PURIFY THE BLOOD.

MOFFAT'S
VEGETABLE LIFE PILLS
AND
PHOENIX BITTERS.

The high and envied celebrity which these pre-eminent medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of Asthma, Acute and Chronic Rheumatism, Affections of the Bladder and Kidneys, Bilious Fever and Liver Complaints.—In the south and west, where these diseases prevail they will be found invaluable. Planters, Farmers, and others, who once use these medicines will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, Erysipelas, Flatulency, Fever and Ague. For this scourge of the western country these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent.—Try them, be satisfied, and be cured.

Mercurial Diseases.—Never fails to eradicate entirely all the effects of mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

Night sweats, Nervous Debility, Nervous Complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholic.

Piles.—The original proprietor of these medicines was cured of Piles of 35 years standing by the use of these Life medicines alone. Worms of all kinds, are effectually cured by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

THE LIFE PILLS AND PHOENIX BITTERS

Purify the blood, and thus remove all disease from the system. A single trial will place the Life Pills and Phoenix Bitters beyond the reach of competition in the estimation of every patient.

Bring on your hoes, your spades and picks,
Your log-chains and your pulling sticks,
Your sleds, your sleighs, your horse, your mare,
No three-year old shall then go bare.

Your spears will work up then just right,
To prooning hooks for every height,
Your swords too, shall then be wrought.
To ploughshares such as *Cain* ne'er bought.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed to health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

Dear Bro. Ayer: I cannot answer you *what* complaints I have *cured* with your Pills better than to say *all that we ever treat with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Pittsburg, Pa., May 1, 1855.

Dr. J. C. Ayer. Sir: I have been repeatedly cured of the worst *headache* any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Department of the Interior,
Washington, D. C., 7th Feb., 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

Warsaw, Wyoming Co., N. Y., Oct. 24, 1855.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.*

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural *secretion* when wholly or partially suppressed, and also very effectual to *cleanse the stomach and expel worms.* They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawker, of the Methodist Episc. Church.

Pulaski House, Savannah, Ga., Jan. 6, 1856.

Honored Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating *neuralgic pains,* which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

Senate Chamber, Baton Rouge, La., 5 Dec. 1855.

Dr. Ayer: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that had afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

☞ Sold by C. D. Watson, Clearfield; E. A. Irwin, Curwensville; F. Arnold, Luthersburg; Montgomery & Co., New Salem; J. C. Brenner, Morrisdale, C. R. Foster, Philipsburg; and Eliza Chase, Ansonville; and by dealers everywhere.

A NOVELTY IN THE ART OF PHOTOGRAPHY UPON PORCELAIN, Secured by letters patent in the United States, England, France and Belgium.

The American Photographic Porcelain Company, No. 781 Broadway, New York, have secured their novel and ingenious invention, American and European patents, are fully prepared to execute all orders for

Miniature Likenesses of Persons on China, presenting all the attractive and advantageous features of ordinary photographs, the brilliancy and finish of a water-color drawing, and a degree unattained quality of durability, by being rendered as imperishable as the natural properties of the articles upon which they are conferred.

As the patented process of the Company enables the reproduction of photographs, not on plain surfaces, but upon such as are curved of any degree of irregularity, portraits can be produced with faultless accuracy and delicate delineation, upon Porcelain wares of any description and dimension used as articles of luxury of household utility, such as Urns, Vases, Breakfast Cups, Toilet Articles, &c.; thereby securing faithful portraits and furnishing a unique and exquisite style of ornamentation of articles of domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wishes of those patrons of the fine arts desirous of having portraits on Porcelain, the Company have imported from Europe a collection of such porcelain goods, manufactured to their own order, which they will sell at cost prices.

As the American Company are owners of the patent right, and consequently the only parties authorized to use the process, they have determined, in order to afford people in every section of the Union an opportunity to possess pictures on China, to make the following proposition: Any residents in the country, who are unable to visit personally the Atelier and Galleries in New York:

Persons sending a photograph, ambrotype or daguerreotype to the office of the Company, No. 781 Broadway, New York, accompanied by $5, will receive return by express, free of charge, a richly ornamented Breakfast Cup and Saucer, with the portrait transferred thereon.

By transmitting a daguerreotype and $10 they will receive in like manner a handsome Urn, Vase or Toilet Article, with the portrait reproduced by the patented process.

By sending a pair of daguerreotypes and $20 they will receive in return a pair of richly gilded Vases, with the portraits executed equal to miniature paintings; and, in like manner, portraits can be reproduced on porcelain wares of any of every quality of finish, ranging in price from $20 to $100 the pair.
