THE CONSTITUTIONAL UNION.

NEW PROSPECTUS.

The Largest and Cheapest Weekly in the State.

INDUCEMENTS TO CLUBS.

A New and Powerfully Written Political Story.

NOW IS THE TIME TO SUBSCRIBE.

THE overwhelming evidence of the determination of the people to rescue the Government from the desperate and reckless purposes of Abolitionism, that have so nearly wrecked our once glorious Union and destroyed all Constitutional guarantees, indicate an immediate future full of events of the most momentous interest. Centralization, Terrorism, and Robbery, will not submit to dethronement without a struggle. The contest, therefore, has but just begun; and for the year to come, the action of Congresses, Cabinets, and Legislatures, will be regarded with scarcely less interest than the movements of opposing armies in the field. The object of the war will be made again what it was before Abolition fanaticism perverted it—simply to crush the rebellion and restore the Federal authority. There will also at the same time be in progress the great Battle of the People with the minions of Despotism, and in this battle the Press, no longer shackled, no longer threatened with Abolition mobs and frowning bastiles, will take a ready and conspicuous part.

It is one of the best results of the recent elections that their positive rebuke of the gross and manifest abuse of power by the Administration, has given the people the privilege of light and free discussion—privileges that will not again be tamely yielded. These changed circumstances will bring the acts of even the Highest in the Government to the tribunal of public opinion, and the Press will again become the medium of the free thoughts of the people, and the fearless advocate of Constitutional Government and Constitutional Liberty.

The Proprietors of the CONSTITUTIONAL UNION, in issuing their new prospectus, see before them a field of enlarged usefulness, and it is their purpose to spare no effort to make their paper of unequal acceptability as a medium of intelligence, and a record of events that must absorb public thought. It will contain full summaries of the proceedings of Congress and the State Legislature, full accounts of the movements of the army, foreign and domestic news, literary intelligence, commercial, agricultural news, &c., &c.

In consequence of the enormous advance in the price of paper, amounting in three months to nearly fifty per cent, the Proprietors have found it necessary to advance the price of the paper to Clubs to $1.50 per annum; but even at this price, we afford more reading for the same money than any other paper printed in the State. The advance will go into effect at once.

Among other attractions in contemplation, we shall commence, in the first number in January, a new and powerfully written Political Story, founded on the events immediately preceding the Rebellion.

We solicit the aid of our Democratic friends in the interior in raising and forwarding Clubs.

The Best Work for Canvassing Agents.

HARPER'S PICTORIAL HISTORY OF THE GREAT REBELLION IN THE UNITED STATES.

MESSRS HARPER & BROTHERS have commenced the issue in Numbers of a complete History of the Great Rebellion in the United States. The work has been for many months in course of preparation, by a writer every way qualified for the task.

The INTRODUCTION contains a clear and concise account of the formation of the Confederacy of the States; the formation and adoption of the Constitution of the United States, and the establishment of the National Government; the origin, development and progress of the doctrines of Nullification and Secession, and the various phases which they assumed until their final culmination in the *Great Rebellion*.

The HISTORY comprises a full account, drawn from the most authentic sources, of all the Events of the War; the intrigues of the Southern leaders at home and abroad; the gradual defection of one section; the great Uprising of the People for the maintenance of National Life and Existence; the rapid creation of an immense Army and Navy and the Battles by land and sea.

The ILLUSTRATIONS comprise Portraits of all those who have borne a prominent part in the struggle; Maps of the different localities; Plans of the leading actions; Views of every scene of interest, and of the most important Battles. These Illustrations are mostly from drawings taken on the spot by artists deputed for that purpose to accompany every division of our Army and Navy.

Every facility at the command of the publishers has been employed in the preparation and execution of this work; and they confidently believe that it will form the most trustworthy and valuable history which can be prepared of the Great Struggle for the American Union.

Mode and Terms of Publication.

The work will be issued in Numbers, each consisting of Twenty-four Pages of the size of "*Harper's Weekly*," printed from clear type, upon fine paper, and will probably be completed in about Twenty Numbers.

The numbers will be issued at intervals, if possible, of about three or four weeks.

The Price of each Number, which contains matter equivalent to an ordinary volume, will be Twenty-five Cents.

The Illustrations in each Number are alone worth the price asked. Men out of employment, especially

SICK OR DISABLED SOLDIERS,

can find no other work so sure of ready sale and good profits.

SHAVING AND HAIR-DRESSING.

Not by the Barber Graham's Race.

The question has often been asked
Why PLEASANTS can shave so clean?
That customers who shave with him
A benefit must reap, I ween.

He shaves for a "cent," and if you are willing,
Will take off your hair in a trice for a "SHILLING."
So come along, ye jolly boys so slick,
For Pleasants is the man to do it cheap and quick.

The reason may readily be seen
Why his custom is so large:
His towels all are clean—his razors all are keen
And you'll always find him *Pleasant* in—a charge

Just go to Pleasant's and you'll be
Like Sheba's Queen of old:
Pleased and delighted, and exclaim
The half has not been told.

Don't forget the place—in Graham's Row, above B. Stumph's shoe shop.

TREASURY OF THE INTERIOR,
WASHINGTON, D. C., 7 Feb., 1861.

SIR: I have used your Pills in my general and family practice ever since you made them, and I continue to say they are the best cathartic we employ. They combine action on the liver in a quick and decided manner, and they are an adequate remedy for derangement of that organ. Indeed, I have seldom found a case of bilious disorder in which they did not readily yield to them.

Fraternally yours, ALONZO HALL, M. D.
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

PORTLAND, MAINE, Oct. 6th, 1861.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can express. She had been sick and pining away for months, and could find no relief. She got so low she could not be moved at great expense, but got so better when she commenced taking your Pills, which soon cured her by expelling large quantities of worms, dead in a body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had been sick with the dysentery for months, and we thought he must die. My wife cured him with two doses of your Pills. The others around us paid from five to twenty dollars bills, and lost much time, without being cured, even then. Such a medicine as yours, which is so good and honest, will be valued here.

Indigestion and Impurity of the Blood.

From Rev. J. V. Hinch, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. They regulate the system of congestion and pain of the head they are the very best remedy I have ever known, and I can conscientiously recommend them to my friends. Yours, J. V. HINCH.

WARSAW, WYOMING CO., N. Y., Oct. 21, 1859.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the blood. Yours, &c.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Prominent Merchant of St. Louis, Mo.

DR. AYER: Your Pills are the lightning of the skies, the great in medicine. They have cured my daughter of a disease supposed to be incurable for years. Her physicians say they believe it saved her life. My family is affected with blotches and eruptions, and we find no relief but in your Pills. After our child was cured we gave them to our friends, and they have cured them.

A. M. MCDONALD.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Dowling of the Methodist Episcopal Church.

PULASKI HOUSE, SAVANNAH, GA., March 1855.

HONORED SIR: I should be ungrateful for the great relief your skill has brought me if I did not express my sense of it. A cold settled in my limbs and brought on excruciating neuralgic pains, which entirely crippled me. Notwithstanding I had the best of physicians the disease grew worse and worse until, by the advice of friends, I went to Baltimore, Dr. Mackenzie. I tried vainly. Their efforts were also lost sore. By perseering in use of them, I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease from which I suffered for years. VALENTINE WHITE.

For Dropsy, Plethora, or Kindred Complaints, requiring an active purge they are the best remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and efficacious.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the skillful use of these Pills.

Most of the Pills in market consist largely of Mercury, which though a valuable remedy in skilful hands, is dangerous in a public pill from the doubtful and uncertain manner in which it acts upon the system. These compounds do not contain any Mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town and almost every hamlet in America, its wonderful cures are known, and the fame of its unrivalled excellence in the cure of pulmonary complaints is spread over the land. Its long career of unbroken success, its many marvellous cures, and its unquestionable power over the most dangerous diseases of the chest, entitle it to the confidence and hope of the afflicted. Even those who have tried it long ago, and been cured when other remedies failed, are again its grateful friends, and are its most powerful advocates. We have abundant evidence that many who have been given over by their physicians, and who had long been incurable invalids, have been restored to health by this medicine. We have also the strongest evidence that many who have been cured of Consumption by the use of this medicine, have since been exposed to the influence of the disease in families, but have escaped, while others in the same house have fallen victims to the disease. This fact, we think, is the best evidence that this preparation does protect the system from the fatal influence of Consumption. We do not claim that it will cure Consumption in all its stages, but we do claim that it will cure the disease in its early stages, and that it will so control it in its later stages as to allow the patient to live many years, and that it will so control the disease in many cases that it will not be the cause of their death. All know the dreadful character of lung diseases, and all know the danger of using any thing that promises relief. We believe we can safely say that the history of this remedy is such as to warrant the confidence of the sick in its use. We believe we can, so rare, so full of virtue, so sure, so perfect a remedy, and thus afford those who are in the last stage of consumption the best and most reasonable hope of life. We believe it is the best agent which our skillful physicians have to offer for the cure of Pulmonary Complaints.
