Overhall vs. Crawford; No. 260, April, 1851. Master's report confirmed and approved.

BOLD BURGLAR.—A man named Beverly Gould was lodged in jail, on Saturday, to answer, at the next Court, a charge of burglary, laid by Mr. George W. Warren, a tavern keeper on the Butler plank road, about sixteen miles from Allegheny City. Gould stopped at Warren's house for the night, and while the household was asleep, entered the bedroom of the landlord, and stole the sum of six dollars, and a lot of keys, from his pockets. The robber left the house at five o'clock the next morning, without paying his bill. He was pursued, and the landlord recovered his money, but not the keys, as they were not missed. Mr. Warren, on returning home, found that his keys were gone; he again pursued Gould, and apprehended him five miles from his home. On searching him he found that he had also entered one of the township school houses, and taken a great number of books and other articles. On finding this out, Mr. Warren tied Gould with a rope, and brought him into Allegheny City, and took him before his Honor, Mayor Park.

COUNTY JAIL.—During the week ending on Saturday night, there were sixty-six commitments to the county jail for drunkenness, disorderly conduct, and vagrancy, alone; besides this number, there were eleven commitments for assault and battery, two for assault and battery with intent to kill, two for riot and assault and battery, three for surety of the peace, one for malicious mischief, one for costs, one for keeping a tippling house, and one for burglary. This makes a total of eighty-eight commitments for one week. A pretty good number, truly.

FEROCIOUS DOGS.—An information was made before Alderman Major, on Saturday, by Michael Carr, which caused the arrest of Mary Gallaher, who was charged with nuisance in keeping a ferocious dog. The dog bit Carr, who is an old man, severely in the leg. Mrs. Gallaher was held to bail.

F. H. Bushman, of Pennsylvania Avenue, was also held to bail, on a similar charge, laid by Morris Glenn.

TWO CHARGES were preferred on Saturday, by Robert Shields against George McPherson, of the Fifth Ward, charging him with assault and battery and keeping a tippling house. The assault was committed on Tuesday last, and by it Shields was hurt in the eye. McPherson was arrested, and in default, committed to answer both charges, by Alderman Major.

HANDSOME AND COSTLY CARRIAGES.—Messrs. Phelps, Carr & Co. of this city, have recently completed two miniature Jenny Lind Buggies, of the handsomest style of workmanship, intended for the children of two members of a firm in Vicksburg, Miss. Each member has a son, and each orders a buggy at a cost of $650—$1,300 for the two.

FITS.—A little son of Mr. Kirkpatrick's who resides on the corner of Sank Lane and Locust streets, Allegheny city, suddenly took a fit in the "Enterprise Building" on Friday afternoon. Dr. Elliott was immediately sent for, and gave the necessary directions which the nature of the case required. The lad was carried home, and lingered until Saturday morning, when he died.

CHRIST'S (M. E.) CHURCH.—The corner stone of this edifice will be laid to-morrow, on the corner of Hancock and Penn streets. An address will be delivered previous to the ceremony, by Bishop Simpson, in the Methodist Church, on Smithfield street.

A GOOD MOVE.—In the Allegheny Councils, the other evening, Mr. Riddle presented an ordinance to prevent the assembling of idle and disorderly persons in or about the engine houses on Sunday, which was read and adopted.

CROSS SUITS.—John McClure and Humphrey Rutherford entered suits against each other, on Saturday, before Alderman Parkinson of the Fifth Ward. The charge laid was surety of the peace. The parties were held to bail.

TIPPLING HOUSE.—Mayor Park, of Allegheny, on Saturday, held to bail George Diamond, for keeping a tippling house in the fourth Ward of Allegheny. The charge was laid by James Wagner.

THE PENITENTIARY.—The number of convicts now incarcerated in the prison is one hundred and ninety-eight, being some 60 more than were there at the commencement of the year.

FIRE WORKS.—A tremendous crowd was congregated on Saturday evening, on the Allegheny wharf, to witness the display of fire works made by Mr. Kinney, to appease the sovereigns. The exhibition was creditable.

A LARGE assortment of fancy and staple dry goods will be sold at M'Kenna's Auction House, this day, at 10 o'clock; and at 2 o'clock, 20 barrels sugar, glassware, cheese, furniture, &c.

[illegible] meet to-night, to hear Mr. Stokes, (on behalf of the Pennsylvania Railroad,) argue the propriety of the city giving to the road certain streets.

[illegible]—The house of Mr. John Baker, a printer, of [illegible] entered by burglars on Friday night, and a small sum of money taken from one of the apartments.

TICKETS SOLD.—During the week ending on Saturday, there was sold, on the Pennsylvania Railroad, 2038 tickets for different points on the road.

WE call the attention of our readers to the advertisement of Mr. Solomons. For particulars, see testimonials in another column.

THE WEIGH MASTER of Allegheny, reports that during the month of June, he weighed 520 head of cattle, 122 tons of hay, and 40 tons of hogs and sheep.

RESIGNED.—Officer D. M. Montgomery has resigned his position in the Mayor's police of Allegheny, and Robert Hastings has been appointed in his place.

A VERY SUPERIOR PIANO FORTE will be sold at the Auction Rooms of P. M. Davis, this afternoon, at 3 o'clock.

CONTRACTS.—The contracts for erecting the New Market House will be let to-day.

MR. SOLOMONS:—From infancy I have been afflicted with weak eyes and short sightedness, and in all my travels I have never been able to get a pair of GLASSES that would help me. I have had several pairs that would enable me to see more distinctly, but could never keep them on more than one-half hour, from the fact that they caused such great pain.

I happened to see your advertisement, by which I saw you had just imported some, and as it has been my constant aim to get a pair that would benefit me, I thought I would try yours.

You must not think me flattering, when I say they more than answer my expectations. I have not been able to read by candle-light for more than half an hour at any time, before I got these Glasses. Since I got these, I read one Sunday all day, and until 10 o'clock, without experiencing the least pain, which is a thing I have not done before for years.

I say this much, as I think it deserving your enterprise, and hoping others may be benefited by it.

You are at liberty to make use of my name at any time, for reference. I am, sir, truly, yours.

HENRY EARL, Wharf Master, Pittsburgh.

P. S.—I forgot to mention that my wife is greatly benefitted by the pair she got, and equally pleased. jy1.

NEW DISCOVERY FOR THE EYES!
SPECTACLES, &c. ground on the exact principle of Spherical Accuracy, by G. SOLOMONS, the celebrated Optician, from the Improved Spectacle Manufactory and London Optical Establishment, No. 105 Old Bond street, London—established more than a century ago.
G. SOLOMONS, the sole inventor of the Improved Spectacles, and various improved Glasses, is now on a professional visit to this place, and may be consulted at the Lafayette Buildings, corner of Wood and Fourth streets, first door on Fourth.
He has had the honor of attending the above named principal towns of the United Kingdom, where he has experienced the most flattering encouragement, and having been earnestly solicited to make a visit for a short time, he has the honor of announcing his arrival from London, with a most splendid assortment of his newly-invented and improved Spectacles. Such is the superiority of these Glasses, that persons having inflamed or weak eyes may instantly be relieved by using them, and they possess the property of preserving the precious organ of sight to the most advanced period of life, while they enable both the old and the young to pursue the most minute employment for any length of time, both by day or candle light. As several individuals in the United States have tried their efficacy, he, with confidence, solicits the further favors of the public, which he will ever be proud to acknowledge, assuring those who entrust him with their commands that no exertion shall be wanting on his part to merit their confidence and approbation.
Added to the advantages possessed by him of long practice to the Eye Infirmaries, and under one of the most eminent Oculists, by which he has obtained a thorough knowledge of the diseases of the eye, he has in his possession documents from individuals of rank, conveying the highest testimonials of approbation.
He will give references to persons in the United States who have found the greatest benefit and comfort from the use of his newly invented and improved Spectacles.

New Discovery for Deafness.
The *Sound Concentrator* is an extraordinary, powerful, newly-invented small instrument, for the cure of extreme cases of Deafness, entirely different in make or construction from all others, surpassing everything of the kind that has been or probably ever can be produced. They are not modeled to the cavity of the ear, and may rest within without projecting, and, being of the same color as the skin, are not perceptible. The powers of this valuable invention are so great as to restore defective hearing of long standing to its perfect and natural state, and to enable deaf persons to join in general conversation, to hear most distinctly at a place of worship, at the bar, or at any public assembly; the unpleasant sensation of ringing noises in the ear is entirely removed, and the concentrations afforded to individuals afflicted with this dreadful malady all the assistance that can possibly be desired.

I am happy in bearing my feeble testimony in favor of Mr. Solomon's Eye Glasses. I think them superior to any I have ever tried. The eyes seem to rest pleasantly under their use. G. McCOOK, M. D., Late Professor of Surgery in Washington University, Baltimore, Md.

Pittsburgh, June 8, 1853. I am using a pair of Mr. Solomon's Glasses, and find them very comfortable. I cheerfully add my name to the number of those who recommended me. JOS. P. GAZZAM, M. D.

Pittsburgh, June 8, 1853. From what I have observed in the use of Mr. Solomon's Glasses, I take pleasure in adding my testimony to the foregoing recommendations of the Faculty. JAMES KING, M. D.

Pittsburgh, June 8, 1853.

Cleveland, Oct. 27, 1851. It affords me pleasure to state that on the trial of several specimens of Spectacles placed in my hands by Mr. Solomons, I find myself much relieved from a defect of vision, and especially weakness in the eyes, from which I have suffered for the last two years, whenever I have exercised them even for a short period of time. I think they are of an excellent quality, and peculiarly adapted for such purposes. J. P. KIRTLAND, M. D., Professor of Physical Diagnosis, and Theory and Practice of Medicine, Medical Department, W. R. College.

Rochester, January 15, 1851. The best recommendation I can give the Glasses of Mr. Solomon is, that I use them myself and prefer them. JAMES WEBSTER, M. D., Professor of Anatomy, University of Buffalo.

New York, June 4, 1850. Having made trial of Mr. Solomon's Patent Spectacles, and examined the principle on which they are constructed, I have no hesitation in pronouncing them superior to any with which I am acquainted, and accordingly can most cheerfully recommend them to all who need artificial aid in improving their vision. CHAS. A. LEE, M. D., Professor of Pathology and Materia Medica, Geneva, Buffalo, and Bowdoin College.

Philadelphia, June 4, 1850. I cordially concur, as far as my judgment goes, in the opinion of my friend and colleague, Dr. Lee, in reference to the perfection of Mr. Solomon's convex and oval Glasses, for the far-sightedness, the grinding appears to be good and clear, and the general workmanship superior. JAMES BRYAN, M. D., je10:3md&w] Professor of Surgery, Geneva College.

Thirty Feet of Tape Worm Expelled!
BY USING B. A. FAHNESTOCK'S VERMIFUGE. Mr. Booth is a gentleman well and favorably known in his place of business:
[From Mr. WM. W. BOOTH, Druggist.] FENTONVILLE, Michigan, Feb. 8, 1853.
Messrs. B. A. Fahnestock & Co.—Gentlemen—I have had a great sale for your Vermifuge. Besides what you sent me, I bought, with Berdsall & Erwin's stock of drugs over five dozen—nearly the whole of which is sold. It does great execution amongst the worms. A Mr. Joseph Parker gave his son, nine years old, three bottles of your Vermifuge, and it brought away NEARLY THIRTY FEET OF TAPE WORM! Daniel Odell gave two bottles to a child, four years old, and it passed about one hundred Worms, nearly a foot long, and many smaller ones came away, and the child is well. As soon as navigation opens, I shall order an additional supply. Respectfully yours, &c. WM. W. BOOTH.
Prepared and sold by B. A. FAHNESTOCK & CO., je2 corner of Wood and First streets.

HOW TO CURE HERNIA, OR RUPTURE.
THIS DISEASE is now so common that thousands of instruments are in use for, not only its relief, but even its radical cure, most of which are entirely worthless, and unfit for the purpose designed. The instrument used in the cure of hernia or rupture is called a TRUSS, and should be well made, and well adapted to the broken parts, in order to give relief, or effect a cure. That a cure of rupture can be effected, I would advise any one to call on the undersigned, and he will give them evidence beyond all question of doubt. I have in several instances, during the past year, cured cases of rupture, some of both sides, and in the cases of children, almost inevitably, by the application of DR. HUBBARD'S TRUSS, an instrument that can be perfectly fitted to the parts, having a wooden, and capable of affording any amount of pressure that may be desired. It will not move from the parts to which it is adapted, and it allows a pressure, without pain, that no other Truss possesses.
I would respectfully invite the attention of physicians, and those suffering from the disease, to this instrument. Particular attention given to the adaptation of these instruments.
I also keep Body Braces, Abdominal Supporters, Shoulder Braces, and all kinds of mechanical appliances for the cure of disease. DR. GEO. H. KEYSER, my12:d&w1m No. 140 Wood street.

But a short time has elapsed since these great and good medicines have been made known to the public, yet thousands have already experienced their good effects. Invalids given over by their physicians as incurable, have found relief and been restored to sound and vigorous health from their use. The great amount of good these medicines have done, has induced thousands to recommend them to their friends. Men of integrity and physicians have sanctioned their use, and recommend them to the public.

SHOCKING CASE OF SCROFULA CURED.
NEW YORK, December 6th, 1852. *Dr. G. W. Halsey*—Dear Sir:—I deem it but justice to you, as the inventor of a great medicine, to send you a short history of my own case. I am twenty-seven years of age. At thirteen I was attacked with scrofula, which formed pustules, and broke out in large ulcers on my neck, near the collar-bone, and from thence extended nearly up to the left ear. About six months since I commenced using your Forest Wine and Pills, (following the directions,) which, in nine weeks cured me. The scars, although now sound, bear testimony of the dreadful manner in which I was afflicted. After nearly fourteen years suffering, I now rejoice to say that my health is fully restored by your remedies, all others having proved quite ineffectual. Yours, very respectfully. SAMUEL BOEN.

CURE OF PALSY.
The following testimony, given us by Mr. Jothan P. Condit, of Orange, N. J., shows the extraordinary effects of this Wine and Pills, in Paralysis:
ORANGE, N. J., Feb. 14, 1853. *Dr. G. W. Halsey*—Dear Sir:—My wife had a stroke of the Palsy, so severe that her whole system was completely paralysed. She continued to grow weaker for nearly two years, losing nearly all use and sensibility of her body and limbs. We almost despaired of her recovery. At this time she began to take your medicines. Their good effects were soon experienced. She began gradually to improve in health, and in a few months recovered entirely. The extraordinary effects of your Wine and Pills, in curing my wife of a complaint we never expected her to get better of, induces me, as a duty I owe to yourself and the public, to send you this certificate. JOTHAN P. CONDIT.
I am acquainted with Mr. J. P. Condit, and know the above certificate to be true. J. P. HERDMAN, 23 Chambers street, New York.

READER! If you want not your constitution injured by that slow, lurking poison, *Calomel*, or other *mineral* substances, touch not such *Medicines* as contain them, or any uncertain Medicine whatever, but procure those excellent and *purely vegetable* preparations, Halsey's Forest Wine and Pills.
If you have the Dyspepsia, or are troubled with costiveness, take this Wine and the Pills, according to the directions, and you will then get well.
If you are nervous or weakly, or have an emaciated countenance, or general debility, this Wine and the Pills will restore you to health and energy.
If you have unhealthy colored skin, or pimples, or pustules, or blotches, these medicines will purify the blood and eradicate all such humors from the skin.
If you have a weakly constitution, and feel yourself too old for your years, take these excellent medicines, and they will invigorate your constitution and fortify it for longer life.
If you are Bilious, (which may be known by such symptoms as Drowsiness, Loss of Appetite, Dizziness, Furred Tongue, &c.,) take a good dose of the Forest Pills, and they will purge from the stomach and bowels all morbous and bilious matter, and thus prevent a fit of sickness, and save your doctor's bill of $10, $20, or $50.
If you have the Liver Complaint, the Forest Wine and Pills will cure it. These medicines exert a powerful and most salutary action on the Liver, and have been the means of curing thousands of this terrible disease.
PARENTS, there is not, perhaps, a month in the year that some one of your children or members of your family, do not complain of Headache or Dizziness, or Sickness at Stomach, or have furred tongues, or some other unfavorable symptoms. These are the forebodings of disorder, and sickness of some kind or other, soon follows; for such symptoms always show that bile or morbid matter exists in the stomach and bowels, or that the system is otherwise disordered. Timely use of the Forest Wine and Pills, will, in all cases, prevent sickness from such causes, and will purify the blood and produce strength and animation.
The Forest Medicines kept always at hand, to be taken whenever such symptoms are exhibited, will save your family almost entirely from sickness, as well as your doctor's bill, which frequently amounts to more in a week, than sufficient of these medicines to keep your family in good health for years.
LADIES, the Forest Wine is your medicine. This pleasant, agreeable, yet effective medicine, exactly suits your delicate constitutions. If you are weakly, or nervous, or in general ill health, this Wine will do more to restore you than all other medicines. In all cases where bile exists, or the bowels constipate, the Forest Pills also should be taken according to the directions.
MARINER AND TRAVELER, if you wish to guard yourself against sickness and dangerous diseases, which may jeopardize your life, provide yourself with the Forest Wine and Pills, before setting out on long voyages, that you may have them when required.
The FOREST WINE, in large square bottles, $1,00 per bottle, or six bottles for $5,00. Gum-coated Forest Pills, 25 cents per box.
