The Best Work for Canvassing Agents

HARPER'S PICTORAL HISTORY OF THE GREAT REBELLION IN THE UNITED STATES.

MESSRS. HARPER & BROTHERS have commenced the issue in Numbers of a complete History of the Great Rebellion in the United States. The work has been for many months in course of preparation, by a writer every way qualified for the task.

The INTRODUCTION contains a clear and succinct account of the formation of the Confederacy of the States; the formation and adoption of the Constitution of the United States, and the establishment of the National Government; the origin, development and progress of the doctrines of Nullification and Secession, and the various phases which they assumed until their final culmination in the *Great Rebellion*.

The HISTORY comprises a full account, drawn from the most authentic sources, of all the Events of the War; the intrigues of the Southern leaders at home and abroad; the gradual defection of one section; the great Uprising of the People for the maintenance of National Life and Existence; the rapid creation of an immense Army and Navy and the Battles by land and sea.

The ILLUSTRATIONS comprise Portraits of all those who have borne a prominent part in the struggle; Maps of the different localities; Plans of the leading actions; Views of every scene of interest, and of the most important Battles. These Illustrations are mostly from drawings taken on the spot by artists depcted for that purpose to accompany every division of our Army and Navy.

Every facility at the command of the publishers has been employed in the preparation and execution of this work; and they confidently believe that it will form the most trustworthy and valuable history which can be prepared of the Great Struggle for the American Union.

Mode and Terms of Publication.

The work will be issued in Numbers, each consisting of Twenty-four Pages of the size of "*Harper's Weekly*," printed from clear type, upon fine paper, and will probably be completed in about Twenty Numbers.

The numbers will be issued at intervals, if possible, of about three or four weeks.

The Price of each Number, which contains matter equivalent to an ordinary volume, will be Twenty-five Cents.

The Illustrations in each Number are alone worth the price asked. Men out of employment, especially

SICK OR DISABLED SOLDIERS,

can find no other work so sure of ready sale and good profits.

PROSPECTUS OF "THE AGE."

A National Democratic Newspaper.

To be published Daily and Weekly in the City of Philadelphia, by

A. J. GLOSSBRENNER & CO.

A. J. GLOSSBRENNER—P. J. GROND—W. H. WELSH.

"THE AGE" will advocate the principles and policy of the Democratic party, and will, therefore necessarily favor the restoration of the Union as it was, and defend the Constitution of the United States, and that of this Commonwealth.

It will freely and fairly discuss all legitimate subjects of newspaper comment, including, of course, and pre-eminently at this time, all questions connected with the existing unhappy condition of our country.

It will fearlessly criticise the public acts of public servants, and defend the legal and constitutional rights of individual citizens and of sovereign States, against assaults from any quarter.

It will seek to awaken the minds of the people to a proper sense of the actual condition of the Republic—to present to them, truthfully, the fearful perils in which we stand as a nation—to exhibit the magnitude of the task that is before them, if they would check our downward progress—and to inspire them with patriotic determination to apply THE REMEDY for our national ills.

In brief, it will, in all things, aim to be the faithful exponent of Democratic principles, and to render itself worthy to be an organ of the Democratic party, under whose auspices our country prospered so long and so well. The restoration of that party—the party of the Constitution and the Union—to power, in the legislative and executive governmental branches of the States and of the Union, we believe to be necessary to avert anarchy, and the utter ruin of the Republic. To contribute to that restoration will be our highest aim.

The News, Literary, Commercial, and othe departments, will receive due attention, and will be so conducted as to make "THE AGE" worthy of the support of the general reader.

☞ The many difficulties now surrounding an enterprise of the magnitudb of that in which the undersigned are engaged, require them to appeal to the public for a generous support, and to ask for "THE AGE" a liberal patronage and extended circulation.

The present state of the preparatory arrangements warrants the expectation, that the first number of the Daily will appear before the close of the present month, (February, 1863.) The Weekly will be issued soon thereafter.
