JOSEPH LIPPINCOTT, WM. B. CARR. LIPPINCOTT & BARR, (LATE J. S. FISCHER & CO.) MANUFACTURERS OF FISCHER'S FIRE PROOF SAFES, Second Street, between Wood and Smithfield—On Tuesday afternoon, July 26, 1853, the undersigned were called upon by Messrs. Lippincott & Barr, to witness an hour and fair test of one of their Phœnix Safes. The furnace being prepared, the Safe was placed inside thereof with books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The fuse was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof. JARVIS & TRASK, NICK & BAWSON, CORNWALL & BROTHER, BRANNON & THATCHER, HERSHEIMER & CARTER, ISAAC CHOMIE.

I am engaged in the foundry business, and know something about furnaces and heat. I witnessed the burning of the above Safe, and can freely say there was no humbug about it, and with pleasure recommend them to the public as being, in my judgment, entirely fire proof. WM. KAYE.

In calling upon the above gentlemen for their signatures, they all spoke in the highest terms of the fairness of the test, and their full confidence of the Safe's being entirely fire proof. We have constantly on hand and for sale a full assortment of the above safes. (mar31 BELL & TERRY

The Hallowes Clipper Bark INCA, 600 TONS BURTHEN, Having made two successful voyages from China, each in the very short period of 101 days, has thoroughly established her reputation for fast sailing, and will be dispatched for MELBOURNE, AUSTRALIA, About the 25th of August. The Ships of the Pioneer Line have made remarkably quick and healthy voyages; losing only one passenger among 950 that sailed in the first five ships, whereas it appears from the report of the Emigration Commissioners that the mortality on board English ships to Australia has equalled 4.00 per cent. This very gratifying result shows that no care and expense have been spared in providing, ventilating, and provisioning the ships of the Pioneer Line. The INCA will only carry a limited number of passengers, at as moderate rates as are consistent with justice to passengers and owners. For freight or passage, apply on board, at Pier 12, E.
