The Catholicon for surpasses other remedies, is being more certain—less expensive—and leaving the system in a better condition.

Epilepsy can be Cured!

LAKE'S VEGETABLE COMPOUND,

For the cure of Epilepsy or Fits, is performing more wonderful cures than any other medicine yet known or before the public.

Price Five Dollars A Bottle.

The proprietor has in his possession numerous certificates, narrating the ASTONISHING AND MIRACULOUS CURES effected by this medicine, and directs attention to the following only, to assure those who are so unfortunate to be afflicted with the terrible disease heretofore regarded incurable, that LAKE'S preparation,

Is almost Infallible in its Cure!

From Mrs. Brooks, widow of Maj. Jas. Brooks, late of Conneaut, Ohio.

Mr. Z. LAKE.—Sir: Please send me another bottle of Fit Medicine, as I do not like to do without it on hand. When I commenced giving the Medicine to my son Edgar, he had from one to three fits per day. He has now taken the medicine over five months, and has had, I think, but two fits in that time, and those very light. His body and mind are very much improved and by the blessing of God, I feel that the medicine will restore his body and mind to their wonted activity. He is 23 years old, and has had fits over 12 years, which have been very frequent, and very destructive to his constitution and mind. Hundreds of dollars have been expended for medicine to "CURE FITS" but nothing has relieved him until he used your medicine. Respectfully yours, POLLY BROOKS.

From Judson Landon, Superintendent of the Ashtabula County Infirmary.

Mr. Z. LAKE.—Please: send me a few more bottles of your "Fit Medicine;" I may not need it, but think safer to keep it on hand. Your medicine has done wonders—I gave it to Miss Jane Delano; she has had fits for 18 years, brought on by having the measles when but four years old which could not be brought out to the surface. After taking the medicine a few days, she had a fine crop of measles, and has had no fits since. She had fits or symptoms almost daily. She and her father concur with me in saying that we believe the medicine has done her much good. I also gave to medicine to Miss Jane Henderson and Asa Canty, who have had fits almost daily, for a number of years. These fits have ceased, and I believe the medicine will have the desired effect. Much money has been expended by the friends of the above patients for doctoring, all to no purpose. The cure was left for your medicine to perform, and I can cheerfully recommend it as a valuable discovery. Respectfully yours,

JUDSON LANDON
Superintendent Ashtabula Co. Infirmary.
