You will have all the virtues of *Hoofland's Bitters* in connection with a *good* article of Liquor, at a much less price than those inferior preparations will cost you.

Those suffering from Broken Down and Delicate Constitutions, from whatever cause, either in Male or Female, will find in Hoofland's German Bitters, a Remedy that will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

Remember that these Bitters are NOT Alcoholic, and NOT intended as a Beverage.

The proprietors have thousands of Letters from the most eminent Clergymen, Lawyers, Physicians and Citizens, Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.
Philadelphia, June 23, 1861.

Diseases of Kidneys and Bladder, in Young or Aged, Male or Female, are speedily removed, and speedily restored to health.

Delicate Children—those suffering from Marasmus, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.

Parents having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

Literary men, Students, and those working hard with their brains, should always keep a bottle of Hoofland's Bitters near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

It is not a Liquor stimulant, and leaves no prostration.

ATTENTION, SOLDIERS,
And the friends of Soldiers.

We call the attention of all having relations or friends in the army to the fact that "Hoofland's German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.

BEWARE OF COUNTERFEITS!

PROSPECTUS
OF
"THE AGE."
A National Democratic Newspaper.
To be published Daily and Weekly in the City of Philadelphia, by
A. J. GLOSSBRENNER & CO.
A. J. GLOSSBRENNER—P. J. GRUND—W. H. WELSH

"THE AGE" will advocate the principles and policy of the Democratic party, and will, therefore necessarily favor the restoration of the Union as it was, and defend the Constitution of the United States, and that of this Commonwealth.

It will freely and fairly discuss all legitimate subjects of newspaper comment, including, of course, and pre-eminently at this time, all questions connected with the existing unhappy condition of our country.

It will fearlessly criticise the public acts of public servants, and defend the legal and constitutional rights of individual citizens and of sovereign States, against assaults from any quarter.

It will seek to awaken the minds of the people to a proper sense of the actual condition of the Republic—to present to them, truthfully, the fearful perils in which we stand as a nation—to exhibit the magnitude of the task that is before them, if they would check our downward progress—and to inspire them with patriotic determination to apply THE REMEDY for our national ills.

In brief, it will, in all things, aim to be the faithful exponent of Democratic principles, and to render itself worthy to be an organ of the Democratic party, under whose auspices our country prospered so long and so well. The restoration of that party—the party of the CONSTITUTION and the UNION—to power, in the legislative and executive governmental branches of the States and of the Union, we believe to be necessary to avert anarchy, and the utter ruin of the Republic. To contribute to that restoration will be our highest aim.

The News, Literary, Commercial, and othe departments, will receive due attention, and will be so conducted as to make "THE AGE" worthy of the support of the general reader.

The many difficulties now surrounding an enterprise of the magnitude of that in which the undersigned are engaged, require them to appeal to the public for a generous support, and to ask for "THE AGE" a liberal patronage and extended circulation.

The present state of the preparatory arrangements warrants the expectation, that the first number of the Daily will appear before the close of the present month, (February, 1863.) The Weekly will be issued soon thereafter.

But now we have the above Glorious soul-stirring news to cheer us up; and the only draw-back to our joy and glorification is the imminent danger of the Contrabands coming North to "eat out our substance," and to wear out our shoes! But of one thing the people of Clearfield county may be assured, and that is, that FRANK SHORT—for short called *Short-ee*—is selling **Boots & shoes** as cheap as any other man in the county; and if you don't believe it, just give him a call on court-week, or at any other time, and see for yourselves. He would just remind the public that his shop is now on Market street, in Shaw's Row—where you will find him just as *Short* as usual—if not a little *shorter*—of Cash than he would like to be.

S. H. LAUCHLIN, having purchased the interest of his late partner, has opened on his own hook in the shop formerly occupied by them on Second street, where he intends to keep up his reputation as a workman by doing all work entrusted to his care, in the best manner, and on reasonable terms. Defying the competition is a fair trial, and a continuance of the patronage heretofore extended. Look for the BIG WATCH.
