Is your Life Insured?

IF NOT, read what some one has written. Among all the contrivances of man to protect the family circle from want, none can be found more simple in its feature, or certain in its results, than LIFE INSURANCE. It is the prop which the dying husband leaves to support the wife of his bosom.

It is the unseen hand of the Provident father reaching forth from the grave, and still nourishing his offspring, and keeping together the family group.

MISCELLANEOUS.

A PROCLAMATION.

WHEREAS, by an Act of Assembly, in amendment of the License Laws, approved the fourteenth day of April, A. D. 1851, the sale of Spirituous, Vinous and Malt Liquors, on Sunday, is FORBIDDEN within the limits of Allegheny County, under the penalty of Fifty Dollars for each offence, to be imposed by summary conviction, and in default thereof, is punishable by imprisonment in the County Jail;

And, Whereas, by a recent decision of the Supreme Court, promulgated at Pittsburgh, the principle is laid down which sweeps away all doubt as to the constitutionality of this law;

And, Whereas, much of the crime and disorder which have stained the annals of this city, is referable to the common and notorious practice which it is the purpose of this law to arrest;

And, Whereas, an uniform and inflexible enforcement of this law must powerfully contribute to the preservation of order, and the elevation of the public morals, and by permitting no one vender or class of venders to ply their trade on SUNDAY, can work injustice to no one;

And, Whereas, by virtue of my office, and in consideration of my official oath, it is my special duty to look to the enforcement of this law, I have issued this, my Proclamation to that end.

And, I hereby call upon all tavern-keepers, keepers of coffee-houses, restaurants and eating-houses, or by whatsoever other names the places may be known, where liquors are or have been sold or dispensed, to submit themselves to the law as good citizens, and refrain from the sale of liquors on Sunday; and I warn them that every infraction of this law which may be detected, will be punished with the utmost rigor, and the extreme penalties of its provisions enforced without distinction of persons or conditions.

And, in aid of my settled determination to compel an universal obedience of this law, I shall require every member of the Day Police, every member of the Night Police, and every Special Officer, who may be subject to my commands, to report to me on pain of instant dismissal or suspension, every infraction of this law that shall fall under his observation, or otherwise come to his knowledge.

And as submission to wholesome laws is honorable to all men as their violation is disgraceful, I earnestly invoke the assistance of good citizens in my efforts to enforce this law. And that they may more effectually render such assistance, I pray them to dismiss that most mistaken repugnance to becoming informers, which often restrains the law-abiding from affirming their own patriotism by voluntary contribution of information and aid to officers of the law, who in the simplicity of our republican institutions are necessarily weak in numbers, and dependent for efficiency upon popular countenance and co-operation.

Relying upon such aid, and pledging myself and officers to an energetic, vigilant, and sustained effort to enforce this law, and punish every infraction of its provisions, I once more call upon all venders of spirituous, vinous, and malt liquors, to refrain from the sale thereof on Sundays within the City of Pittsburgh.

Witness my hand this 11th day of October, A. D. 1853.

DR. DE LANEY'S CELEBRATED CURATIVE INSTRUMENT,

The only Infallible Cure for that Dreadful Disease known as SPERMATORRHEA OR INVOLUNTARY NOCTURNAL EMISSIONS, so harrassing and destructive, and producing of so much mischief to the nervous system, incapacitating the man for business, society and matrimony.

This Instrument is simple, comprehensive and never failing, and may be used without the slightest inconvenience or the knowledge of the most intimate friend. It is to be used externally, producing no pain or injury whatever, nor preventing any one from attending to his business; and while in use not a single emission can take place, invigorating the organs, in a short time, to such an extent that they REGAIN THEIR PRIMITIVE POWER OF RETENTION, the loss of which, caused by early abuse, is the disease in question, and the cause of the thousand concomitant complaints—viz: Nervousness, Prostration, Dyspepsia, Pain in the Head and Dimness of Vision, Weakness of the Back and Lower Extremities, Affections of the Eyes, Impotence, Pimples on the Face, Premature Decline of Virility, Weakness of Memory and Power for Mental Application, Dejection, Aversion to Society, Timidity, Self-Distrust, Love of Solitude, &c. All these complaints invariably disappear, as soon as the source is stopped from which they emanated.

It is to be remembered, that these complaints are but little understood by the profession in general, and that all the medicine in the world never has, and never will, stop those losses, which, if allowed to continue unchecked, are sure to produce the most distressing consequences.

The price of the complete instrument, carefully secured against all observation in a box, is only $10. It can be sent by express to any address, in any part of the United States, Canada, &c., accompanied by full directions, and important advice to the married and single, the expenses, even to the remotest parts of the country, being very trifling.

All applications and remittances must be directed (post-paid) to the Doctor himself, he having no Agencies established but in London and Paris.

Address, (post-paid) Dr. E. De Laney, 51 Lispenard street, New York.

Office hours, daily, from 9 A. M. till 3 P. M., and from 7 till 8 P. M., the Sabbath excepted.

The undersigned certify, with great pleasure, that the above mentioned Instrument is not only constructed on scientific principles, but that from its use the happiest results may always, with confidence, be anticipated, there being, for the cure of those diseases, no other certain remedy existing.

I. T. GOLDBERGER'S Galvano-Electric and Anti-Rheumatic Chains.

AFTER a very minute examination of the Galvano Electric and Anti-Rheumatic Chains of I. T. Goldberger, from Berlin, in Europe, in comparison with all other counterfeit articles of the kind manufactured in this country, the undersigned has discovered that Goldberger's Galvano Electric Chain, by virtue of their simple and scientifically based principles of construction, surpasses all others which have become known to the undersigned, in their beneficial effect on the human system, and differ very essentially in their great power, such apparatuses; and after using them with great success, I can conscientiously recommend them to everybody, especially to those afflicted with Nervous or Rheumatic Diseases. C. PARKER, M. D., And Professor of the Chemistries.

New York, January 19, 1853.

This is to certify that my wife has been afflicted for over a year with Neuralgia in the face and head, and Rheumatic pains in the shoulders and limbs; that after having tried many remedies and medical treatment, without her finding relief, I purchased one of Goldberger's Rheumatic Chains. She has now worn the Chains for one week, and all the pains have entirely left her. J. W. LUHN, Fifth st. bet. Syc. opp. Denison House. Cincinnati, March 31st, 1853.

The public are respectfully requested to understand that the above is no patent medicine, but a mechanical invention. As the healing principle is based on the laws of nature, consequently it is no humbug.

All Rheumatic and Nervous Pains, such as pains in the Face, Neck, or Hip, Tooth ache, Ear ache, pains in the Breast or Back, Lameness, Palpitation of the Heart, etc., will be stopped in a few hours, in most cases will be cured without fail, by using this apparatus.

The Genuine "GALVANO-ELECTRIC CHAINS" can ONLY be obtained of J. W. NEEB, Corner of Liberty and St. Clair sts. Above Braun & Reiter's Drug Store.

Where all orders must be addressed. Price of Chains, with directions for using the same—small size, $1,50; large size, $2,50; and the largest kinds for chronic diseases, $5.

Orders by mail or express, accompanied with the money, will meet with prompt attention. C. F. PRITCHIE, General Agent of the United States. Boston, May 7, 1853.—[aug13:3m-d+w]

ELLEN DEVERE—THE GREAT WORK COMPLETE.—Ellen Devere; or, The Way of the Will—by the author of "Amy Lawrence," "Stanfield Hall," "Gus Howard," "Minnie Gray," &c. Beautifully Illustrated.

This is another new novel of the gifted author of "Gus Howard," and surpasses, in point of ingenuity of intrigue and skillful combination, any of this writer's former efforts. It has had immense success in London, where it has run through one of the weekly journals of that city, the circulation of which has been increased many thousands by its great popularity. Whoever has admired the deep interest and dramatic descriptions in "Stanfield Hall," and "Amy Lawrence," must certainly pronounce Harry Ashton to be equally felicitous and effective in these points. The author, without in the least imitating, has strongly reminded us of the wit, gallantry and adventurous spirit so conspicuous in Lever's works; and the work is destined to have a good call.

B. A. FAHNESTOCK'S VERMIFUGE USED AT THE LAST MOMENT WITH SUCCESS.

WASHINGTON COUNTY, PA., Nov. 7, 1852.

A neighbor of mine had a child that was very sick, and the physician attending it exerted all his skill for its relief, but without avail. They sent to Canonsburg for Dr. L., who came over to our place, and upon an examination of the case, approved of all that the attending physician had done, but could do nothing more for it. The child was given up. Dr. L. then said that there could be no risk in trying Fahnestock's Vermifuge, and thought they had better get some. They sent to my store, and procured some. After administering the first bottle, according to the printed directions, the child passed a few worms. They then gave it about half of another bottle, when it passed between TWO AND THREE HUNDRED WORMS, and immediately commenced improving, and was completely restored to health. SAMUEL BARNETT.

EXCELSIOR FAMILY STARCH, WARRANTED CHEAPER, AND SUPERIOR TO ANY OTHER STARCH, For Family Purposes.

BEING entirely free from all specks, this article may be used with the utmost confidence, in preparing the finest muslins and linens. The ingredients with which this Starch is made, renders wholly unnecessary the use of starch polish or spermaceti, as it produces a fine polish without gumming up or injuring the fabric, which is inevitably the case from the constant use of oil matter. Two-thirds of the quantity of this Starch will answer a better purpose than the Starch usually sold.
