THE HISTORY OF

PROTESTANT PRIESTCRAFT

IN

Europe & America.

IS NOW BEING PUBLISHED IN CONSECutive numbers of the *Banner of Light*, (an independent weekly newspaper, published by G. J. Beebe, at Middletown, Orange county, N. Y., at $2 per year, payable in advance). Back numbers, or supplements, containing the chapters already published, will be furnished to subscribers. This History contains a full exposure of Popular Delusions relative to the pretended "Reformations" under Calvin and Luther, Henry VIII., Cranmer and Cromwell, by a truthful history of their rise, progress and persecutions in Europe, down to the emigration of the Pharisaic Puritans to America—An account of their persecutions of Baptists, Quakers, Catholics, and other Dissenters in New England, the Blue Laws and Witchcraft—Persecutions of Dissenters from the State Religion in Virginia prior to the Revolution of 1776—The severance of Church and State at the formation of the United States Government, opposed by the popular clergy of that day—Their efforts and those of their progeny, to restore political power to the clergy by an attempted union of Church and State—the Constitution of the United States, and most of the States, in the way, and the consequent conspiracy of the clergy to overthrow our former happy system of free government—the various means employed from the first perversion of Sunday schools, and the Anti-Sunday Mail movement, down to the seizure and subversion of the common schools, academies and colleges, from institutions of learning to engines of ignorance for the enslavement of the minds of the rising generations to the degrading dogmas of the clergy—the rise and results of Native Americanism, Maine-Lawism, Know Nothingism, Abolitionism, and the various other fanaticisms of Priestcraft.

All should subscribe, who wish to acquaint themselves with historical facts of the greatest value at the present time, or to arm themselves with arguments to oppose Puritanic Priestcraft, which, in addition to all other curses it has inflicted upon our country, has now involved us in the most terrible sectional war, and threatens to follow it with a sectarian crusade far more awful, unless arrested by the dissemination of documents exposing its character and objects, such as the author has sought to make this history useful in accomplishing. Priestcraft is therein proved to be alike antagonistic to the true Christian religion, popular liberty, and the public peace and prosperity; and the political clergy are also proven to be servants of Satan, instead of ministers of the Prince of Peace, and their influence "evil, and only evil continually." Patriots will find a perusal of its pages of great advantage in enabling them to fight the hydra-headed monster that must be slain before we can hope for peace and a restoration of civil and religious liberty in our country.

This History will also soon be published in book form, with paper covers at 1$, and in good cloth or skin covers at $1 50 to $2. At these prices it will be sent to any address in the United States, postage free. Every intelligent patriot should have a copy, and after reading lend it to his friends and neighbor.

☞Address, enclosing payment, G. J. Beebe, Middletown, Orange county, N. Y. [ap12.

Coffee! Coffee! Coffee,

THE

EAST INDIA COFFEE CO'Y,

154 Reade Street, (three doors from Greenwich Street) N. Y., call universal attention to their

Kent's East India Coffee.

KENT'S EAST INDIA COFFEE has all the flavor of OLD GOVERNMENT JAVA, and is but half the price, and also that

KENT'S EAST INDIA COFFEE has twice the strength of Java, or any other Coffee whatever and wherever used by our first class hotels and steamboats, and stewards say there is a saving of 30 per cent.

KENT'S EAST INDIA COFFEE is the most healthy beverage known, and is very nutritious. The weak and invalid may use it at all times with impunity. The wife of the Rev. W. Eaves, local minister of the M. E. Church, Jersey City, who has not been able to use any coffee for fifteen years, can use

KENT'S EAST INDIA COFFEE three times a day without injury, it being entirely free from those properties that produce nervous excitement.

Dr. James Boyle, of 116 Chambers street, says "I have never known any coffee so healthful, nutritious, and free from all injurious qualities as

KENT'S EAST INDIA COFFEE. I advise my patients to drink it universally even those to whom I have hitherto prohibited the use of Coffee.

The Principal of the New York Eye Infirmary says: "I direct all the patients of our Institution to use exclusively

KENT'S EAST INDIA COFFEE, and would not be without it on any account."

The Rev. C. Larue, an eminent clergyman of the M. E. Church, now stationed at Halsey st., Newark, says of

KENT'S EAST INDIA COFFEE, "I have used it nearly a year in my family, and find it produces no ache of the head, or nervous irritation, as in the case of all other Coffees. It is exceedingly pleasant, and I cordially recommend it to all clergymen and their families."

KENT'S EAST INDIA COFFEE is used daily by the families of Bishop Ames, Bishop Baker, Bishop James, and many of the most distinguished clergymen and professional men in the country.

Beware of Counterfeits!

and be sure that the packages are labelled

Kent's East India Coffee,

154 *READE street, New York,*

as there are numerous counterfeits out out under the name of "Genuine East India Coffee," "Original East India Coffee," etc., put forth by impostors to deceive the unwary.

In 1 lb. packages, and in boxes of 36, 60 and 100 lbs., for Grocers and large consumers. Sold by Grocers *generally.*

Orders from Country Grocers solicited, to whom a very liberal discount will be made.

THE peculiar taint or infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that the medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: **King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses,** and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. These cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is compounded of ingredients, some of which exceed the best of *Sarsaparilla* in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of *Sarsaparilla*, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S

CHERRY PECTORAL,

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.
