THE CITY POST.

WEDNESDAY MORNING::::FEBRUARY 23.

CHANGE OF ROUTE.—We noticed some time since, a great change which was about taking place in the transportation of cotton from the south-west to the seaboard cities. The new route by the Ohio river to Pittsburgh and the Pennsylvania canal to the east will undoubtedly cause a great diversion from the present manner of shipping southern produce. The inland route is not only cheaper, but possesses the advantages of more rapid transportation. The following table presents the advantages of shipping cotton from Memphis to Philadelphia by way of this city:

Sales pro forma Philadelphia, received from Memphis, via Pittsburgh and Pennsylvania canal:

Our transporting merchants are prepared to take cotton through to Philadelphia as soon as the canal opens at the rate of forty cents per bale. The Baltimore and Ohio Road will transport cotton from Wheeling to Baltimore as soon as their Road is able to carry freight at the rate of forty-five cents per bale. We may add here that boats make no distinction in the price of the transportation of freight, from Memphis, between Pittsburgh and Wheeling—*the rate is the same to both cities.*

DISTRICT COURT.—Before Hon. P. C. Shannon, President Judge.

A. Kirk Lewis vs. Charles King and Joseph Spiel; No. 547, November term, 1851. This was an action of ejectment for forty-five acres of coal land in Lower St. Clair township.—Charles King, one of the defendants, sold the land in question to Wm. Philpot, and took a mortgage for the balance of the purchase money. Philpot subsequently sold it to John M. Snowden, who sold to Kirk Lewis, the plaintiff, subject to the mortgage. In 1850, King brought an action of ejectment, under his mortgage, and went into possession. Lewis now claims the right to the property under the deed, and endeavors to charge King with the rents, issues, and profits, contending that by them, the amount of the mortgage is at least greatly reduced if not paid. The jury was withdrawn yesterday morning and judgment confessed by defendant.—Mr. Selden for plaintiff, and Williams for defence.

Wm. D. Rahm vs. Thomas Irvin; No. 214, July term, 1851. This was an order of ejectment to obtain possession of about twenty inches of ground claimed by plaintiff. The ground contested lies between the property of plaintiff and defendant. Shaler & Co. for plaintiff, and Col. Black, for defence. On trial.

SUDDEN DEATH—CORONER'S INQUEST.—Coroner Lowry was called upon yesterday morning to hold an inquest on the body of a man, named Henry Dorkee. The deceased boarded at a tavern on the corner of Penn and Carson streets, and, for a few days previous to his death, complained of sickness. On Monday night he retired to bed at his usual hour, and yesterday morning, was found dead in his bed.—It was proved to the jury that deceased was a man of rather intemperate habits, and also, that he had for a long time been affected with a disease of the lungs, which caused him to spit blood. A verdict was returned by the jury, in accordance with the facts.

Mr. Dorkee arrived in this country, but five weeks ago, from England, and was employed in this city as a machinist, in the works of the Pennsylvania Railroad Company. On his way to this city Mr. Dorkee left his wife and five children in Wilmington, Delaware, and the day before his death, was only prevented from sending a draft to them, to pay their expenses to this city, by an attack of his disease. The body of the deceased will be sent to his family in Wilmington.

ALLEGHENY VALLEY RAILROAD.—Yesterday was the day the work on this road was to be bid for. The *American* of yesterday afternoon says that a very large number of contractors were in attendance, and besides bids for particular sections, other bids were given for the entire work on the whole line.

The Hon. Joseph Buffington, from Armstrong, and Col. M'Cullough, from Clarion, were in attendance, making a full Board of Directors.

The route of the road up the Allegheny to Kittanning, will be more or less influenced by the biddings, and this will not be determined until the contracts are ready to be awarded, which will probably not be the case until the last of this week or the beginning of next.

THE ALLEGHENY BRIDGE COMPANY, on, and after the 1st of March, will be supplied with gas by the Allegheny Gas Works, and not by the Pittsburgh Works, as heretofore. The cause of this change, was an attempt made by the Pittsburgh Company to increase the price of gas, over what the Bridge Company had been previously paying. The Bridge Company are supplied with gas by the Allegheny Company on more favorable terms than those proposed by the Company in this city. Eight additional gas lights are to be placed on the foot walk, on the outside of the bridge—four lamps on each side.

NEW BOOKS JUST RECEIVED.—At Gildenfenney & Co's. cheap publication office, No. 76 Fourth street. "The Dean's Daughter or the day's we live in," by Mrs. Gore, author of "Mothers and Daughters," &c. Light and Shade or the Young Artist, by Anna Harriet Drury, author of "Friends and Fortunes," &c. &c. The Brigand or the Mountain Chieftain, by Harry Hazel, author of Yankee Jack, &c.—Also a fresh supply of the Lofty and Lowly or Good in all or none Good, by M. J. M'Intosh, author of Donaldson Manor, &c., and Yankee Notions for March.

NEW BOROUGH.—The Court of Quarter Sessions has granted a decree erecting the new borough of West Pittsburgh, said borough commencing at the end of South Pittsburgh, and running down the Ohio river to the end of Woods' Iron Works, and up from the river bank to the top of the hill. The Grand Jury recommended the erection of this borough some months ago. The first election for borough officers will be held at the public school house, on the third Friday of March.

PARADE.—Yesterday was celebrated in this city, by the parade of two of our military companies. The Greys and Blues. The Greys under the command of Lieut. TROVILLO, and the Blues under that of Capt. HAYS, made a fine appearance. The military spirit in our city, however, judging from the turn out of yesterday, is in the wane. It is only in time of war, that the ranks of our military companies have to be closed against recruits.

OHIO AND PENNSYLVANIA RAILROAD.—Yesterday was the day appointed for the departure of the first passenger train on the Pennsylvania and Ohio railroad, to Loudonville, Ashland county. Loudonville is situated about twenty miles west of Wooster. The mail train will leave this city at the usual hour, in the morning, and reach Loudonville at seven o'clock, P. M., returning will leave Loudonville at quarter past seven, A. M.

THE LECTURE.—Although the weather was very disagreeable yesterday evening, the lecture of Rev. Mr. Howard was well attended by our citizens. The subject—the life and labors of Howard—was handled in a masterly style, the eloquence of the gentleman charmed the entire audience; the lecture was very instructive.

THEATRE.—To-night, the beautiful play of Azel, will be performed for the third time; also, a new drama, founded on the events of the revolutionary war. The manner in which the play of Azel is gotten up, reflects great credit on the manager. It is well worth seeing.

THE COUNTY JAIL.—This building, under the supervision of Mr. Crawford, the jailor, and Mr. Fagaines, his assistant, presents an appearance very creditable to the persons having the control of it. The jail is now undergoing a thorough cleansing.

In accordance with a resolution of the Board of Canal Commissioners no section iron trucks will hereafter be transported over the Columbia and Philadelphia railroad. The trucks used on this road, are to be transferred to the Allegheny Portage railroad.

THE RIVERS.—We had continuous rains all day yesterday. The recent wet weather will undoubtedly cause a further rise in the river. The present stage of water is very good for steamboating, and a great deal of business is doing on the wharf.

DELEGATES.—A number of delegates to the Maine Law Convention, in Harrisburg, left yesterday morning in the cars. The convention meets to-day, and it will remain in session to-morrow.

NO POLICE NEWS.—There was no police news stirring in the city yesterday of any importance.

DURKEE'S BAKING POWDER.—Whenever we know of an article that is in reality all that is claimed for it, we take pleasure in chronicling its merits; we do so for our own interest as a member of society, as well as for the interest of the trader and the benefit of the proprietor. Mr. Durkee sent us a sample of his Baking Powder—we took it home to our "local habitation," and we now cheerfully recommend it to the confidence of our readers. It is a valuable improvement on the old fashioned way of operating in the "kitchen," and every housekeeper should have it—every housekeeper will have it, after once becoming acquainted with its merits. Dealers can find no more profitable article to keep in their stores, as wherever it has been introduced, it sells readily.—*New York Merchants Ledger, Oct. 23, 1852.*

CONGRESSIONAL.

WASHINGTON CITY, Feb. 22.

SENATE.—A bill was introduced to extend the time for the enforcement of the steamboat law, and a motion made to substitute October for June, as provided for by the bill. After a debate, it was rejected. Another provision of the bill allows excursion steamboats to dispense with life-boats. The bill was passed. It extends the time until the 1st of June, next, and provides that inspectors may approve of boilers and steam-pipes made subsequent to the passage of the Act approved on the 3d of August, 1852, if the same be not made with the stamped iron, provided, it shall appear that the stamped iron could not be seasonably procured; it also provides for all owning substitutes for metallic life-boats, where it can be shown that such boats could not be procured.

The Pacific Railroad bill was taken up, and the amendment offered by Mr. Weller yesterday, that as each fifty miles in the States were finished, the contractors should receive four-fifths of the alternate sections on each side, was passed.

Mr. Seward moved to amend the bill, by providing that so far as any part of the road may be constructed within the limits of any State beyond the Mississippi, the Postmaster General shall contract with said State for the transportation of the mail over such part of the road at a rate not exceeding $600 per mile, per annum, for fifty years.

Mr. Rusk still contended that the bill was dead, and after some debate the Senate adjourned.

HOUSE.—The House resumed the consideration of the bill establishing reciprocal trade with the British provinces, on certain conditions.

Mr. Fuller opposed the bill, and Mr. Tuck approved.

The morning hour expiring, a communication was read from Commodore Jones, repelling certain slanders, and asking that a committee be appointed to enquire and allow him to vindicate himself. His communication was referred to the naval committee.

The Indian appropriation bill was considered in committee of the whole.

The West Point Academy was acted on, and the Senate amendments agreed to, except the appropriation of $12,000 for a Riding School. The House then adjourned.

PENNSYLVANIA LEGISLATURE.

HARRISBURG, February 22.

In both Houses the Speakers presented the resolutions of the Philadelphia Councils inviting the Governor, Heads of Departments and Legislature to visit that city.

The Farewell Address of Washington was read in the Hall of the House before the members of both Houses, the Governor, &c., after which the two Houses adjourned.

The invitation from Philadelphia was no doubt intended to take the wind out of the sails of the Pittsburghers. Why has not the resolutions of the latter been sent on?

SOUTHERN NEWS.

BALTIMORE, Feb. 22.

New Orleans papers have been received as late as due; the Delta has a late letter from Tampico which gives an awful picture of the state of affairs there. Caravajal, it was rumored, was coming there, and it was thought that the National Guard would join him.

The rumor that North Carolina had appointed Mr. Dobbin U. S. Senator, is incorrect.

The House of Delegates of Virginia have, by a decided vote, indefinitely postponed the Bill granting the right of way to the Steubenville and Pittsburgh Railroad.

The Baltimore Board of Trade to-day passed resolutions strongly in favor of the continuation of the Pittsburgh and Connellsville Railroad.

Gen. Pierce passed directly through to Washington.

WASHINGTON CITY, February 22.

Gen. Pierce came through in the Express train from Philadelphia this afternoon. He kept quiet as possible at Baltimore, having entered the rear car in company with Sidney Webster and Pierson Butler, and no others. He reached Washington at half past eight. Mayor Maury was at the depot, but did not discover him; he passed through the crowd unobserved and before the cars had fairly stopped was of to Willard's in a coach.

Jefferson Davis has not reached the city, nor is there any intelligence of his departure from Mississippi.

Mr. Marcy appeared in the Senate to-day and attracted much attention. Notwithstanding the presence of several distinguished gentlemen named in connection with cabinet appointments much uncertainty exists, not only as to the persons really fixed upon, but also to the positions that may be assigned them.

COMMERCIAL POST.

DAILY REVIEW OF PITTSBURGH MARKET.

OFFICE OF THE DAILY MORNING POST, Wednesday, February 23, 1853.

The weather yesterday was inclement and owing to this business transactions were comparatively few. In the market we see no particular change from our last.

FLOUR—Receipts yesterday very limited and sales restricted, and the market unsettled. We note a sale of 100 bbls from store at $4,15; 50 bbls at $4.20; 200 bbls stored.

SEEDS—The market for clover is dull, although a better feeling prevails in the Cincinnati market. We notice a small sale at $5,12; large lots, however, would not command that figure. Timothy seed is but little enquired for, the demand being only in a retail way. We quote at $2 to 2,25. Flaxseed less firm and we now quote at $1,12 to 1,20.

BACON—The demand is slightly improving, mostly, however for the retail trade. We notice sales of 5000 lbs shoulders at 7; hams 10

GROCERIES—Our market is well supplied at present with sugar and molasses and supplies coming forward freely. The demand, too, for the trade is good and prices firm at 5¼ to 5½ for sugar, and 32 to 33 for molasses, with sales of 50 bbls at 32. Coffee—The market is quiet, but holders are firm, and the demand noted is well maintained; we quote at 10¼@10½. Rice—The demand is falling off; we quote at 4¾@5, on time.

FISH—There continues a good demand for fish to the trade; we note sales of 50 bbls White Fish at $9, and 50 bbls Trout at $8 ℔ bbl; No 3 Mackerel $9,25@9,50.

CIDER—We notice a sale of 14 bbls crab at $7 ℔ bbl.

OATS—Sales 400 bus at 33½.

CORN—Sales on the wharf of 175 bus at 45 for shelled.

LARD OIL—Sales small lots yesterday at 90@95.

WHISKY—Sales of 30 bbls at 22.

HAY—Sales 12 loads at the scales at $8 to $11.

SOAP AND CANDLES—We quote at 5@5¼ for soap and 11@12½ for candles.

DRIED FRUIT—The market for peaches is bare and prices rule high. In apples there is but little doing, the demand having fallen off, and the stock in first hands is large, and sellers are more anxious to realize; we are without sales to quote, but are freely offered at $1,22@1,25 ℔ bus.

Whooping Cough, Coughs and Colds,

specially cured by Dr. Keyser's Pectoral Syrup. This is one of the most important remedies for lung diseases ever introduced to the American public. It has been introduced here only a few years, and already thousands of citizens of Pittsburgh can testify to its efficacy; in many cases curing coughs and colds in a few hours. Public speakers, opera singers, auctioneers, and others who exercise the vocal organs to a great extent, will find a ready cure in a dose of Dr. Keyser's Pectoral Syrup.

☞ WHOOPING COUGH is greatly relieved by it, and when given early, the Pectoral renders the disease comparatively trifling.

We publish the following case as an evidence of its value:

PULMONARY CONSUMPTION.

CASE 1.—A young man, aged 19, of slender make, had cough, expectoration of dark matter from the lungs and Bronchia for three weeks; pulse up to 120, hectic fever and night sweats; great emaciation, pain in the breast; sometimes expectoration of mucus tinged with blood; had taken various remedies from physicians, with little or no relief; commenced taking the Pectoral Syrup in half the usual doses; the expectoration diminished; the cough abated; the hectic fever left, and in four days all the bad symptoms had entirely disappeared, and the man is now entirely well.

Also a certificate of well known citizens in proof of its efficacy.

Read! Read!

We, the undersigned, having used Dr. Keyser's Pectoral Cough Syrup upon ourselves and in our families, do respectfully recommend it to others as a safe and efficient medicine for the purpose recommended.

"THE BLOOD IS THE LIFE," IS THE LANGUAGE OF SCRIPTURE.

DR. HALSEY'S

FOREST WINE!

FROM its own merits and great works, this wine is fast becoming the favorite medicine among every class of people. Known as the most efficient remedy for General Debility, Nervous Affections, Consumptive Decline, Complaints of the Kidneys, Heart, Lungs, and above all for diseases arising from impure blood and habit of the System, eminent members of the Medical Faculty have sanctioned and adopted the use of it.

DR. I. A. STANLY,

A celebrated Physician, in a letter from Princeton, New Jersey, dated November 16, 1849, declares that in all his experience he had never seen anything to compare with the Forest Wine and Pills, at the same time relating several cases of constitutional Debility and Scrofulous Affections which it cured in an incredible short time. Among the members of the Medical Faculty of New York, who have witnessed the great results of the Forest Wine, and recommended it in numerous complaints, will be found the names of the celebrated Dr. M. T. Coalman, Dr. S. I. Mott, Dr. L. Cheeseman, Dr. Chilton, Dr. William Brown, Dr. Marvin, Dr. J. M. Moreau, and others.

TESTIMONY

Of Johnson Burke, a highly respectable citizen of Waverly Place, New York.

DR. G. W. HALSEY,—

Dear Sir,—I esteem the Forest Wine as the King of Medicines. It has done for me in five weeks what three Physicians failed to do in as many years. In 1845, I became a victim of the Heart Disease and Nervous Affections, which have been growing on me ever since, until I procured your Forest Wine and Pills, although I had wasted several hundred dollars for medical attendance. During the last two years I was obliged to keep my house nearly all the time, and gave up business in consequence of my ill health. I had lost nearly all hope of recovery, my complaint was of that class under which "nature sinks, and life becomes a burden." Seeing your Forest Wine advertised, I concluded to give it a trial, and before finishing the third bottle, I felt like a different person, and was able to resume business again, entirely cured by taking five bottles. For the benefit of those afflicted with similar complaints, you are at liberty to publish this. Yours, &c.

JOHNSON BURKE, Waverly Place, N. Y.

HEMPSTEAD, Dec. 1, 1847.

Dr. Halsey:—A bottle of your Forest Wine and a box of Pills, which I procured of Mr. James Carr, (your agent for this place,) has done wonders for me. I had been in a state of decline for more than a year, afflicted with a dreadful cough, pain in the breast, general debility, and loss of appetite. I became almost a skeleton, and had been unable to leave my room for more than two months; my friends told me I had the consumption, and despaired of my recovery. I could not obtain any permanent relief from any medicine I had taken, or my physician, until your Wine and Pills were procured. The first dose of the Pills brought up from my stomach much phlegm and greenish matter, and my stools were perfectly black. I then commenced taking the Forest Wine three times a day, my appetite began to return immediately, my cough left me, and in less than two weeks I was almost well. I now enjoy better health than I ever did before, having increased twenty-five pounds in seven weeks. Your Forest Wine and Pills are highly valued in this vicinity, and I owe my recovery entirely to their virtues.

Very respectfully, MARTIN CALDWELL.

The following certificate, voluntarily given by Mr. E. G. Mussey, a respectable and well known citizen of Cohoes, New York, is an evidence which must remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NEURALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS:

This is to certify, that I have used Dr. Halsey's Forest Wine in my family with the most entire success. My wife was badly afflicted with Neuralgia, affections of the Spine and Kidneys, and general Debility. She found speedy relief, and regained her health, by the use of the Forest Wine.

From my own knowledge of this excellent medicine, I confidently recommend it for the good of others who may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar diseases, may safely rely upon its virtues.

Cohoes, March 6, 1850. E. G. MUSSEY.

MORE TESTIMONY FROM COHOES.

DR. G. W. HALSEY:

Dear Sir—My wife last autumn was reduced to a low state of Debility. My family Physician advised her to take your Forest Wine. Accordingly I went to Mr. Terry's, your agent for this town, and procured a bottle of it, which restored her in a very short time to perfect health.

HENRY DONALDSON.

Cohoes, April 13, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with dreadful disorders and considered incurable, may be seen at Dr. Halsey's principal office. The following are some of them residing in this city:

Mr. Aaron S. Smith, 167 Prince street, office in Wall street, was long severely afflicted with a disease of the kidneys and bladder. The best medical skill answered no purpose. He tried the Forest Wine and it met his case, and he was completely cured by the use of four bottles and a box of the Forest Pills.

Mr. Jacob Bell, merchant in Pearl street, was for four years a martyr to severe Rheumatic Pains, and could find no relief until he used the Forest Wine and Pills, and recovered by taking six bottles and less than a box of the Pills.

The remarkable efficacy of the Forest Wine is very striking in the case of the Hon. S. T. Brown, of Virginia, who was cured in a few hours time of a severe attack of Bilious Diarrhoea and general prostration of bodily energy in a few days time. On the arrival of this gentleman in New York in March, he was so weak and nervous from the effects of his illness, that he could not write, and required assistance to enable him to walk to his apartment. The Wine was sent for, and he recovered by the use of less than a bottle of the Wine and a single dose of the Pills.

The Forest Wine and Pills are recommended as an efficient and certain cure in all the following complaints:

Dyspepsia, Habitual Costiveness, Liver Complaint, Asthma, Piles, Obstinate Headache, Bilious Disorders, Pimples, Blotches, and unhealthy Color of the Skin, Jaundice, Ague and Fever, Salt-rheum, Erysipelas, Complaints incident only to Females, Languishing Weakness, Night Sweats, Nervous Disorders, General ill health and impaired state of the Constitution.

☞ General Depot for Halsey's Forest Wine, No. 308 Broadway, New York. One Dollar per bottle, or six bottles for Five Dollars. Twenty-five Cents per box for the Pills.

☞ Sold Wholesale and Retail by GEO. H. KEYSER, 140, corner of Wood street and Virgin alley, Pittsburgh, Pa.; also, by JAMES T. SAMPLE, north-west corner of Federal street and the Diamond, Allegheny city. dec2:d&w
