Pittsburgh, July 11, 1853.—(jy15:3tdaw)

PITTSBURGH BUILDING AND LOAN ASSOCIATION.—An adjourned meeting of the "Pittsburgh Building and Loan Association" was held on Tuesday evening, at Cargo's Hall. The meeting came to order by calling Dr. Robt. Wray to the Chair; Geo. E. M'Lain acting as Secretary.

Mr. M'Lain, chairman of the committee to prepare a Constitution, presented their report, which was read by the Secretary.

On motion, it was resolved, that the Constitution be read by sections and acted on by the meeting.

After about one half the Constitution had been read by the chairman of the committee and considerable remarks had been made by those present, and various alterations in the Constitution having been made, the Constitution was, on motion, adopted as amended.

A motion was made by Mr. M'Lain, that the Association proceed to the election of officers for the ensuing year; previous to which the subscription book was opened for signatures. The election resulted in the choice of the following named persons:

President.—Dr. Robert Wray.
Treasurer.—A. Wilkins.
Secretary.—George E. M'Lain.
Directors.—R. M'Lain, H. Reis, John S. Shaffer, Jasper E. Brady, Thomas M. Little and B. T. C. Morgan.

On motion, the thanks of the Association were tendered to Mr. Cargo for having kindly given the use of his Hall for the meeting gratuitously.

On motion, all the city papers friendly to the Association were requested to publish the proceedings of this meeting.

On motion, the Secretary was ordered to open the books for additional subscriptions at R. M'Lain's office, No. 21 Fifth street, and give notice thereof to the public through the daily papers.

On motion, adjourned to meet again at the call of the Board.
ROBERT WRAY, President.
GEORGE E. M'LAIN, Secretary.

The system of the organization and working of the Building Association is as follows:—

Any person may become a member of this Association by paying the sum of one dollar at the time of subscribing, and paying one dollar per month thereafter.

The amount of each month's income is to be loaned to the person, being a member of the Association, who bids the highest premium therefor, to be used for building or other purposes, he giving security for the same.

The number of shares of stock is limited to one thousand, and probably they will all be taken up within a week, as a considerable amount has already been received.

No individual can own more than twenty shares.

This is the first enterprise of the kind which has been attempted in this city, and it bids fair to work successfully. In the East, such Associations are quite common, and have been productive of immense advantage to all who have joined them, and especially to the mechanics, clerks, and working classes.

ARREST OF SUPPOSED COUNTERFEITERS.—Yesterday morning officer Hague arrested, on the Monongahela wharf, a short distance from the landing of the Brownsville boats, two men, on a charge of being counterfeiters. They were taken to the Mayor's office, where they gave their names as Perry Randolph and William Latta. In a carpet bag found on one of the prisoners when arrested, was found three thousand dollars of counterfeit money, purporting to be two's on the Bank of the Empire State, at Buston, Chatauque county, New York. Besides the counterfeit money, about eight hundred dollars in genuine bank bills was found in the possession of the parties.

The circumstances which caused the arrest of the two men, are as follows:—Some days ago one of them entered a saddler's shop in Brownsville, with a carpet bag, which he forgot to take with him on leaving. One of the hands in the shop opened the bag, and found in it a package containing $1,100 in counterfeit money. Search was made for the man, but he made his escape to this city.—Hague was apprised of the affair, and kept a sharp look out for him, but failed to find him till yesterday morning, when he made his appearance at the Brownsville landing, to meet a partner who had arrived by the morning boat. Both parties was seized by Hague, just as they met on the wharf, and taken to the watch house where they were locked up.

Mayor Riddle yesterday afternoon discharged Latta from custody, but held Randolph to bail, for his re-appearance.

OBSERVANCE OF THE SABBATH.—A meeting of the friends of the Sabbath was held in the lecture room of the Second Presbyterian Church, on Monday evening, July 25th, which was organized by calling the Hon. Gabriel Adams to the Chair, and appointing Wm. Crawford and R. M'Lain Secretaries. Delegates from many of the Protestant churches were present and answered to their names. The following resolution was adopted:

Resolved, That in the judgment of this Convention, it is the duty of omnibus owners to cease the running of their vehicles on the Sabbath day, and that a committee of five be appointed to address those owners on the subject, and that said committee report the result of their action at an adjourned meeting, to be held on Tuesday evening, August 2nd.

Although every person in the community well knows what the answer of the "omnibus owners" will be, yet, before saying anything in regard to the object proposed to be effected, we will wait the action of the meeting of the 2d of August.

ALLEGHENY VALLEY RAILROAD.—The Board of Directors of this road have been in session for several days, at their office in this city. The object of their meeting was to select a route to the New York line, from Kittanning. Four routes have been surveyed, and the distance by each, is as follows:

By the Cowanshannock route	190	miles.
" The Brookville route	115½	"
" The Clarion route	116½	"
" The Clarion route	113½	"

The Board yesterday adopted the Brookville route, to the State Line. The session excited a great deal of interest among the Stockholders and those interested in the road, and the Board was addressed by a number of the friends of the rival routes, pointing out the respective advantages of each.

COUNTERFEIT MONEY.—Within a week or two past, a large amount of skillfully executed counterfeit money has been placed in circulation in this city, and the neighboring towns. The counterfeit issues are principally on the State Stock Bank of Ohio; Pickaway County Bank, of Circleville, Ohio; Miami Valley Bank, of Dayton, Ohio; Buffalo City Bank, Buffalo, N. York; Westfield Bank, Westfield, Mass., Oneida Valley Bank, Oneida, New York; Hartford Bank, Hartford Connecticut; Lancaster Bank, of Lancaster, Pa.

Besides these counterfeits mentioned, attempts have been made, we are informed, to circulate a large amount of notes on broken banks, especially the notes of those exploded concern in Washington City.

TEMPERANCE MEETINGS.—A public meeting of the Sons of Temperance was held in Allegheny, on Tuesday night. The meeting was addressed by Mr. Nicholson, Grand Scribe of the Order in this State.

A meeting of the Allegheny Temperance League was held on Tuesday evening, in Rev. Rodgers' church. Addresses were delivered by Rev. Dr. Collier, and others.

A meeting was held last night, in the New Market House, Allegheny, which was addressed by Mr. Nicholson, and other gentlemen.

FREIGHT TRACK.—A freight track, on stanchions, has been completed from the main track, at the depot of the Ohio and Pennsylvania Railroad, into the freight depot. The track is two hundred feet long. A platform, accessible to drays, has also been constructed, on a level with the doors of the cars. This will prove a great benefit to the shipping public.

ASSAULT AND BATTERY AND ROBBERY.—Ald. Hartje, of Allegheny city, had before him a singular case yesterday. A man named Rudolph made an information charging his brother with assaulting him, and also with the robbery of a pocket book containing $10, which had fallen from his pocket during the scuffle. The case was happily settled, without going to Court, and the accused discharged from custody.

FALSE PRETENCES.—Leopold Tuteur, of the firm of A. Tuteur & Bro., made an information yesterday before Alderman Reinhart, accusing Thomas Bailey of obtaining goods under false pretences. The merchandize, amounting in value to near forty dollars, was obtained on the 18th of August, 1852. Bailey was arrested and held to bail.

DEATHS DURING THE WEEK.—The deaths in this city, from July 17th, to July 25th, amounted to thirty-five; an unusually large number. Of this number, fourteen were adults, and twenty children; fifteen males, and twenty females.

PASSENGERS.—During the week, which ended on Monday last, 8,196 passengers travelled on the Ohio and Pennsylvania Railroad, between this city and Crestline, and to the various way stations on the road.

DISCHARGED ON BAIL.—Hammer was discharged on bail yesterday. Surety to the amount of $1000 was given for his appearance at the next term of the Court.

COMMITTED.—Thimmel, the man who assaulted Squire Hageman, of Birmingham, has been committed to prison.

DISORDERLY.—A man named Young was fined $5 by the Mayor yesterday, for disorderly conduct.

COMMITMENTS.—There were four commitments yesterday for vagrancy and drunkenness.

PITTSBURGH, July 23, 1853.

MESSRS. EDITORS:—Having seen in the Pittsburgh Daily Morning Post, a communication from Mr. Wilson, jeweller, in opposition to the glasses sold by Mr. Solomons, in justice to Mr. S. I state that at various times I have procured three or four pairs of spectacles from Mr. Wilson, none of which have proved of the slightest benefit to me. I have also applied to other Jewelers in Cincinnati, Louisville, and New Orleans, and have failed to procure such glasses as would enable me to read conveniently. Since I have obtained spectacles from Mr. Solomons, I now read with great facility and entire satisfaction.

Scrofula.—It is due to KIER'S *Petroleum* to say that it has been known to completely eradicate every vestage of this dreadful disease in less time than any other remedy, and at less cost or inconvenience to the patient.

The thousands of certificates in the hands of the proprietor, many of which are from well known citizens of the city of Pittsburgh and its immediate vicinity, go to show clearly and beyond all doubt, that KIER'S PETROLEUM is a medicine of no common value, not only as a local remedy in *Paralysis, Rheumatism, Deafness, loss of Sight*, but as a valuable internal remedy, inviting the investigating physicians, as well as the suffering patient, to become acquainted with its merits.

Those having a dread of mixtures are assured that this medicine is purely natural, and is bottled as it flows from the bosom of the earth.

The following certificate is copied from a paper published at Syracuse, N. Y., and bears date August 2, 1852, to which is also appended the certificate of the celebrated D. Y. Foot, M. D., of Syracuse:

This may in truth certify, that I have been so badly afflicted with Scrofula for the last seven years that most of the time I have been unable to attend to any kind of business, and much of the time unable to walk and confined to my bed, and have been treated nearly all the time by the best Physicians our country affords; I occasionally got some relief, but no cure, and continued to grow worse until Dr. Foot recommended me to try the Petroleum, or Rock Oil, as everything else had failed. I did so without faith at first, but the effect was astonishing; it threw the poison to the surface at once, and I at once began to grow better, and by using seven bottles I have got a cure worth thousands of dollars.
MRS. NANCY M. BARKER.

This may certify that I have been acquainted with Kier's Petroleum, or Rock Oil, for more than a year, and have repeatedly witnessed its beneficial effects in the cure of indolent ulcers and other diseases for which it is recommended, and can with confidence recommend it to be a medicine worthy of attention, and can safely say that success has attended its use where other medicine had failed.

Attaining Favor Daily.
THERE is no Medicine so well adapted for all common diseases on plantations, as B. A. FAHNESTOCK'S VERMIFUGE. Read this testimony:—

From F. P. DUCONGE, Esq., New Orleans.
NEW ORLEANS, March 8, 1853.

Messrs. B. A. Fahnestock & Co.—Gentlemen: I am pleased to inform you that your Vermifuge continues to sell well in this city, and I find it gaining favor daily amongst our planters. Many of my customers, who were in the habit of using other medicines, are now *determined to use B. A. Fahnestock's Vermifuge only*, owing to its safety, as well as efficacy. In fact, I know of no Vermifuge sold in the city, which stands so high in the estimation of the public. Please send me fifty gross more of your VERMIFUGE, as I find my present stock getting very low.
Respectfully, F. P. DUCONGE.

FROM FORT INDEPENDENCE.
ST. LOUIS, July 27.

The Salt Lake mail reached Independence on the 25th, having met a good many trains, mostly bound for Salt Valley.

The Indians had troubled Smith's train at Thirty-two mile creek.

A party of Sioux Indians have taken possession of the ferry, on the North fork of the Platte river, but did not hold it long.

The La Platte was very high.

The railroad fever is getting high again.

CINCINNATI, July 27.

Six counterfeiters were arrested last night, six miles below the city. In their house were found $40,000 in counterfeit money, all on the State Bank of Ohio, except some five's on the Fairfield county Bank. Some bogus dies and numerous implements were also found, but no plates have as yet been discovered. Three of the parties arrested were penitentiary birds, and another, Quincy Hurschey, was a large sub-contractor on the Ohio and Mississippi Railroad. The whole party were examined to-day, and were committed for trial. The gang is supposed to be the most extensive and daring in the country.

The river continued to rise one inch an hour, and is now 9 feet in the channel.

NEW ORLEANS, July 25.

Mexican dates have been received up to the 16th instant. The papers there are discussing the Spanish protectorate.

The Jesuits are invited to return to Mexico, and Santa Anna is preparing to unite the Church and State.

The diligence running between Vera Cruz and Mexico has been robbed, and one passenger killed by the robbers. Fifteen of the latter have been arrested.

There has been a dreadful inundation, by which the towns of Jalisco, Hua and Iacar have been destroyed, and many lives lost.

LOUISVILLE, July 27.

The contest in the Ashland Congressional District is waxing warm, and bets are running high on both sides.

MEDICAL.

WILL YOU READ THE TRUTH?

A MEDICINE must have merit, and great merit, to stand the test of public opinion. No art of man can galvanize a worthless article, so as to keep it up as a good *Medicine*, if it be not *really* so.

A good medicine will live, become popular, and extend its sales year after year, in spite of opposition. The people readily find out its virtues, and the fame of them passes from mouth to mouth, with more rapidity than newspapers can spread it. A *living witness*, testifying to the cure a medicine has made for him, is of far more service than any newspaper advertising.

In proof of what we say above, we refer you to HAMPTON'S VEGETABLE TINCTURE, and its effects. Its praise is in the mouths of multitudes. The best men in our country give their testimony to its wonderful cures. Among them we name Hon. Henry Clay, Hon. Richard M. Johnston, Vice President of the United States, with hundreds of others. Capt. Thomas Canot—brother to the celebrated physician of the Emperor of France—was cured by it of a disease of seven years' standing, after the skill of all the Doctors of Europe and America had failed to cure.

In fact, the rich and the poor, young and old, in every place, in the city and country, find that the same success attends its use.

HAMPTON'S VEGETABLE TINCTURE is purely vegetable, and warranted free from all mineral substances. This Tincture, by its mild, pleasant and safe action on the stomach, liver, kidneys, lungs, and the nervous system, cures Dyspepsia, Liver Complaint, Diseases of the Urinary Organs, Coughs, Asthma, Bronchial Affections, Consumption, Scrofula, Kings' Evil, Worms, Rheumatism, Gout, Neuralgia, St. Vitus' Dance, Fits, Nervous Affections, generally, Fistula, Piles, Bowel Complaints, with all diseases arising from impure blood. As a remedy for the VARIOUS DERANGEMENTS of the FEMALE SYSTEM, it seems to have no superior.

From Hon. Jno. H. T. Jerome, Mayor of the City of Baltimore.
MAYOR'S OFFICE, Baltimore, August 23, 1852.

I take great pleasure in stating, that I have examined the names of those who have signed certificates, respecting "Hampton's Vegetable Tincture," and among them I recognize gentlemen of the first respectability—viz: Joseph R. Stapleton, William A. Schaeffer, G. Dunan, and others. I also cheerfully testify to the high standing of the house of Messrs. Mortimer & Mowbray, who, for the past twenty years, have enjoyed the confidence and esteem both of our merchants and citizens generally.
JNO. H. T. JEROME.

U. S. SHIP CUMBERLAND,
Genoa, Sardinia, January 17th, 1853.

Messrs. Mortimer & Mowbray: Gentlemen—The first lieutenant of the ship, who has been suffering many years from Dyspepsia, and who has been nearly restored to his usual health by the use of "Hampton's Vegetable Tincture," desires you to send him one dozen bottles of that Medicine.

Lieutenant —, of the U. S. N., now on board of this ship, also wishes you to send him one dozen of "Hampton's Vegetable Tincture," by the Store Ship, which leaves the United States in February or March, for Spezzia. The Tincture you sent me was received in good order, and I take pleasure in informing you that it has been used with *great success*, by several of our officers, in cases of Dyspepsia.
I am, respectfully, yours, VERNON ESKRIDGE,
Chaplain United States Navy.

BALDNESS POSITIVELY CURED!
C. S. EMERSON'S
AMERICAN HAIR RESTORATIVE
Is truly the wonder of the age. Perhaps no article ever offered to the public is received with greater favor than this, and persons Bald or becoming so have only to test the article to be fully satisfied. The Cleveland *Herald* of Tuesday evening, March 15, 1853, has the following with regard to it:

AMERICAN HAIR RESTORATIVE.—We rarely notice editorially any of the patent or copyright claimants for public favor, but with pleasure depart from our usual rule to speak of the article named above. We really believe it does all that its discoverer claims for it—restores hair to heads hopelessly bald. Several gentlemen of our acquaintance, in this city, are using it, and will willingly give testimony as to its efficacy.

CERTIFICATES.

John Hoffer, Woods' Brewery, cured of baldness of fourteen years' duration; James Guthrie, 131 Grant street, who was entirely bald; John Oberly, Tarentum; Captain B. B. Morris.

We invite particular attention to the following, selected from many cases in our possession:

Mrs. Alexander, aged 45, wife of William Alexander, who resides at No. 46 Pennsylvania Avenue, states that she has been bald for the last 20 years; the head, on both sides, was perfectly smooth and without any hair, when she commenced using the Restorative. She has now used a bottle and part of a bottle of Hair Restorative, and has used it regularly for the last six weeks. Her head is now perfectly covered with a thick crop of new hair, firm and strong, as any one can see by calling. Mrs. Alexander has no objections to the publication of these statements.

I am a brother of Mrs. Alexander, whose statement is written out above, and know personally that the statements made therein are correct. A. H. DAY,
Pittsburgh, Sept. 17, 1852. No. 95 Fourth street.

N. B.—Cases taken on written guarantee, if preferred, the price agreed upon by the parties, and the following form entered into:

ALLEGHENY COUNTY,
State of Pennsylvania.

I —— *bind myself by these presents*, to use C. S. EMERSON'S AMERICAN RESTORATIVE, according to directions on the bottle, for the space of six months, if necessary, and as soon as it produces a good, respectable growth of hair on my head, where it is now bald, I hereby bind myself, or my heirs, administrators or assigns, to pay to —— or order, the sum of ——, for value received.

But in case it fails to restore the hair, as above mentioned, then this instrument remains null and void; otherwise to remain in full force and virtue.

Given under my hand and seal this —— day of —— A. D. 185-.

But a short time has elapsed since these great and good medicines have been made known to the public, yet thousands have already experienced their good effects. Invalids given over by their physicians as incurable, have found relief and been restored to sound and vigorous health from their use. The great amount of good these medicines have done, has induced thousands to recommend them to their friends. Men of integrity and physicians have sanctioned their use, and recommend them to the public.

SHOCKING CASE OF SCROFULA CURED.
NEW YORK, December 6th, 1852.

Dr. G. W. Halsey—Dear Sir:—I deem it but justice to you, as the inventor of a great medicine, to send you a short history of my own case. I am twenty-seven years of age. At thirteen I was attacked with scrofula, which formed pustules, and broke out in large ulcers on my neck, near the collar bone, and from thence extended nearly up to the left ear. About six months since I commenced using your Forest Wine and Pills, (following the directions,) which, in nine weeks cured me. The ulcers, although now sound, bear testimony of the dreadful manner in which I was afflicted. After nearly fourteen years suffering, I now rejoice to say that my health is fully restored by your remedies, all others having proved ineffectual.
Yours, very respectfully. SAMUEL BOEN.

CURE OF PALSY.
The following testimony, given us by Mr. Jothan P. Condit, of Orange, N. J., shows the extraordinary effects of this Wine and Pills, in Paralysis:
ORANGE, N. J., Feb. 14, 1853.

Dr. G. W. Halsey—Dear Sir:—My wife had a stroke of the Palsy, so severe that her whole system was completely paralysed. She continued to grow weaker for nearly two years, losing nearly all use and sensibility of her body and limbs. We almost despaired of her recovery. At this time she began to take your medicines. Their good effect was soon experienced. She began gradually to improve in health, and in a few months recovered entirely. The extraordinary effects of your Wine and Pills, in curing my wife of a complaint we never expected her to get better of, induces me, as a duty I owe to yourself and the public, to send you this certificate. JOTHAN P. CONDIT.

I am acquainted with Mr. J. P. Condit, and know the above certificate to be true. J. P. HERDMAN,
23 Chambers street, New York.

READER! If you want not your constitution injured by that slow, lurking poison, *Calomel*, or other *mineral* substances, touch not such *Medicines* as contain them, or any uncertain Medicine whatever, but procure those excellent and *purely vegetable* preparations, Halsey's Forest Wine and Pills.

If you have the Dyspepsia, or are troubled with costiveness, take this Wine and the Pills, according to the directions, and you will then get well.

If you are nervous or weakly, or have an emaciated countenance, or general debility, this Wine and the Pills will restore you to health and energy.

If you have unhealthy colored skin, or pimples, or pustules, or blotches, these medicines will purify the blood and eradicate all such humors from the skin.

If you have a weakly constitution, and feel yourself too old for your years, take these excellent medicines, and they will invigorate your constitution and fortify it for longer life.

If you are Billous, (which may be known by such symptoms as Drowsiness, Loss of Appetite, Dizziness, Furred Tongue, &c.,) take a good dose of the Forest Pills, and they will purge from the stomach and bowels all morbous and bilious matter, and thus prevent a fit of sickness, and save your doctor's bill of $10, $20, or $50.

If you have the Liver Complaint, the Forest Wine and Pills will cure it. These medicines exert a powerful and most salutary action on the Liver, and have been the means of curing thousands of this terrible disease.

PARENTS, there is not, perhaps, a month in the year that some one of your children or members of your family, do not complain of Headache or Dizziness, or Sickness at Stomach, or have furred tongues, or some other unfavorable symptoms. These are the forebodings of disorder, and sickness, of some kind or other, soon follows; for such symptoms always show that bile or morbid matter exists in the stomach and bowels, or that the system is otherwise disordered. Timely use of the Forest Wine and Pills, will, in all cases, prevent sickness from such causes, and will purify the blood and produce strength and animation.

The Forest Medicines kept always at hand, to be taken whenever such symptoms are exhibited, will save your family almost entirely from sickness, as well as your doctor's bill, which frequently amounts to more in a week, than sufficient of these medicines to keep your family in good health for years.

LADIES, the Forest Wine is your medicine. This pleasant, agreeable, yet effective medicine, exactly suits your delicate constitutions. If you are weakly, or nervous, or general ill health, this Wine will do more to cure you than all other medicines. In all cases where bile exists, or the bowels constipate, the Forest Pills also should be taken according to the directions.

MARINER AND TRAVELER, if you wish to guard yourself against sickness and dangerous diseases, which may jeopardize your life, provide yourself with the Forest Wine and Pills, before setting out on long voyages, that you may have them when required.

The FOREST WINE, in large square bottles, $1,00 per bottle, or six bottles for $5,00. Gum-coated Forest Pills, 25 cents per box.
