GROVE MEETING.—We are requested to state that, Providence permitting, there will be a grove meeting of Messiah's Church held on the old ground near Kylertown, commencing August 12th, and to continue over the following Sabbath. Elders Litch, Jackson, and others are expected to attend.

THE NEW BRIDGE.—We notice that the contractor, Mr. Miller, is spanning the river at the foot of Second Street with a new bridge, which in a few months more will be made passable for travel. It is to be an open bridge and will therefore in winter time and at night be preferable to the covered style.

SOLD.—We are informed that the School Directors of this borough have purchased of the Trustees of the M. E. Another school house was badly needed, and the Directors have done a wise act in securing this building, as it will answer for a number of years without much expense, besides being desirably located.

NOTICE.—This is to notify customers that our respective places of business will be closed, on and after August 1st to November 1st, at 7½ o'clock; and from November 1st to April 1st, at 7 o'clock of each evening. ANOTHER ELEGANT CHURCH.—We learn that the Catholic congregation at Frenchville, who have their spiritual wants supplied by Father Berbego, are about erecting a magnificent church. The building is to be of stone, 45x90 feet, with a cross projection of twenty feet at each side, and when completed will not only be creditable to Covington township, but an ornament to the county. Mr. Michael Hubert, we understand, has closed a contract for putting up the building. "Mike" knows how to pile up "the rocks."

TOWNSHIP OFFICERS.—At the late primary election quite a number of the townships embraced the opportunity and nominated their township officers too. It would be well for the party if those townships in which no nominations have yet been made to do so at an early day so that tickets can be printed. Those doing so, by forwarding the money, can have their tickets printed and sent out with the county officers. We will charge *three dollars* for the large, and *two dollars* for the small townships.

SHOT ACCIDENTALLY.—On Tuesday, July 13th, Mr. Ed. Sullivan, of Huston township, met with a serious if not fatal accident. Mr. Sullivan, Thomas Evans, and a little brother of Sullivan's, went hunting on the afternoon of the day named. In passing through the woods, they suddenly came across a deer; Sullivan being about ten feet in advance of Evans. In the excitement of the moment, Evans cocked his gun and brought it to his shoulder, and, in going through some bushes, it would seem a branch caught the hammer of the gun and discharged it; the ball hitting Sullivan. The ball took effect about one inch above the lower end of the left shoulder blade, and passing obliquely outwards and upwards, somewhat injuring the shoulder joint in its passage, lodged under the large muscles of the left arm, near the joint. Dr. Kline, of Punxsutawney, assisted by Dr. Burchfield, of this place, being called to minister to the relief of the wounded man, succeeded after some difficulty in extracting the ball. The patient, being in Dr. Kline's care, at last accounts was doing as well as could be expected, considering the nature of his wound, the symptoms being favorable to his recovery.

The New Law in Relation to the Collection of School Tax.

Below will be found the Act passed last winter relating to the collection of school taxes. The law is a good one, and we hope to see it adopted by all the districts in this county.

A notice elsewhere shows that the Board in this borough have adopted it, and are proceeding to collect the tax under it. The abatement of five and addition of five per cent. will make quite a difference in the tax of many:

SECTION 1. *Be it enacted, &c.*, That from and after the passage of this act it shall be lawful for the board of school directors of any school district in this commonwealth, by resolution of the board, to authorize the collection of the school tax in the manner hereinafter provided.

SEC. 2. The board of school directors shall place in the hands of the treasurer a certified duplicate of the school tax, and it shall be his duty to give at least one month's notice of the time and place at which he will attend, at least one day, for the purpose of receiving school tax; and it shall be his duty to receive and receipt for all the school tax given him for three months after the date of said notice; *Provided*, That if any person, on or before the expiration of two months after the date of said notice, shall pay to the collector the amount of his or her tax, such persons shall be entitled to a deduction of five per cent. on the amount thereof, and for the remaining month he shall make no abatement on the taxes received.

SEC. 3. In case the taxes are not all paid on or before the expiration of three months from the date of said notice, the board of directors shall elect a collector, have the duplicate placed in his hands, and issue to him a warrant for the collection of unpaid taxes on said duplicate; and he shall proceed to collect the unpaid tax assessed therein, with an addition of five per cent. on the amount thereof, in the manner heretofore provided by law; he shall be allowed such compensation as may be agreed upon, not exceeding five per cent. of the money collected; and in addition, in case of distress and sale of goods, he shall receive the same fees as are now allowed by law to constables for a levy and sale upon a writ of execution; which fees he shall retain out of the proceeds of such sales after deducting the taxes and the addition of five per cent thereon.

SEC. 4. All acts or parts of acts for the collection of school tax that are hereby altered or supplied are hereby repealed, so far as they relate to districts in which the board of directors authorize the collection of school tax by the provisions of this act; *Provided*, That none of the provisions of this act shall apply to the cities of Pittsburg, or Allegheny, or to the counties of Cumberland, York, Franklin, Adams, Sullivan, Columbia, Montour, Northumberland, Chester, Delaware, Montgomery, Berks, Somerset, Bedford, Fulton, Allegheny, Luzerne, Indiana, Cambria and Jefferson.

A MYSTERY.—It is a mystery to most people how a combination of medicines put up under one name can have sufficient curative powers to cure so many different diseases, and often the very best of remedies are discarded or branded as humbugs because they are recommended to cure so many complaints. This nomenclature of diseases would seem to imply some essential difference between the diseases thus distinguished, whereas, they are really one and the same disease, merely differing by the amount of inflamation or irritation in one organ rather than the other. For instance, from a torpid state of the Liver we have Jaundice, Nervous and Sick Headache, Bilious Fever, Dyspepsia, Fever and Ague, Constipation, Neuralgia, and innumerable complaints under high-sounding names, all arising from a disordered state of the Liver. Hence, we say, invigorate that important organ; purge out the vile accumulation with Roback's Blood Pills, and, once restored to vigor, take Roback's Blood Purifier or Stomach Bitters to keep it performing its regular functions, and you will be no longer troubled with these many ailments.

The artesian well at the Insane Asylum at St. Louis has reached a depth of four thousand feet, and is now to be abandoned until more money can be raised.

Pittsburgh Female College.

In referring to this first class institution, the Chronicle of that city—whose editor speaks from personal knowledge—says:

"We are in receipt of the catalogue of this sterling Institution. Two hundred and ninety-four young ladies have been in attendance during the past year, gathered not only from prominent and influential families in Pittsburgh, but from Philadelphia in the East, to
