has satisfied me, that, whatever may be the composition of your preparation, it is no imposition, but an excellent remedy. I wish, for the sake of the afflicted, that it might be brought within the reach of all.

Rev. Doctor CHEEVER writes:

NEW-YORK, Nov. 15, 1854.

Dear Sir:—I think highly of Dr. Curtis's Hygeana, as a remedy in diseases of the throat and lungs. Having had some opportunity to test its efficacy, I am convinced that it is a most excellent medicine, both the Syrup and the inhaling application to the chest.

The Hygeana is for sale by D. W. SPENCER, Coudersport. 7-37 6m

War Declared at Last.

THE long repose of Europe is about to be disturbed by the bugle's note and the roll of the drum, calling its slumbering millions to arms in the defense of their hresides and their country. England and France are calling for men and means, and sending forward their armies to battle against the aggressions of the Russian Bear; but while the Old World is convulsed by revolution, unusual peace and plenty reign in the New.

In the peaceful and quiet pursuit of our business we have formed a copartnership under the name and style of N. S. BUTLER & CO., and have taken the store in Empire Block, in the village of Olean, formerly occupied by Thing & Brother, and are now receiving a splendid new stock of goods adapted to the season and wants of the community, which we intend to sell exclusively for cash down, at prices that will cause consternation and dismay in the ranks of old fogyism that has been so long established in this section.

Our stock will consist in part of the following Goods:

Hardware,	Crockery,	Boots & Shoes,
Hats,	Caps,	Carpets,
Oil Cloths,	Drugs,	Medicines,
Dye Stuffs,	Glass,	Paints & Oils,
Sash,	Putty,	Chairs,
Bedsteads,	Mattrasses,	Feathers

Stone and Wooden Ware,

And we mean to keep such an assortment of the above goods that persons from a distance can be assured of finding everything they usually want at prices that will do them good. Call and see for yourselves.

HYGEANA.

Brought Home to the Door of the Million.

A WONDERFUL DISCOVERY has recently been made by Dr. Curtis, of this city, in the treatment of Consumption, Asthma, and all diseases of the Lung. We refer to "Dr. Curtis' Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C. has restored many afflicted ones to perfect health; as an evidence of which he has innumerable certificates. Speaking of the treatment a physician says: It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the aerial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygena is for sale at the druggists' through out the country.

N. Y. Dutchman, Jan. 14.

The Inhaler is worn on the breast under the linen without the least inconvenience—the heat of the body being sufficient to evaporate the fluid.

Hundreds of cases of cures like the following might be named. One package of the Hygena has cured me of the Asthma of six years standing.

Jas. F. Keesberry, P. M., Duncannon, Pa.

I am cured of the Asthma of 10 years standing by Dr. Curtis' Hygeana.

Margaret Eastman, Brooklyn, N. Y.

Mrs. Pain of No. 5 Mammond st., N. Y., was cured of a severe case of Bronchitis by the Hygeana.

My sister had been cured of a distressing cough of several years standing, and decided to be incurable by her physicians. She was cured in one month by the Hygeana.

TO OFFICERS, SOLDIER

SEAMEN, &c., OF ALL WARS: THEIR WIDOWS, AND MINOR CHILDREN.

S. M. KNIGHT, Attorney for Government Claimants, Washington, D. C.,

CONTINUES to give prompt and personal attention to the prosecution of Claims of every description against the Government, and particularly to those before the Treasury Department, Pension and Bounty-Land Bureaus, Patent and General Land Offices, and Board of Claims.

An experience of years, and a familiarity with the means of obtaining the *earliest* and most favorable action on Claims, with his facilities for the dispatch of business, justify him in assuring his Correspondents, Claimants, and the Public generally, that interests intrusted to his keeping will not be neglected.

PENSION, BOUNTY LAND, PATENT, AND PUBLIC LAND LAWS.

He has nearly ready, for gratuitous distribution among his business Correspondents, (and those who may become such,) a neat pamphlet containing a synopsis of the existing Pension, Bounty Land, Patent, and Public Land Laws, down to the end of the late Congress—including the

BOUNTY-LAND ACT OF MARCH 3, 1855,

under which all who have heretofore received less than 160 acres are now entitled to additional land; said Act grants also 160 acres to all Officers, Non-commissioned Officers, Chaplains, Soldiers, Wagon Masters, Teamsters, and friendly Indians, of the Army, including State Troops, Volunteers, and Militia—and all Officers, Seamen, Ordinary Seamen, Marines, Clerks, and Landsmen, of the Navy, not heretofore provided for, who have served not less than four calendar days (unless in battle) at any period since 1776; and to the widows and minor children of all such persons entitled, and deceased.

This pamphlet contains "Forms of Application" more full and complete than any elsewhere to be found; adapted to the wants of every class of Claimants under the Act, with copious decisions and instructions of the Departments, and practical suggestions as to the course to be pursued in suspended or rejected cases.

Parties not wishing to avail themselves of the facilities afforded by this Office in securing *prompt and personal superintendence* of their claims at the Departments can obtain copies of the above pamphlet, by remitting thirty cents in postage stamps.

Premium Fanning Mills.

Important to Farmers and Mechanics.

THE subscriber has purchased of J. Bamborough the right to use in Potter and M'Kean counties his patent in the construction of Fanning Mills. He has also, at great expense, commenced the manufacture of a PREMIUM MILL, which will clean from 100 to 200 bushels per hour. This Mill was patented March 20, 1847, since which time it has stood at the head of the list at all the State and county agricultural societies where it has been exhibited, and is a universal favorite with all farmers who have tried it. It took the premium at the first Agricultural Fair held at Harrisburg, Oct. 31st, 1851, when there were 30,000 people present; and at the great State Agricultural Fair at New-York, held at Rochester Sept. 16-19, 1851, this Fanning Mill received the highest honors.

Having met with uniform success wherever tried, I confidently invite the farmers of Potter and M'Kean counties to call at my shop in Coudersport and examine for themselves.

A supply always on hand, to be sold on reasonable terms.
